**SOLICITATION NO. 1850007999**

This Solicitation is a Contract Document and is a request for proposal in connection with the Contract awarded by the Oklahoma Corporation Commission as more particularly described below. Any defined term used herein but not defined herein shall have the meaning ascribed in the General Terms or other Contract Document.

**PURPOSE**

The Contract is awarded on behalf of the Oklahoma Corporation Commission for an EM34-3 Ground Conductivity Meter (Conductivity, variable depth of exploration to 60m; digital output via cable or Bluetooth, Mesa 3 field tablet, and acquisition and processing software). This will replace old and outdated equipment for the Pollution Abatement Department whose mission is to assure protection of the water and soil resources by providing equitable regulation and enforcement of sound waste management and remediation practices for the domestic oil and gas industry and associated surface and mineral owners.

**1. Contract Term and Renewal Options**

The Contract term begins on the effective date of the Contract, and is completed after the any included warranty ends.
