Description of Amendment:

a. This is to incorporate the following:

Q1. From the Cover Page, Please clarify the security specifications of "1075" and "CJIS", and provide links to documents or information.

A1. If your company does process/transmit/store FTI/CJI in your business with the state you would need to adhere to pub 1075 and CJI policy to applicable security standards.

Q2. Attachment A indicates, "The Contract will assist in helping Oklahoma State Agencies and institutions of K-12 and Higher Education, comply with the Accessibility Standards defined in the Oklahoma Electronic IT Accessibility Act, Americans with Disabilities Act, and Section 508 of the Federal Rehabilitation Act."

i. The ADA requires effective communication with people who have disabilities, including accommodations such as alternate formats of printed documents and educational materials, like braille, large print, or audio. Are services to produce alternate formats of Oklahoma State Agency and institution documents and educational materials within the scope of this solicitation?

ii. Will Oklahoma State Agencies and institutions of K-12 and Higher Education be required to utilize the resulting statewide Service contract(s) for the specified services?

A2. Yes.
This is a non-mandatory contract.

Q3. Are there known Accessibility Service projects which will be ordered under this contract, or is this merely a convenience contract?

A3. There is a need for services within Oklahoma entities but specific projects are not known.

Q4. Can the State provide an indication of the volume/scale of Services which may be required?

i. Number of websites known to be non-compliant and in need of assessment, testing, and remediation?

- ii. List of specific websites known to be non-compliant and in need of assessment, testing, and remediation?
- iii. Number of documents known to need remediation?

A4. For all three questions; the state does not have this information.

Q5. Are online Learning Management Systems of institutions of K-12 and Higher Education included in the scope of Accessibility Audit, Testing and/or Remediation subcategories?

A5. Possibly, those systems would be under the discretion of their owners.

Q6. Without a specified volume/scale of Services which may be required, how will the state determine if a bidder has sufficient capacity to qualify as responsive and responsible to be awarded a Service subcategory contract?

A6. By the experience response and customer references, in addition to other information requested in the bid.

Q7. Will project turnaround times for Services be negotiated at the time of Task Order?

A7. Yes.

Q8. If a bidder is awarded one or more of the Service subcategories, can the bidder refuse a Task Order or service assignment if they lack sufficient capacity to meet the requested turnaround time at the time the order is placed?

A8. Yes.

b. All other terms and conditions remain unchanged.
