

Notes to report parameters:

1. For definitions of terms, see revised Central Purchasing Division Administrative Rules
2. Asterisk* indicates data elements required by statute. Remaining data elements added by Central Purchasing Division for audit and file location purposes.
3. "Total contract dollar value" means the net value of the contract to include any increases or decreases from change orders.
4. As a reminder, the basic year contract value plus the value of all option years cannot exceed the agency delegated dollar purchasing authority.
