Race is self-reported by members at the time of enrollment. The multiple race members have selected two or more races. Hispanic is an ethnicity not a race. Hispanics can be of any race and are accounted for in a race category above.

Age Breakdown of Total Enrollment

Data was compiled by Reporting and Statistics as of the report date and is subject to change. Numbers frequently change due to certifications occurring after the data is extracted and other factors. This report is based on data within the system prior to the report date. A majority of the data is a "point in time" representation of the specific report month and is not cumulative. Unless stated otherwise, CHILD is defined as an individual under the age of 21.

OHCA dentist selected to lead national organization

OKLAHOMA CITY – Leon Bragg, DDS, Chief Dental Officer for the Oklahoma Health Care Authority, was recently named President of the Medicaid-CHIP State Dental Association during their annual conference in Washington, D.C.

The national organization serves to develop and promote evidence-based Medicaid/Children's Health Insurance Program (CHIP) oral health best practices and policies. Dr. Bragg has served the organization as vice-president since 2013.

In February 2004, Dr. Bragg became the OHCA's first full-time dentist. As Chief Dental Officer, he has helped develop program policy for dental care for SoonerCare members, established benefits standards for quality and assisted with utilization review for the program. Dr. Bragg also serves as a liaison between the state agency and its dental providers.

Prior to his OHCA employment, Dr. Bragg served as Assistant Professor in Operative Dentistry and Dental Materials at the University Of Oklahoma College Of Dentistry. During his time there he completed a Master of Education degree from the University of Central Oklahoma and graduated from the Oklahoma University Health Sciences Center Faculty Development program. Dr. Bragg was the first Langston graduate to attend, and the second African American to graduate from, the University of Oklahoma College of Dentistry.

On Aug. 1, 2003, Dr. Bragg was named Assistant Dean for Clinics, the first African American to hold this distinction in the history of the Dental College. He also maintained a private practice for more than 20 years. In June 2006, Dr. Bragg was invited to Fellowship in the American College of Dentists, a non-profit professional organization comprised of dentists who have demonstrated exceptional leadership and contributions to the profession and their community. He has also served as president of the Board of Directors for Community Health Centers, Inc.

"I am pleased that my colleagues from across the country placed their trust in me to lead this organization. Nationally, the SoonerCare dental program has gained a lot of attention and serves as a reference for some states. It is also wonderful to have the support of the OHCA leadership, especially our Chief Medical Officer, Dr. Sylvia Lopez," Dr. Bragg said.

More information about the SoonerCare dental program is available at www.okhca.org.
