

PICK A PLAN THAT FITS

Eligible SoonerCare members will be moving to a new program called SoonerSelect.

As a SoonerSelect member, your patient will be asked to pick one dental plan and one health plan. **Eligible members can visit MySoonerCare.org to view the plans and compare benefits, then pick the plan that's right for them.** Members will get the same health care services offered by SoonerCare, but some plans may offer extra benefits to help improve your patient's health.

If your patient needs help picking their plan, they can call the helpline at 800-987-7767 to talk to our choice counselors.

DENTAL PLAN OPEN ENROLLMENT
