

SoonerSelect Medical Contracted Entity (CE) Requests to Change Service Provisions

The SoonerSelect Medical Contract at Section 1.7: Covered Benefits and Section 1.8: Medical Management states that medical contracted entities (CEs) may not impose prior authorization guidelines/criteria or utilization management practices that are more restrictive than OHCA without OHCA prior approval.

On September 22, 2025, Humana Healthy Horizons of Oklahoma submitted a formal request to OHCA for review and approval to change service provisions.

OHCA subject matter experts (SMEs) reviewed the requests, evaluating them in comparison to OHCA historical processes and practices, standard business practice in other markets, and available data to determine whether to approve the requests.

OHCA decisions are noted in the table below:

SoonerSelect Medical Requests to Change Service Provisions				
OHCA's CURRENT PROCESSING PROTOCOL	PROPOSED MODIFICATION TO CLAIMS PROCESSING PROTOCOL	REASON FOR PROPOSED CHANGE	ANTICIPATED IMPACT	OHCA DECISION
Not Adding Prior Authorization Requirements for Certain HCPCS Codes				
<p>Q0507 – Misc supply or accessory for use with external Ventricular Assist Device (VAD).</p> <p>Q0508 – Misc supply or accessory for use with an implanted Ventricular Assist Device (VAD).</p>	Humana Healthy Horizons of Oklahoma is requesting to not add these codes to their Prior Authorization list.	Prior authorization is required by Humana for these Ventricular Assist Device (VAD) codes. However, criteria states the supplies are approvable if the VAD is approved.	Humana does not anticipate providers to request supplies without an approved VAD. Claim volume for these codes is very low.	<p>Approved 9/29/2025</p> <p><i>Item will be presented at the November 2025, MAC meeting</i></p>
