NEWSPAPER PUBLIC NOTICE

Pursuant to 42 CFR § 431.408, the Oklahoma Health Care Authority (OHCA) is providing public notice of its plan to submit an extension application for the SoonerCare Choice and Insure Oklahoma 1115(a) waiver to the Centers for Medicare and Medicaid Services (CMS) for the period January 1, 2018, to December 31, 2018.

The waiver allows the state to offer managed care in a Primary Care Case Managed (PCCM) model in which the OHCA contracts directly with providers throughout the state to provide SoonerCare Choice members a Patient-Centered Medical Home (PCMH) and also to operate the Insure Oklahoma program. The demonstration provides additional services such as the Health Management Program and Health Access Networks. The extension application requires approval from federal partners, CMS, to continue the SoonerCare Choice and Insure Oklahoma programs.

The State will apply no later than August 1, 2017 to extend the demonstration with no changes, but to clarify and define payment methodology. The State will provide clarification for supplemental payments to State of Oklahoma teaching Universities. It will also define changes to the qualifications to SoonerExcel payments. Both of which reflect value based purchasing.

Public meetings will be held at the following locations:
