

PICK A PLAN

THAT FITS

Eligible SoonerCare members will be moving to a new program called SoonerSelect.

As a SoonerSelect member, you will be asked to pick one dental plan and one health plan. Visit MySoonerCare.org to view the plans and compare benefits. Then, pick the plan that's right for you. You'll get the same health care services offered by SoonerCare, but some plans may offer extra benefits to help improve your health.

If you need help picking your plan, call the helpline at 800-987-7767 and talk to our choice counselors.
