Dear Provider:

Service	Code	Previous Rate	New Rate

Assisted Living High (Tier 3)	T2031 TG	\$81.05	\$86.10

The rate increases are a part of the agency's efforts to match the rates paid by the ADvantage and Developmental Disabilities Services Division waiver programs. The agency's goal is the equalization of all waiver program services. The LC revised rate sheet can be found at <http://www.oklivingchoice.org> and the waiver services revised rate sheets can be found at <http://www.okhca.org/individuals.aspx?id=8137>.

Provider agencies with members who have service plans that are affected by these increases will be notified and will also receive a revised service plan with a new prior authorization number or a new line item for that member. For any additional questions, please contact LTCWO at (888-287-2443).

Thank you for your continued support and the services you provide to our SoonerCare members.

Sincerely,
