

**TITLE 317. OKLAHOMA HEALTH CARE AUTHORITY
CHAPTER 35. MEDICAL ASSISTANCE FOR ADULTS
AND CHILDREN-ELIGIBILITY**

SUBCHAPTER 5. ELIGIBILITY AND COUNTABLE INCOME

PART 1. DETERMINATION OF QUALIFYING CATEGORICAL RELATIONSHIPS

317:35-5-6. Determining categorical relationship to pregnancy-related services

Categorical relationship to pregnancy-related services can be established by determining through medical evidence that the individual is currently or has been pregnant. Pregnancy must be verified by providing medical proof of pregnancy within ~~10~~ 30 days of application submission. OKDHS form 08MA005E, Notification of Needed Medical Services, is not required but will be accepted as medical verification. If proof of pregnancy is not provided within ~~10~~ 30 days of application submission, SoonerCare benefits will be closed for the pregnant woman at the end of the ~~ten~~ thirty day period. The expected date of delivery must be established either by information from the applicant's physician or certified nurse midwife or the member's statement.

317:35-5-6.1. Determining categorical relationship for pregnancy related services covered under Title XXI

Categorical relationship for pregnancy related benefits covered under Title XXI are determined in accordance with OAC 317:35-22-1 and through medical evidence that the individual is currently or has recently been pregnant and may qualify for pregnancy related services. Pregnancy must be verified by providing medical proof of pregnancy within ~~10~~ 30 days of application submission. OKDHS form 08MA005E, Notification of Needed Medical Services, is not required but will be accepted as medical verification. If proof of pregnancy is not provided within ~~10~~ 30 days of application submission, SoonerCare benefits will be closed for the pregnant woman at the end of the ~~ten~~ thirty day period. The applicant must be residing in the State of Oklahoma with the intent to remain at the time the medical service is received. The expected date of delivery must be established either by information from the applicant's physician or other qualified practitioner.
