

# HIE CONNECT EVENTS

## LONG-TERM CARE

Join MyHealth Access Network and OFMQ for our upcoming HIE Connect Events, where Long-Term Care healthcare providers can discover how Oklahoma's Health Information Exchange (HIE) can streamline continuity of care, access to resident data, improve care coordination, plus explore cost saving opportunities through OKSHINE programs.

## Event Highlights

- Networking Opportunities
- Overview of Oklahoma's State HIE Programs specific to Long-Term Care setting
- Complimentary Food & Beverage
- **All attendees are entered to win 2 OKC Thunder tickets for the 2024 season**

## OKLAHOMA CITY, OK

DECEMBER 3RD AT 3:00 PM

## Why to Attend

### Simplify Care Coordination in LTC

Learn how the MyHealth Provider Portal makes accessing resident records easier and faster.

### Affordably Improve Quality of Care

Explore how OKSHINE programs can reduce costs for your LTC facility and make connecting to Oklahoma's HIE easier than ever.
