# GENERAL INFORMATION

## This Comparison of Benefits guide

The information provided in this guide is only a summary of each plan's benefits. If you need additional information to help you make a coverage decision, contact the individual plan. Refer to Health Plan Identification at the front of this guide.

To view this guide online, visit [Oklahoma.gov/omes](http://Oklahoma.gov/omes). In the menu under Services, select Employees Group Insurance Division then select Retirement Insurance Checklist.

## Making plan changes

There are three times where you can make changes in health insurance carriers and plans.

1. During Option Period.
2. Special enrollment due to qualifying events.
3. If you become Medicare eligible, you can switch health insurance carriers provided that:
  - You are a former employee or are retiring with insurance retention rights.
  - You meet all other requirements for eligibility.
    - The change must be made within 30 days of qualifying for Medicare eligibility.
    - The entire family must remain covered by the same carrier and the receiving plan must be able to accommodate all family members.
    - The member must reside in an eligible ZIP code (if that is a requirement of the receiving carrier's plan).

Other restrictions may apply. For more information, contact EGID at 405-717-8780 or toll-free at 800-752-9475. TTY users call 711.

You can only make changes to other types of coverage (dental, life and vision) during the next annual Option Period or due to a qualifying event.

## Health benefits

The health benefits provided by the Medicare supplement and Medicare Advantage Prescription Drug plans described in this guide are designed to provide Medicare-covered benefits according to Part A and Part B guidelines.

## Health provider network

To find a health, dental or vision provider or to check the network status of a provider, visit the plan's website or call the plan for assistance. Refer to Health Plan Identification at the front of this guide. Choose your health care provider carefully. If you do not select a provider who accepts Medicare assignment, your out-of-pocket costs may be higher, or your claim may be denied entirely. **Note:** Provider networks apply only to MAPDs. Networks do not apply to the Medicare supplement plans offered through EGID.

## Getting help from Medicare

To get information directly from Medicare, call toll-free 800-MEDICARE (800-633-4227) or TTY 877-486-2048. You can also visit Medicare's website at **Medicare.gov**.

You can read the 2022 *Medicare & You* handbook. Every year in the fall, this booklet is mailed to people with Medicare. It has a summary of Medicare benefits and answers the most frequently asked questions about Medicare. You can also download a copy of this booklet from Medicare's website.

## ENROLLMENT INFORMATION

- You must submit either the Application for Medicare Supplement with Prescription Drug Plan or Application for Medicare Advantage Prescription Drug (MAPD) Plan.
  - This application is available at **Oklahoma.gov/omes**. In the menu under Services, select Employees Group Insurance Division. Select Forms and Applications.
  - You can also request an application by calling EGID Member Services at 405-717-8780 or toll-free 800-752-9475. TTY 711.
- If you are considering an MAPD HMO plan, check the ZIP code service area beginning on **Page 27** to make sure you are eligible, and then check with the MAPD plans to make sure your provider participates in the plan's network. Refer to Health Plan Identification at the front of this guide.
- Enroll in only one plan that provides Part D prescription drug benefits. (Enrolling in another plan that provides Part D benefits will end your current Part D coverage.)
- A separate Part D application is required for each Medicare-eligible dependent.
- Plan changes are reflected on the confirmation statement you receive from EGID.
  - Review your confirmation statement to make sure your coverage is correct. Contact EGID right away so any corrections can be made as soon as possible.
- If you enroll in an MAPD plan, you will also receive a letter from your plan confirming your enrollment and effective date. Just before your effective date, you will receive your plan ID card and handbook.
- If you need additional benefit information, contact the plan directly and indicate you are with the State of Oklahoma. Refer to the Health Plan Identification section at the front of the guide.

## Enrolling in a Medicare supplement plan

A Medicare supplement plan helps pay for some of the remaining out-of-pocket costs that original Medicare doesn't pay, such as copayments, coinsurance and deductibles. A Medicare supplement plan is in addition to Medicare. There are no provider networks for Medicare supplement plans. If the provider accepts Medicare, the services will be covered.

To participate in the BCBSOK Medicare supplement plan, you must be enrolled in both Medicare Part A (hospital) and Part B (medical) and continue to pay your monthly Part B premium.

To participate in the HealthChoice Medicare supplement plans, you must be entitled to benefits under Medicare Part A. You are not required to be enrolled in Part B, but the plan pays benefits as if you are. To maximize your benefits, you need to be enrolled in Medicare Part B.

## Enrolling in an MAPD plan

An MAPD plan replaces original Medicare and administers your health benefits according to Medicare Part A and Part B guidelines.

To participate in the MAPD plans, you must be enrolled in both Medicare Part A (hospital) and Part B (medical) and continue to pay your monthly Part B premium.

### For MAPD PPOs (BCBSOK – MAPD and Humana National MAPD)

- You can receive services anywhere in the United States as long as the provider is a Medicare eligible provider and accepts your plan's payment terms and conditions.
- You do not have to designate a primary care physician to direct your care.
- No referrals required.

### For MAPD HMOs (CommunityCare Senior Health Plan and Generations by GlobalHealth)

- You must permanently reside in the MAPD plan's ZIP code service area. This is a federally qualified area where the MAPD HMO plan provides coverage. You must have a street address. A post office box number is not acceptable. Check the ZIP code lists on **Pages 27-28** to see if you live within an MAPD HMO plan's service area.
- If you permanently move out of your plan's service area or are absent from the service area for more than six consecutive months, you must disenroll from your MAPD HMO plan and select another plan that provides coverage in your new area.
- You must select and designate a PCP to coordinate all your medical and hospital services. There are exceptions in cases of out-of-network emergency or urgent care.
- If you do not use your PCP for routine care, you will be financially responsible for any charges related to those services.
- You can change doctors for any reason as long as the physician you select participates in your MAPD plan's network. To change your PCP, please contact the MAPD plan.
- If your provider leaves your plan, you must select another provider within your plan's network. You cannot change plans until the next annual Option Period.

## When a dependent is not yet eligible for Medicare

All covered dependents must enroll in the same plan. For example, if you are enrolled in an MAPD plan, your pre-Medicare dependents must enroll in the HMO option of that plan. As the primary member, you must indicate that you have elected an MAPD plan option and complete all the required information regarding your dependents on your application. NOTE: In order to enroll dependents in the Humana National MAPD, all covered dependents must be Medicare eligible.

# PRESCRIPTION DRUG BENEFIT INFORMATION

## Prescription drug creditable coverage notice

The Medicare supplement and MAPD plans available through EGID include Part D coverage and provide creditable coverage. If you drop your health coverage with EGID and do not get other Part D coverage or coverage as good as Medicare's (creditable coverage) in the future, you may have to pay Medicare's late enrollment penalty in addition to your premium for Part D prescription drug coverage.

## Network pharmacy access

Network pharmacies provide electronic claims processing, so there are no paper claims to file. Sometimes a pharmacy leaves the network. When this occurs, you will have to get your prescriptions filled at another network pharmacy.

## Non-network pharmacy access

In most cases, your prescriptions are covered only if they are filled at a network pharmacy. In certain Part D emergency or urgent situations, your prescriptions can be covered as if you filled them at a network pharmacy. Non-network pharmacies cannot file claims electronically, so you must pay the full cost for your medications up front and then file a paper claim for your plan to reimburse you for its share of the cost.

An exception can be made if you cannot access a network pharmacy due to the following circumstances:

- You travel outside the service area and run out of medication or become ill and need a Part D medication.
- You cannot fill a Part D specialty drug timely because it is not in stock.
- There is no network pharmacy within reasonable driving distance with 24/7 service.
- You receive a Part D drug while in an emergency, observation or other outpatient setting.
- You are evacuated or displaced from your residence due to a federal disaster or other public health emergency declaration.

## Plan formularies (lists of covered drugs)

The Medicare supplement and MAPD plans each have a formulary, or a list of medications covered by the plan. Medicare has reviewed and approved these lists of covered drugs. To find out how your medications are covered, contact the plan or visit their website.

Be aware of restrictions on certain drugs as noted in the plan's formulary, such as:

- Prior authorization.
- Step therapy.
- Quantity limits.

All plans cover brand-name and generic drugs, which are sorted into five tiers.

**Drugs not listed in the plan's formulary are not covered.**

## Drugs that require pharmacy prior authorization

Drugs that require prior authorization are covered by your plan if the prescribed use meets approved guidelines. Prior authorization requests must be submitted by your physician. The plans may have added or removed certain medications from their lists of drugs that require prior authorization.

## Quantity limits

Pharmacy benefits generally cover up to a 30- or 90-day supply. For safety and cost reasons, plans may limit the amount of covered prescription drugs over a certain period. Some drugs have quantity limits, which is a set maximum supply of tablets, capsules, liquids or other units of measure that can be received, as part of the covered benefit, and within a certain time limit. Specific therapeutic categories, drugs and dosage forms may have more restrictive quantity and duration of therapy limitations. Be aware that quantity limitations for some drugs may have been added or removed for 2022.

## When changes affect a drug you currently take

If you take a drug that is not listed in your plan's formulary or coverage for your drug has changed, e.g., your brand-name drug has been replaced by a new generic, has moved to a higher cost-sharing tier or has new restrictions, you have a few options:

- In some situations, your plan covers a one-time, temporary supply of your drug when your current supply runs out. This temporary supply is for up to 30 days. Refer to Transition supply of drug below.
- You and your doctor can find a covered drug that treats your medical condition.
- Your doctor can ask for an exception/prior authorization for your current drug.

If coverage for a drug you are taking changes, you will be notified 60 days before the change so you can review your options. If a drug is immediately removed from your plan's formulary because it was recalled by the FDA for being found unsafe or for other reasons, you will be notified at that time. Your pharmacy provider will also be aware of this change and can work with you to find another formulary drug for your condition.

## Transition supply of drug

During the first 90 days of your transition to a new Medicare supplement plan with Part D coverage or transition to a Part D formulary drug, you can be authorized to purchase a one-time supply of your current drug that is non-formulary under your new plan. This total temporary supply is for up to a maximum 30-day supply of drug and is available prior to initiating or completing the plan review process for a drug requiring prior authorization or if your provider is requesting a medically necessary exception on a drug. Please note that under certain circumstances, such as if you reside in a long-term care facility, the supply is extended.

## Income related monthly adjustment amount

If you are a member of one of the Medicare supplement or MAPD plans offered through EGID, your premium for Part D prescription drug coverage is included in your regular monthly premium. Part B premiums are paid through Social Security; however, if your income is above

a certain level, the law requires your Part B and Part D premiums be adjusted, which is called an income-related monthly adjustment amount. If you must pay extra, Social Security will notify you. For more information, call Social Security toll-free at 800-772-1213. TTY users call toll-free 800-325-0778.

**Note:** If you fail to pay any Part D IRMAA as a HealthChoice SilverScript member, HealthChoice must move you to a plan without Part D.

## Extra Help with Medicare Prescription Drug Costs

People with limited incomes may get Extra Help paying for prescription drug costs. To learn more or apply, call Social Security toll-free at 800-772-1213. TTY users call toll-free 800-325-0778. More information is also available at **SSA.gov**. You can also call Medicare toll-free at 800-MEDICARE (800-633-4227). TTY users call toll-free 877-486-2048.

If you already get help paying for your prescription drugs, the premium and drug cost information in this guide is not correct for you. The amounts of your monthly premiums and pharmacy costs will be less. EGID may request a copy of your letter from Social Security confirming you are qualified. Once you enroll in a Part D plan with Part D benefits, Medicare or your plan will tell us the amount of assistance you will receive. We will then send you information about the amount you will pay.

If you qualify for Extra Help, this chart shows your maximum prescription drug costs for 2022:

Rx Group	Your maximum prescription drug costs for 2022
<b>1</b>	\$0 deductible
	\$0 copay
<b>2</b>	\$0 deductible
	\$1.35 generic and preferred brand copay
	\$4.00 non-preferred brand and other drug copays
<b>3</b>	\$0 deductible
	\$3.95 generic and preferred brand copay
	\$9.85 non-preferred brand and other drug copays
<b>4-7</b>	\$99 deductible
	15% copay

## **If you enroll in another plan with Part D benefits**

Your Medicare Part D benefits through your Medicare supplement plan or MAPD plan provide Part D prescription drug coverage. If you enroll in another plan with Part D benefits, Medicare must disenroll you from your current plan. EGID will change your coverage to a plan without Part D benefits. Your coverage will be similar and include prescription drug coverage but not Part D benefits. You must continue in the plan without Part D benefits and pay the higher premium for that plan until the next annual Option Period. Since you have other Part D (prescription) coverage, you can drop your health and prescription coverage through EGID or drop your other Part D coverage, whichever you decide. If you drop your health plan through EGID, you cannot regain coverage through EGID in the future, and you will lose any premium contribution made by your retirement system. Exceptions may apply to members who qualify for Extra Help through Social Security.

## **If you currently have health coverage through your employer or union**

If you or your spouse have health coverage through an employer or union, joining one of the plans offered by EGID may change your current coverage. Please read the information sent to you by your employer or union. If you have questions, contact your benefits administrator.

## **Replacing medications lost or damaged in a declared disaster or public health emergency**

You can also replace medications that were stolen, lost or damaged due to a federally declared disaster or other public health emergency. Your pharmacy must contact your plan's pharmacy helpline to provide early refills or override the maximum supply per fill. You must still pay the applicable copay per fill.

# COMPARISON OF BENEFITS FOR THE MEDICARE SUPPLEMENT PLANS

## Medicare Part A (hospitalization) services

All benefits are based on Medicare-approved amounts.

Part A Network Services	BCBSOK – BlueSecure <sup>SM</sup>	HealthChoice SilverScript High and Low Options
<b>Hospitalization</b> Includes semiprivate room, meals, drugs as part of your inpatient treatment, and other hospital services and supplies		
First 60 days	You pay \$0	You pay \$0
Days 61 through 90	You pay \$0	You pay \$0
Days 91 and after while using Medicare's 60 lifetime reserve days	You pay \$0	You pay \$0
The plan's additional lifetime reserve days	You pay \$0 for additional lifetime reserve days Limited to 365 days	You pay \$0 for additional lifetime reserve days Limited to 365 days
Beyond the plan's lifetime reserve days	You pay 100%	You pay 100%
<b>Skilled Nursing Facility Care</b> Must meet Medicare requirements, including inpatient hospitalization for at least three days and entering a Medicare-approved facility within 30 days of leaving the hospital; limited to 100 days per calendar year		
First 20 days	You pay \$0	You pay \$0
Days 21 through 100	You pay \$0	You pay \$0
Days 101 and after	You pay 100%	You pay 100%
<b>Hospice Care</b> Your doctor and hospice provider must certify you are terminally ill and you elect hospice Includes physical care, counseling, equipment, supplies, respite care, inpatient care and drugs for pain and symptom control	You pay \$0	You pay up to \$5 per prescription for palliative drugs or biologicals You also pay 5% of Medicare amounts for inpatient respite care
<b>Blood</b> Limited to the first 3 pints unless you or someone else donates blood to replace what you use	You pay \$0	You pay \$0

**Bold text** indicates significant plan changes. This is only a sample summary of each plan's network services. For all plan benefits/limitations, including any temporary expansions due to the COVID-19 National Public Health Emergency, contact each plan. Refer to Health Plan Identification at the front of this guide.

## Medicare Part B (medical) services

All benefits are based on Medicare-approved amounts

Part B Network Services	BCBSOK – BlueSecure <sup>SM</sup>	HealthChoice SilverScript High and Low Options
<p><b>Medical Expenses</b> Medically necessary outpatient services and supplies Includes doctor’s visits, outpatient hospital treatment, surgical services, physical and speech therapy and diagnostic tests</p>	You pay the Part B deductible	You pay \$0 after meeting the Part B deductible
<p><b>Clinical Diagnostic Laboratory Services</b> Blood tests, urinalysis and tissue pathology</p>	You pay \$0	You pay \$0

<p><b>Blood</b> Includes amounts in addition to the coverage under Part A unless you or someone else donates blood to replace what you use</p>	You pay the Part B deductible after the first 3 pints	You pay \$0 after meeting the Part B deductible
<p><b>Outpatient Prescriptions</b> Includes infused, oral end-stage renal disease drugs and some cancer and transplant drugs</p>	You pay the Part B deductible	You pay \$0 after meeting the Part B deductible

**Bold text** indicates significant plan changes. This is only a sample summary of each plan’s network services. For all plan benefits/limitations, including any temporary expansions due to the COVID-19 National Public Health Emergency, contact each plan. Refer to Health Plan Identification at the front of this guide.

## Coverage for additional medical services

Service	BCBSOK – BlueSecure <sup>SM</sup>	HealthChoice SilverScript High and Low Options
<b>Foreign Travel</b> Medically necessary emergency care services beginning during the first 60 days of each trip outside the U.S.	You pay the first \$250 each calendar year, then 20% and all amounts over the \$50,000 lifetime maximum	You pay the first \$250 each calendar year, then 20% and all amounts over the \$50,000 lifetime maximum
<b>Bariatric Surgery</b>	<b>You pay the Part B deductible</b>	You pay \$0 after meeting the Part B deductible
<b>National Diabetes Prevention Program</b>	You pay \$0	You pay \$0

**Bold text** indicates significant plan changes. This is only a sample summary of each plan's network services. For all plan benefits/limitations, including any temporary expansions due to the COVID-19 National Public Health Emergency, contact each plan. Refer to Health Plan Identification at the front of this guide.

## Medicare preventive services

Medicare Part B covers many preventive services, such as your annual flu vaccination, wellness visit and screening mammogram, at 100% when you use a doctor or other health care provider who accepts Medicare assignment; however, certain preventive services may still require the Part B deductible or coinsurance. Coinsurance can apply depending on where you receive certain services.

For Medicare to cover preventive services, you must follow their guidelines for each service. Guidelines can include criteria for age, frequency and disease risk.

For a list of preventive services and details on Medicare coverage, go to **CMS.gov** or **Medicare.gov**. You can also refer to the 2022 Medicare & You handbook.

# Pharmacy copay structure for Part D network benefits

General information	BCBSOK – Blue Cross Group MedicareRx <sup>SM</sup>	
<p>This plan uses a formulary Some drugs require prior authorization Quantity limits apply to certain drugs Only copays for covered drugs purchased at network pharmacies count toward out-of-pocket maximums Pharmacy benefits must meet the minimum requirements for benefits as outlined in the Medicare Modernization Act of 2003 You will be notified before any changes are made to your plan's formulary</p>	<p>No deductible No Coverage Gap There is an annual out-of-pocket maximum</p>

## Medicare preventive services

The MAPD PPO plans cover many Part B preventive services, such as your annual flu vaccination, wellness visit and screening mammogram, at 100% when you use a doctor or other health care provider who is a Medicare-eligible provider.

For your plan to cover preventive services, you must follow the guidelines for each service. Guidelines can include criteria for age, frequency and disease risk.

For a list of preventive services as governed by Medicare go to **CMS.gov** or **Medicare.gov**. You can also refer to the 2022 Medicare & You handbook.

Bryan	Caddo	Canadian	Carter	Cleveland	Creek
Garfield	Garvin	Grady	Hughes	Lincoln	Logan
Mayes	McClain	McIntosh	Muskogee	Okfuskee	Oklahoma
Okmulgee	Pawnee	Pittsburg	Pontotoc	Pottawatomie	Rogers
Seminole	Tulsa	Wagoner			

## Humana National MAPD PPO ZIP code list

You are eligible for Humana National MAPD PPO if you live in the United States.

You can receive services anywhere within the United States as long as the provider is a Medicare-eligible provider and is willing to accept the Humana National MAPD and agrees to Humana payment terms and conditions. The Humana National MAPD PPO plan has an extended service area network beyond the network within its ZIP code service area.
