## 1 Definitions

The following terms, when used in these Bidder Instructions, shall have the following meanings:

- 1.1 **Alternate Bid** means a Bid which contains an intentional substantive variation to a basic provision, specification, term or condition of the Solicitation.
- 1.2 **Amendment** means a written change, addition, correction or revision to the Solicitation by the State agency issuing the Solicitation.
- 1.3 **BAFO** means a best and final offer requested by the State agency issuing the Solicitation.
- 1.4 **Bid** means an offer a Bidder submits in response to the Solicitation.
- 1.5 **Bidder** means an individual or business entity that submits a Bid in response to the Solicitation.
- 1.6 **Bid Packet** means the order described in these Bidder Instructions in which all Bidders shall insert the relevant sections of a Bid and which shall be the format for all submitted Bids.
- 1.7 **OAC** means the Oklahoma Administrative Code.

## 2 Instructions Compliance

These Bidder Instructions are not part of the Contract resulting from the Solicitation; however, compliance with these Instructions is material to the determination of whether a Bid is responsive. Terms, requirements and specifications may be stated or phrased differently than in a previous solicitation irrespective of past interpretations, practices or customs. Solicitation requirements are altered only by written Amendment and verbal communications from any source whatsoever are of no effect. In no event shall the Bidder's failure to read and understand any term or condition in the Solicitation or related documents constitute grounds for a claim after award of the Contract.

## 3 Communications and Questions Concerning Solicitation

The Contracting Officer listed on the Bidder Instructions Cover Page is the only individual the Bidder should contact, or communicate with, regarding any questions or issues with the Solicitation or a Bid. Failure to comply with this requirement may result in the Bid being considered non-responsive or not considered for further evaluation.

### 3.1 General Questions

- A. Questions should be concise, identify the document, include specific section references and avoid use of tables or special formatting (use simple lists).

## **B. Information Technology Bids**

- i** Bidder may submit general questions concerning the specifications of the Solicitation online at [\[WIKI\]](#). Questions received via any other means will not be addressed.
- ii** Registration with the State of Oklahoma for wiki access is located at <https://omes.ok.gov/forms/wiki-enrollment-it-procurement>. Access should be requested at least five (5) business days prior to the Questions Due Date. The State is not responsible for a Bidder's lack of access to the wiki.

### **3.2 Clarification Questions**

The State reserves the right, at its sole discretion, to request clarifications of Bid information or to conduct discussions for the purpose of clarification with any or all Bidders. The purpose of any such discussion shall be to ensure full understanding of the Bid. If clarifications are made because of such discussion, the Bidder(s) shall put such clarifications in writing. Bidder answers that are outside scope of the clarification questions shall be disregarded. Oral explanations or instructions provided to a potential Bidder is not binding.

## **4 Administrative Review**

- 4.1** A Bidder that believes the Solicitation requirements or specifications, or Bid Response Due Date, are unnecessarily restrictive or limit competition may submit a request for administrative review, in writing, to the Contracting Officer. The State shall promptly respond in writing to each written administrative review request, and where appropriate, issue a revision, substitution or clarification through an Amendment. Requests for administrative review of technical or contractual requirements shall include the reason for the request, supported by information, and any proposed changes.
- 4.2** If a Bidder fails to notify the Contracting Officer of an error, ambiguity, conflict, discrepancy, omission or other error in the Solicitation known to Bidder, or that reasonably should have been known by Bidder, the Bidder accepts the risk of submitting a Bid and, if awarded the Contract,

shall not be entitled to additional compensation, relief or time by reason of the error or its later correction.

## **5 Solicitation Amendments**

- 5.1** Any Solicitation Amendment shall be set forth at the same online link as the Solicitation.
- 5.2** It is the Bidder's responsibility to check the State's website frequently for any possible Amendments to the Solicitation that may be issued. The State is not responsible for the Bidder's failure to download any amendment documents required to complete a Bid.

## **6 Confidentiality Request**

Unless otherwise specified in the Oklahoma Open Records Act, Central Purchasing Act, or other applicable law, documents and information a Bidder submits as part of or in connection with a Bid are public records and subject to disclosure after contract award pursuant to OAC 260:115-3-9<sup>1</sup>. However, a public Bid opening does not make the Bid immediately accessible to the public. All material submitted by a Bidder becomes the property of the State. No portion of a Bid shall be considered confidential after award of the Contract except, pursuant to 74 O.S. §85.10, information in the Bid determined to be confidential by the State Purchasing Director or delegate. Typically, a properly submitted confidentiality claim of a potential awardee is reviewed and determined prior to award; a properly submitted confidentiality claim of a non-awarded Bidder is reviewed and determined only when responding to an open records request concerning the Bid. Additional information regarding information considered confidential by a Bidder is provided in Section 8.2.C below.

## **7 Acceptance of Solicitation Content**

Unless otherwise provided in Section Four of a Bidder's response to the Solicitation, all Bids shall be firm representations that the responding Bidder has carefully investigated and will comply with all State terms and conditions relating to the Solicitation. Upon award of a contract to the successful Bidder, such terms and conditions, as may be amended by the Bid after negotiation, shall become contractual obligations between the parties.

## **8 Required Bid Structure**

### **8.1 Preparation of Bid**

- A.** The Bid is required to be structured into separate, labelled and easily identifiable sections using the Bid Packet format provided below. A Bid submitted using any other format may not be accepted. The Bid should not contain duplicative content. Any section of the Bid Packet that is not applicable to the Bid shall have a page inserted to denote the section is not applicable. For instance, if business references are not required, the Bid should contain a page after the "Business References" section heading that reads "Not Applicable", "N/A" or some similar notation.

Negotiations may be conducted in person, in writing or by electronic means and shall only be conducted with potentially acceptable Bids.

- 14.2 Negotiations could entail discussions on products, services, pricing, contract terminology or any other issue material to an award decision or that may mitigate the State's risks. The State shall consider all issues arising from the Bid to be negotiable and will not be artificially constrained by internal corporate policies. In the event of prolonged contract negotiations due to the number and/or significance of exceptions taken, lack of Bidder responsiveness or other failure to close contract negotiations that are not caused by the State, the State may, in its discretion, offer a successful Bidder a shorter contract term.
- 14.3 Firms that contend a lack of flexibility because of corporate policy on a particular negotiation item shall face a significant disadvantage and may not be considered.
- 14.4 Terms, conditions, prices, methodology, or other features of the Bid may be subject to negotiations and subsequent revision. As part of the negotiations, the Bidder may be required to submit supporting financial, pricing, and other data in order to allow a detailed evaluation of the feasibility, reasonableness, and acceptability of the Bid.
- 14.5 The requirements of the Solicitation and any terms marked as non-negotiable after the section title shall not be negotiable and shall remain unchanged unless the State determines that a change in such requirements or terms is in the best interest of the State.
- 14.6 The State may request a BAFO and shall determine the scope and subject of any BAFO request. However, the Bidder should not expect an opportunity to otherwise strengthen its Bid and should submit its best Bid based on the terms and conditions set forth in the Solicitation. Any information offered outside the scope of the BAFO request will not be considered and will be disregarded.

## 15 Award of Contract

- 15.1 As specified in a Solicitation, the State may award the contract to more than one Bidder by awarding the contract(s) by item or groups of items or may award the contract on an all or none basis, whichever is deemed to be in the best interest of the State.
- 15.2 In order to receive an award or payments from the State, a Bidder must be registered **as both a Bidder and as a Supplier** and must maintain the registration prior to any Contract renewal term. The registration process may be completed electronically at the following link: <https://omes.ok.gov/services/purchasing/vendor-registration>.
- 15.3 Pursuant to Oklahoma Attorney General Opinion No. 06-23, any Bidder that has assisted in preparing the Solicitation or developing the procurement terms, either directly or indirectly, is precluded from being awarded the Contract or from securing a sub-contractor that has provided such services.
- 15.4 Prior to award, the State may choose to request information from the Bidder to demonstrate its financial status and performance. If the Bidder is a subsidiary of another entity, the last three years audited financial statements of three years tax returns for the parent company may also be required.

The State reserves the right, in its sole discretion, to determine a Bidder's financial status and to withhold award to a Bidder who is not deemed financially responsible.

- 15.5** A notice of award may be in the form of a purchase order or other payment mechanism or in the form of a mutually executed contract resulting from the Solicitation.
