Subject: Pharmacy Update

The following changes will take effect December 3, 2012.

**Bladder Control Medications**

**Tier 2 Authorization Criteria:**
- Trial of two Tier 1 medications that yielded inadequate clinical response or adverse effects, or
- A unique FDA approved indication not covered by Tier 1 products.

**Tier 3 Authorization Criteria:**
- Trial of all Tier 2 medications that yielded inadequate clinical response or adverse effects, or
- A unique FDA approved indication not covered by lower tiered products.
