HIE CONNECT
EVENTS

Join MyHealth Access Network and OFMQ for our upcoming HIE Connect Events, where healthcare providers can discover how Oklahoma's Health Information Exchange (HIE) can streamline access to patient data, improve care coordination, and explore cost-saving opportunities through OKSHINE programs.

Event Highlights

- Networking Opportunities

- OKSHINE Programs Overview

- Exclusive Insights

- Complimentary Food & Beverage

Why to Attend

Simplify Healthcare

Learn how the MyHealth Provider Portal makes accessing patient records easier and faster.

Cost Savings

Explore how OKSHINE programs can reduce costs for your practice and make connecting to Oklahoma's HIE easier than ever.
