
**AMOUNT, DURATION AND SCOPE OF MEDICAL AND REMEDIAL CARE AND SERVICES
PROVIDED CATEGORICALLY NEEDY**

6.d. Other Practitioners' Services

- A. Psychological Services - See 4b. EPSDT
- B. Certified Registered Nurse Anesthetists - Payment is made for inpatient and outpatient anesthesia services which are in the scope of the Medicaid Program and under the appropriate scope of practice allowed under State law for Certified Registered Nurse Anesthetists.
- C. Anesthesiologist Assistants - Payment is made for inpatient and outpatient anesthesia services which are in the scope of the Medicaid Program and under the appropriate scope of practice allowed under State law for Anesthesiologist Assistants.
- D. Physician Assistants - Payment is made for services provided by licensed Physician Assistants within the current practice guidelines for the State of Oklahoma.
- E. Nutritional Services - Payment is made for up to six hours of nutritional counseling per year. All services must be prescribed by a physician, physician assistant, advanced practice nurse or nurse midwife and be face to face encounters between the State licensed dietitian and the client. Limitations on nutritional services are not applicable for EPSDT individuals. Services must be expressly for diagnosing, treating or preventing or minimizing the effects of illnesses. Nutritional services for the treatment of obesity are not covered unless there is documentation that the obesity is a contributing factor in another illness.
- F. Health Education and counseling services for pregnant women - Payment is made for pregnancy related and postpartum health education and counseling services provided by practitioners licensed by the state in accordance with 42 CFR 440.060(a). Services are designed to provide educational information to the pregnant woman in caring for herself during pregnancy within existing standards of care. Services include genetic counseling by licensed genetic counselors, lactation consulting and counseling by state licensed nurses and state licensed dietitians who are also certified International Board Lactation Consultants, psychosocial support services by licensed clinical social workers, and prenatal care coordination and patient education by licensed practitioners.
- G. Genetic Counseling Services - Payment is made for genetic counseling provided by licensed genetic counselors, when genetic testing has deemed genetic counseling services as medically necessary and in accordance with 42 CFR 440.60.
