

Dental Extra Benefits Chart

The Oklahoma Health Care Authority (OHCA) contracted with two (2) plans to deliver dental services to SoonerSelect members. Each dental plan is required to provide the same set of core dental services that are provided to SoonerCare members today. Each SoonerSelect dental plan also offers extra services, called value-added benefits. The chart below shows the value-added benefits each plan offers. This chart may help you determine which dental plan will best meet your needs.
