**RE: Prior authorization of Lumoxiti– Effective Aug 1, 2020**

Dear Provider,

As authorized by Oklahoma Administrative Code [317:30-5-77.2](#), effective Aug 1, 2020, OHCA will require a prior authorization for Lumoxiti® (moxetumomab pasudotox-tdfk).

If a SoonerCare member is currently on therapy with this medication, the medication will be grandfathered; therefore, not requiring a prior authorization. If the drug is obtained through the pharmacy claims system, it will be automatically prior authorized based on past paid claims.

Because medical claims typically lag behind the treatment date, OHCA may not be able to accurately track current therapy in all cases. In order to avoid a disruption in therapy, OHCA recommends you submit a prior authorization request for those members who started on therapy after June 1, 2020. You must list the dates of previous doses on the prior authorization form for a patient who has already received therapy.

The specific prior authorization requirements are listed below and are located on the OHCA website at [www.okhca.org/pa](http://www.okhca.org/pa) in the Oncologic therapeutic category. A drug-specific prior authorization form is required, PHARM-156, which can be found on the website at [www.okhca.org/forms](http://www.okhca.org/forms).

**Lumoxiti® (Moxetumomab Pasudotox-tdfk) Approval Criteria [Hairy Cell Leukemia (HCL) Diagnosis]:**

1. Treatment of relapsed or refractory HCL in adults; and
2. Member has received at least two prior systemic therapies, including treatment with a purine nucleoside analog (PNA); and
3. Creatinine clearance (CrCl)  $\geq 30\text{mL/minute/1.73m}^2$ ; and
4. Used as a single-agent.

All medication prior authorization requests are submitted to the OHCA pharmacy prior authorization unit at the fax number located at the bottom of the form. Please do not submit the request to the medical authorization unit or via the provider portal.

If you have questions, please contact the pharmacy prior authorization unit at 800-522-0114, option 4.

Thank you for your continued service to Oklahoma's SoonerCare members.

Sincerely,

Melody Anthony  
State Medicaid Director
