What you must do to keep
Your SoonerCare health benefits!

Federal Law Requires Proof of Citizenship and Identity

If you are applying for SoonerCare for the first time, you must provide one-time proof of your U.S. citizenship and identity. This flyer explains how to send in that proof.

Newborn children (**under age one**) of SoonerCare members do not have to show proof.

To avoid a delay in getting SoonerCare or a gap in coverage, please update your account and send in your documents as soon as you can. If you do not already have the needed proof, it may take longer than you think to get it. Start now.

About the same time you get this letter and flyer, you should also get a letter from OHCA requesting that you update or reapply for benefits. You must follow the instructions from the letter. It is very important that you send in all of your paperwork at the same time and before it's due.

Ways to prove your citizenship and identity are listed on the back of this flyer. To send in your paperwork to OHCA follow these steps:

- Fill out the application at www.mysoonerCare.org.
- Make a **clear copy** of the proof needed for each person listed in the letter. If OHCA cannot read your copies, it will not count as proof.
- **Do not send originals through the mail. They will not be returned to you.**
- Keep an extra copy for yourself of everything you send in.
- Mail the cover sheet and all of your paperwork to **OHCA, PO Box 548804, Oklahoma City, OK 73154**
- **You can also take a picture of your documents and upload them using your smart phone devices.**

Or,

- You can take all of your original paperwork and the letter to an Agency Partner office. They will process there.
- Agency Partners are: OK Department of Human Services, Oklahoma State Department of Health, call the SoonerCare Helpline (800-987-7767) for a complete listing.
- If you do not have any of the proof needed, call the SoonerCare Helpline (800-987-7767).
