Premier Option \$11.26

Terms for understanding your insurance

Coinsurance: A percentage of costs you pay after your deductible is met.

Copay: A fixed out-of-pocket amount you pay for covered services.

Deductible: The out-of-pocket amount you pay before insurance pays expenses. Many plans provide certain coverages before deductible. Refer to plan for specifics.

Explanation of benefits (EOB): A statement provided by your health insurance company explaining how medical treatments and services were paid.

Health benefits: The health care items and services covered under health insurance plans.

Health plan: Health plans are programs or organizations that provide health benefits. Out-of-pocket maximum: A predetermined amount a covered individual must reach before insurance pays 100% of eligible medical expenses.

Premium: The amount you pay for insurance each pay period.

Primary care physician (PCP): A physician you choose who provides both first contact and continuing care for a variety of medical conditions. Some HMOs require a PCP referral for other services.

This information is only a summary of the plans. All benefits and limitations of these plans are governed in all cases by the relevant plan documents, insurance contracts, handbooks and Administrative Rules of the Office of Management and Enterprise Services. The rules of the Oklahoma Administrative Code, Title 260, are controlling in all aspects of plan benefits. No oral statement of any person shall modify or otherwise affect the benefits, limitations or exclusions of any plan.

A fully accessible version of this guide is available at [Oklahoma.gov/omes](https://oklahoma.gov/omes). Select Divisions, then Human Capital Management, then Employee Benefits.

2027 PLAN CHANGES

Below is a summary of significant plan changes.

Most plans have premium changes. Please refer to the monthly premiums at the beginning of this guide.

HEALTH PLANS

Blue Cross Blue Shield of Oklahoma

- Blue Cross Blue Shield of Oklahoma (BCBSOK) is not available for Plan Year 2027; current BCBSOK members must select a new health plan.

GlobalHealth HMO

- Office visits increased to a \$25 copay/PCP.
- X-rays and labs decreased to a \$0 copay.
- Hospital inpatient, mental health or substance use disorder inpatient, and bariatric surgery copays increased to \$400/day and a maximum of \$2,000/admission.

HealthChoice High and Basic Health Plans

- Preferred and non-preferred specialty drugs changed to 30% coinsurance.
- Pharmacy out-of-pocket maximum increased to \$5,000/individual, \$10,000/family.

HealthChoice High Deductible Health Plan

- Combined medical and pharmacy deductible increased to \$2,000/individual, \$4,000 family.
- Out-of-pocket maximum increased to \$6,250/individual, \$12,500/family.

DENTAL PLANS

Cigna Prepaid (GAOV9)

- Previously offered plans are not available. This is a new plan. Refer to the Dental Comparison Chart for more details. Members currently enrolled in a Cigna plan must elect a new plan for 2027.

VISION PLANS

- There are no significant plan changes among the vision plans.

GENERAL INFORMATION

The benefits you elect during Open Enrollment will take effect Jan. 1. If you are a new employee, your effective date of coverage is the first day of the month following your entry-on-duty date and will remain effective through Dec. 31. For terminated employees, your benefits will remain effective through the last day of the month in which you are terminated.

After enrollment, the plans you elect may provide more information about your benefits. Contact each plan directly if you have questions about your benefits. Refer to Contact Information at the end of this guide.

It is your responsibility to review your benefits and know what is covered before choosing your benefits.

Enrollment in a plan does not guarantee a provider will remain in your plan's network for the entire year. You enroll with the plan and not the provider. If your provider terminates their contract during the plan year, this does not allow you to change your plan carrier.

Coordination of benefits

Coordination of benefits occurs when you are covered under two insurance plans, one primary and one secondary. Most insurance plans require you to annually verify if you or any of your covered dependents have other health or dental insurance. Failure to verify other insurance coverage may result in denial of claims until verification is done. You may complete your verification by contacting the plan directly. Refer to Contact Information at the end of this guide.

HEALTH PLANS

There are several health plans available:

- CommunityCare HMO
- GlobalHealth HMO
- HealthChoice High and High Alternative
- HealthChoice Basic and Basic Alternative
- HealthChoice HDHP
- TRICARE Supplement Plan

Refer to Comparison of Network Benefits for Health Plans on Pages 18-29 for benefit information.

- Includes standard plan provisions only. For all plan benefits and limitations, contact each plan. Refer to Contact Information at the end of this guide.
- There are no preexisting condition exclusions or limitations applied to any of the health plans.
- All health plans coordinate benefits with other group insurance plans you have in force.
- If you select an HMO:
 - **You must live or work within an HMO's ZIP code service area to be eligible.** Post Office Box addresses cannot be used to determine your HMO eligibility. Refer to **Pages 15-18** for the HMO ZIP Code Lists.
 - You must use the provider network designated by that plan for Oklahoma.

Electing a TRICARE Supplement Plan (military only)

Note: If you do not currently have TRICARE coverage as a current or former military member, you are not eligible for the TRICARE Supplement Plan. If you currently have TRICARE coverage and are younger than 65, you can choose to enroll in the TRICARE Supplement

Plan. Electing the TRICARE Supplement Plan means TRICARE will be your primary medical coverage and the supplement plan will be secondary. The plan covers the cost shares and copays, including prescription drugs, a portion of the TRICARE deductible and excess charges up to the legal limit. By your election, you submit to the eligibility rules of TRICARE and the TRICARE Supplement Plan. These rules may be different from the rules of eligibility created by the State of Oklahoma. Medicare may become the primary insurer upon attaining eligibility for Medicare. For more information on the TRICARE Supplement Plan, visit oklahoma.gov/egid/health-dental-vision/health-insurance/tricare-supplement.

Note: Residents of WA, CO, UT, AK, NH, OR, ME and PR are not eligible to participate in the TRICARE Supplement Plan.

DENTAL PLANS

There are several dental plans available:

- BCBSOK – BlueCare Dental High Plan
- BCBSOK – BlueCare Dental Low Plan
- Cigna Prepaid
- Delta Dental PPO
- Delta Dental PPO – Choice
- HealthChoice Dental
- MetLife High Classic MAC
- MetLife Low Classic MAC
- Sun Life Preferred Active PPO

Refer to Comparison of Benefits for Dental Plans on Pages 30-37 for benefit information.

- You must select a primary care dentist for yourself and each covered dependent when enrolling in a prepaid dental plan.
- Some plans may not be available in all areas.

VISION PLANS

There are several vision plans available:

- Primary Vision Care Services
- Superior Vision
- Unity Vision (formerly VCD of OK)
- VSP

Refer to Comparison of Benefits for Vision Plans on Pages 38-42 for benefit information.

- Verify your vision provider participates in a vision plan's network by contacting the plan, visiting the plan's website or calling your provider.
- All vision plans have limited coverage for services provided by non-network providers.

If your provider leaves your health, dental or vision plan, you cannot change plans until the next annual Open Enrollment. However, you can change providers within your plan's network as needed.

HEALTHCHOICE REMINDERS

HEALTHCHOICE HEALTH PLANS

Tobacco-Free Attestation for HealthChoice High or Basic

You must complete the HealthChoice Tobacco-Free Attestation for Plan Year 2027 if:

- You are enrolled in the HealthChoice High or Basic plan and wish to stay enrolled in that plan.
- You are currently enrolled in the HealthChoice HDHP plan and wish to enroll in the High or Basic plan for the next year.

The online Tobacco-Free Attestation for Plan Year 2027 at <https://gateway.sib.ok.gov/Attestation/> is open Sept. 1 through Nov. 14, 2026.. HealthChoice members who are tobacco free can update their Tobacco-Free Attestation online in just a few minutes.

The attestation is waived for members who are new to a HealthChoice plan for the first year of enrollment in the High or Basic plan, but it is required each year thereafter to remain enrolled. If you are in the process of quitting tobacco, you must be tobacco free for 90 days prior to the deadline to attest to being tobacco free.

If you cannot sign the Tobacco-Free Attestation because either you or a covered dependent uses tobacco, you can still qualify for the High or Basic plan if those who use tobacco provide a letter from your doctor indicating it is not medically advisable for you or your covered dependents to quit tobacco, by **Dec. 31, 2026**.

If you do not complete the Tobacco-Free Attestation or reasonable alternative, and you are not in the first-year grace period, you will automatically be moved to the corresponding alternative plans effective Jan. 1, and your annual deductible will be higher. You also have the option of enrolling in the HDHP plan, which does not require the Tobacco-Free Attestation. Refer to the Comparison of Network Benefits for Health Plans.

Health savings account information for HealthChoice HDHP

Plan Year 2027 HSA contribution limits and catch-up amounts

Employee only: \$4,500; catch-up (age 55 or older): + \$1,000

Family: \$9,000; catch-up (age 55 or older): + \$1,000

An HSA for HealthChoice HDHP members lets you save money for HSA-eligible expenses and take greater control of your own health care costs. With an HSA, you can have pretax HSA contributions withheld from your paycheck.

HealthChoice contracts with American Fidelity Health Services Administration to waive fees and make establishing and keeping an HSA easier and more convenient. For more information about HSAs, contact American Fidelity at the number listed in Contact Information at the end of this guide.

There is no requirement to use American Fidelity. Members may choose any HSA

administrator; however, to have pretax contributions withheld from your paycheck, you must contact your benefits partner for more information.

If you choose American Fidelity for your HSA, you must complete the American Fidelity Health Savings Account Form and return it directly to American Fidelity. For additional information, visit afhsa.com.

Note: You cannot contribute to both an HSA and a Section 125 flexible spending account at the same time. Some exceptions may apply for dependent care FSAs.

Triple tax savings advantage

When coupled with your Section 125 plan, the HSA allows you a triple tax advantage:

- Pretax contributions.
- Tax-free interest accumulation.
- Tax-free distributions for qualified medical expenses.

HSA card

Use your HSA card to pay for eligible expenses instead of paying out of pocket.

- Direct access to funds.
- Eliminates distribution wait time.
- Accepted at doctor's offices, retailers and pharmacies.

Online account access

Distributions can be requested online either before or after an expense has been incurred. Distributions can be received via check by mail or by direct deposit.

HEALTHCHOICE LIFE INSURANCE PLAN

- As a new employee, you can elect life insurance coverage within 30 days of your employment or initial eligibility date. You can enroll in Guaranteed Issue, in addition to Basic Life, without a life insurance application. Guaranteed Issue is two times your annual salary rounded up to the nearest \$20,000. All requests for supplemental coverage above Guaranteed Issue require you to submit a life insurance application for approval.
- As a current employee, if you did not enroll in life coverage when first eligible, you can submit a life insurance application for approval to enroll:
 - During the annual Open Enrollment (enroll in or increase life coverage).
 - Within 30 days of a midyear qualifying event, such as birth of a child or marriage.
- The window to complete and submit a life insurance application during Open Enrollment is Sept. 21-Oct. 31, 2026. Contact your benefits partner for a life insurance application. Completed applications must be emailed directly to EGID at EGIDMail@ohca.ok.gov.

As a current employee, you can also enroll in life insurance coverage within 30 days of the loss of other group life coverage. You are eligible to enroll in the amount of coverage you lost rounded up to the next \$20,000 unit without submitting a life insurance application. Proof of the loss of the other coverage is required.

Basic Life insurance: For you

- Basic Life pays a benefit of \$20,000 to your beneficiary in the event of your death.
- Basic Life includes Accidental Death and Dismemberment benefits, which pays an additional \$20,000 to your beneficiary if your death is due to an accident. It also pays benefits if you lose your sight or a limb due to an accident.

Supplemental Life insurance: For you

- You can enroll in Supplemental Life in units of \$20,000. The maximum amount of Supplemental Life coverage available is \$500,000, for a total of \$520,000 in life insurance coverage. You must complete and submit a life insurance application, which must be approved before coverage begins.
- The first \$20,000 of Supplemental Life provides an additional \$20,000 of AD&D benefits.

Beneficiary designation

For Basic Life and Supplemental Life benefits, you must name your beneficiaries when you enroll. You can change your designation at any time. Life insurance benefits are paid according to the information on file. For a Beneficiary Designation Form or more information, contact your benefits partner. This form is also available at HealthChoiceOK.com under Frequently Used Forms.

Dependent Life insurance: For your eligible dependents

- If you are enrolled in Basic Life, you can elect Dependent Life for your spouse and other eligible dependents during your initial enrollment, the annual Open Enrollment, or within 30 days of the loss of other group life insurance or other midyear qualifying event without a life insurance application. There is no beneficiary designation for Dependent Life. Any Dependent Life proceeds are paid directly to the member.
- Each eligible dependent must be enrolled in Dependent Life. Regardless of the number of dependents covered, the monthly premium is a flat amount. Benefits are paid only to the member. Below are the three levels of coverage:

DEPENDENT	LOW OPTION	STANDARD OPTION	PREMIER OPTION
Spouse	\$ 6,000 of coverage	\$ 10,000 of coverage	\$ 20,000 of coverage
Per covered child up to age 26	\$ 3,000 of coverage	\$ 5,000 of coverage	\$ 10,000 of coverage

Dependent Life does not include AD&D benefits.

HEALTHCHOICE DISABILITY PLAN (limited city and county participation)

The HealthChoice Disability Plan provides partial replacement income if you are unable to work due to illness or injury. Disability coverage is not available to dependents.

Eligibility

Enrollment in the disability plan is effective the first day of the month following your employment date or the date you become eligible with your employer. You become eligible for disability benefits once you have been actively at work for 31 consecutive days after the effective date of coverage. During that time, you must continuously perform all material duties of your regular occupation. Any claim for disability benefits must be filed within 60 days of the date you become disabled or as soon as reasonably possible. Contact your benefits partner for more information.

For further details, refer to the HealthChoice Disability Handbook.

ENROLLMENT PERIODS

Open Enrollment: Coverage effective Jan. 1, 2027

This is when eligible employees can:

- Enroll in coverage.
- Change plans or drop coverage.
- Increase or decrease life coverage.
- Add or drop eligible dependents from coverage.

You can enroll in health, dental, life and/or vision coverage for yourself and/or your dependents during the annual Open Enrollment as long as you have not dropped that coverage within the past 12 months. If you have dropped coverage within the past 12 months without a midyear qualifying event, you cannot reinstate that coverage for at least 12 months.

Initial enrollment: Coverage effective the first of the month following your employment date or the date set by your employer

This is when new employees are eligible to:

- Enroll in coverage.
- Enroll eligible dependents.
- Submit a life insurance application for review and approval for life insurance coverage above Guaranteed Issue.

As a new employee, you have 30 days from your employment or eligibility date to enroll in coverage. Check with your benefits partner for more information.

You have 30 days following your eligibility date to make changes to your original enrollment.

HIPAA special enrollment rights: Coverage generally effective the first of the month following a qualifying event

If you are declining enrollment for yourself or your dependents (including your spouse) because of other qualified health insurance or health plan coverage, you may be able to enroll

yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 30 days after the other coverage for you or your dependents ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent because of marriage, birth, adoption or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days of the marriage, birth, adoption or placement for adoption. To request special enrollment or obtain more information, contact your benefits partner.

Midyear changes: Coverage generally effective the first of the month following a qualifying event

Midyear plan changes are allowed only when a qualifying event occurs, such as birth, marriage or loss of other coverage. You must complete the appropriate form within 30 days of the event. Contact your benefits partner for more information.

ENROLLMENT

Benefit allowance

Your benefit allowance helps cover your costs

The state provides a benefit allowance to help you pay for insurance premiums that would otherwise come out of your own pocket. Refer to the benefit allowances at the top of the plan rate charts at the beginning of this guide. **The amount of your allowance is determined based on the dependents you choose to include in health coverage.**

Online enrollment – Welcome to Workday@OK

Enroll online!

Online enrollment opens Oct. 1 and closes Oct. 31, 2026.

Assistance is available by contacting your agency benefits partner. To contact OMES Central Benefits Partners, submit a [ServiceNow request to HCM Benefits](#).

Log in to Workday@OK, check your inbox and begin online enrollment to make your 2027 benefit elections. The average enrollment takes just a few minutes, and you can enroll anytime during Open Enrollment.

Online enrollment allows you to:

- View/print your Benefits Statement to instantly see your elections.
- Change your elections and make corrections as many times as you like until the close of Open Enrollment. **Your final election is the official enrollment.**
- Select Review and Sign. Review your elections, accept the electronic signature statement; select Submit, then View/Print your Benefits Statement to ensure and verify your elections. **Verify that you have selected the correct tax withholding option,**

either before-tax or after-tax. All tax withholding elections must be consistent. Unless you are opting out of the Basic Plan, (health, dental, life insurance and disability), you must enroll in Basic 20,000 Life Insurance and Disability.

Changes to benefit elections

Benefit elections made during Open Enrollment are generally irrevocable. Changes can be made to Open Enrollment elections only if the change is authorized and consistent with IRS regulations. If you experience an event that you believe qualifies you to change your benefit elections, log into Workday@OK, go to your Benefits app and select Benefits, then choose the appropriate midyear qualifying event from the Change Reason drop-down box. This event will then be sent to your benefits partner for approval. If you have any questions, contact your benefits partner.

Midyear changes

Life events that qualify you to change your benefit elections midyear include:

- Marriage.
- Birth.
- Adoption or placement of an adopted child.
- Loss of other coverage.
- Change in marital status.
- Change in the number of dependents.
- Change in employment status of employee, spouse or dependent that affects eligibility.
- Event causing employee's dependent to satisfy or cease to satisfy eligibility requirements.
- Change in place of residence of employee, spouse or dependent (HMO coverage).
- Commencement of or termination of adoption proceedings.
- Judgments, decrees or orders.
- Medicare or Medicaid (for dependents only).
- Significant cost increases (limited to DCA using unrelated care provider).
- Changes in coverage of spouse or dependent under other employer's plan (except HCA).
- Family and Medical Leave Act leave.
- Other events which may permit such modification of election under the IRS consistency rule as found in Treasury Regulations 1.125-4 and in accordance with other applicable and prevailing IRS Code regulations promulgated under and in accordance with other applicable rules and regulations.

ELIGIBILITY

Members

- You must be a current state employee regularly scheduled to work at least 1,000 hours a year and not classified as temporary or seasonal.
- Any current state employee regularly scheduled to work 30 hours per week shall be eligible for and offered insurance coverage under the provisions of the Patient Protection and Affordable Care Act (ACA).

Dependents

- If one eligible dependent is covered, all eligible dependents must be covered. Exceptions apply (refer to Excluding dependents from coverage in this section).
- Eligible dependents include:
 - Your legal spouse (including common-law).
 - Your daughter, son, stepdaughter, stepson, eligible foster child, adopted child or child legally placed with you for adoption up to age 26, whether married or unmarried.
 - A dependent, regardless of age, who is incapable of self-support due to a disability that was diagnosed prior to age 26. Subject to medical review and approval.
 - Other unmarried dependent children up to age 26, upon completion and approval of an Application for Coverage for Other Dependent Children. Guardianship papers or a tax return showing dependency can be provided in lieu of the application OAC 317:150-3-17).
- If your spouse is enrolled separately in one of the plans offered through EGID, your dependents can be covered under either parent's health, dental and/or vision plan, but not both. However, both parents can cover dependents under Dependent Life.
- Dependents who are not enrolled within 30 days of your eligibility date cannot be enrolled until the next annual Open Enrollment, unless a qualifying event such as birth, marriage or loss of other coverage occurs. Dependent coverage can be dropped midyear with a qualifying event.
- Dependents can be enrolled only in the same types of coverage and in the same plans you elect for yourself.
- To enroll your newborn, the appropriate form must be provided to your benefits partner within 30 days of the birth. This coverage is effective the first of the birth month. If you do not enroll your newborn during this 30-day period, you cannot do so until the next annual Open Enrollment. Direct notification to a plan will not enroll your newborn or any other dependents. The newborn's Social Security number is not required at the time of initial enrollment but must be provided once it is received from the Social Security Administration. Insurance premiums for the month the child was born must be paid.
- Without newborn enrollment:
 - HealthChoice: A newborn has limited coverage without an additional premium only for the first 48 hours following a vaginal birth or the first 96 hours following a cesarean section birth. Under the HealthChoice plans, a separate deductible and coinsurance apply.

- HMOs (CommunityCare and GlobalHealth): Newborn coverage without an additional premium is provided for the first 48 hours following a vaginal birth or the first 96 hours following a cesarean section birth. Coverage without an additional premium may extend for up to the first 31 days of life. Refer to each HMO plan handbook for specific coverage details and limitations.
- Newly hired employees and current employees with newly acquired dependents are required to provide documentation to verify dependent eligibility. Following is the acceptable documentation for dependent verification:

Spouse

Copy of your marriage certificate.

Common-law spouse

Copy of a completed **Common-Law Spouse Affidavit**.

Children up to age 26 and disabled children

Birth certificate, hospital birth record or adoption certificate naming you or your spouse as the child's parent or a copy of the court order naming you or your spouse as the child's legal guardian.

- If you have any questions regarding verifying eligibility, please contact your benefits partner.

Opt-out details

With the approval of House Bill 1187 in May 2025 (which revised HB 1107), state employees and elected officials were given the right to opt out of state benefits. Specifically:

Any active employee eligible to participate or who is a participant may opt out of the state's basic plan as outlined in 74 O.S. §§ 1370 and 1371, or may opt out of the health and dental basic plan options only, and retain the life and disability plan benefits, provided that the participant is currently covered by a separate health insurance plan or will be covered by a separate health insurance plan at or before the beginning of the next plan year.

If you choose to opt out:

- You complete the **Opt-Out Acceptance Form** and upload into Workday@OK during Open Enrollment.
- Upload proof of insurance coverage into Workday@OK during Open Enrollment.

If you choose not to participate in the state's benefit plan, be sure that the coverage you select for the 2027 plan year will meet your and your family's needs for the entire plan year.

As the law states, you may opt out of the basic plan (health, dental, Basic Life and disability insurance), or you may opt out of health and dental benefits only if you are currently covered by a separate health insurance plan or will be covered by Jan. 1, 2027. In addition, you must provide proof of that health insurance plan participation and complete the Employee Opt-Out Acceptance form before your opt-out will be approved.

State employees who have federal TRICARE insurance benefits and choose to enroll in the TRICARE Supplement Plan will opt out of health, dental, life and disability. They can elect to

participate in vision and flexible spending accounts.

The basic plan described in the law consists of the following: health, dental, Basic Life and disability insurance. If you opt out of the basic plan, you are no longer eligible for any of those coverages through the state. Because Basic Life insurance is a prerequisite for the optional Supplemental Life and Dependent Life, those are eliminated as well. However, if you opt out of health and dental only, you may retain both life and disability insurance. State employees who opt out can still take advantage of vision insurance offered by the state, as well as a flexible spending account. Employees must opt out each year because the election does not roll over.

If you are considering opting out of the basic plan, please understand you are forfeiting the normal benefit allowance provided by your agency. In lieu of that benefit allowance, you will get \$150 per month from your agency, which can be used to pay for vision coverage, FSA contributions, added to your net pay as taxable income, or any combination thereof. If you are considering opting out of health and dental only, the \$150 per month can be used to purchase additional life insurance or vision insurance, FSA contributions and/or added to your net pay as taxable income.

Note: You must renew your opt-out each year – it will not rollover.

Excluding dependents from coverage

- You can exclude your spouse from health, dental and/or vision coverage while covering other dependents on these benefits. Your spouse must sign the Spouse Exclusion Certification section of your enrollment or change form. Check with your benefits partner for more information.
- You can exclude dependents who do not reside with you, are married, are not financially dependent on you for support, have other coverage, or are eligible for Indian or military health benefits.

Transfer employee

You can keep your coverage continuous when you move from one participating employer to another as long as there is no break in coverage that lasts longer than 30 days. Premiums must be paid upon reporting to work.

Retiring and changing plans

If you are retiring on or before Jan. 1, 2026, go to oklahoma.gov/egid for the appropriate Option Period materials. Select the Option Period banner, then select (according to your status as of Jan. 1) Pre-Medicare or Medicare. Your benefits partner can assist you and must also provide you the required Application for Retiree/Vested/Non-Vested/Defer Insurance. If you or your dependents will be Medicare eligible by Jan. 1, an additional form will be required to enroll in one of the Medicare Supplement plans or Medicare Advantage prescription drug plans. You can also call EGID for assistance. Refer to Contact Information at the end of this guide.

Termination of coverage

Coverage will end the last day of the month in which a termination event occurs, such as:

- Loss of employment.
- Reduction in hours.

- Loss of dependent eligibility.
- Non-payment of premiums.
- Death.

COBRA: Temporary continuation of coverage

The Consolidated Omnibus Budget Reconciliation Act allows you and/or your covered dependents to continue health, dental and/or vision insurance coverage after your employment terminates or after your dependent loses eligibility. Certain time limits apply to enrollment. Contact your benefits partner immediately upon termination of your employment, or when changes to your family status occur, to find out more about your COBRA rights. **Be aware, dropping dependent coverage during Open Enrollment is not a COBRA qualifying event.**

STATE SHARED LEAVE PROGRAM

The state leave sharing program permits state employees to donate annual or sick leave to fellow state employees who have exhausted or will exhaust all types of leave by submitting the **Request to Donate Shared Leave Form (HCM-33B)** to their Agency HR for verification and approval.

If an employee is in need of shared leave, they may submit the **Request to Receive Shared Leave/Bank Leave Form (HCM-33A)** to their agency HR for verification and approval. The agency seeks to secure leave from within. If none is found, the request moves to the state shared leave liaison who will coordinate with agency HR to disseminate shared leave from the Leave of Last Resort Bank. The requesting employee and the employing agency must also continue to advocate for leave for the requesting employee.

The Leave of Last Resort Bank was created for qualifying employees who are unable to obtain the necessary number of donated leave hours from his or her employing entity and other state entities. The Leave of Last Resort Bank is administered by the Human Capital Management Division of the Office of Management and Enterprise Services and funded by voluntary donations of annual and sick leave from employees retiring or leaving state service. The donor may donate any of their excess leave to the Leave of Last Resort Bank. Employees retiring or leaving state service may submit the **Separation from State Service Donation to Leave Bank Form (HCM-33C)** to their agency HR for further submission to the state shared leave liaison.

For any additional qualifying requirements or questions regarding the state leave sharing program, email sharedleave@agency.ok.gov.

Thrive: Oklahoma Employee WELLNESS

Thrive is the state employee wellness program that has been in existence since 2005. Our mission is to empower State of Oklahoma employees to improve and enhance their overall well-being. Our program revolves around eight components of wellness—physical, emotional, environmental, financial, intellectual, occupational, social and spiritual—by providing programs

that include a variety of education, activities and challenges for state employees and their families. It's our journey and our promise to help the State of Oklahoma workforce cultivate excellence and in short, Thrive.

Our approach is to provide programs that motivate and challenge employees to desire to live happy and fulfilled lives by achieving total well-being.

Thrive's website and social media house all this information. We invite employees and their families to visit our website at oklahoma.gov/thrive where you can link to our social media accounts and sign up for our monthly newsletter and program updates.

Bold text indicates significant plan changes. This is only a sample summary of each plan's network services. For all plan benefits/limitations, contact each plan. Refer to Contact Information at the end of this guide.

Note: Only FDA-approved drugs and drugs with FDA Emergency Use Authorizations are covered. Experimental treatments and unapproved drugs and drugs not approved or not authorized for emergency use by the FDA are not covered under this plan.

HealthChoice Preventive Medication List – These medications are not subject to pharmacy deductible on the High, High Alternative, Basic or Basic Alternative plans, or the combined medical/pharmacy deductible on the HDHP.

All plan provisions apply. Some medications are subject to prior authorization and/or quantity limits. If you choose a brand-name medication when a generic is available, you are responsible for the difference in the cost in addition to the copay.

HealthChoice covers **up to a 168-day supply** of tobacco cessation medications at 100% when filled at a network pharmacy. Visit the [HealthChoice Be Tobacco Free page](#) for details.

CDC-recommended vaccinations, such as for shingles, are covered at 100% when using a network pharmacy. **Note:** These can also be covered under the health benefit if provided by a recognized network health provider, such as a physician or health department.

Amounts paid by copay assistance programs, manufacturer copay cards or other third parties do not apply toward deductibles or out-of-pocket maximums.

VISION PLAN NOTES

PVCS: The only Oklahoma-owned and -operated vision care plan with unlimited network services. Member must select either network or non-network for entire year. Network services are unlimited. Non-network services (one eye exam, one set of eyeglasses or contacts) are limited to once annually. A \$50 copay applies to soft contact lens fittings; a \$75 copay applies to rigid or gas permeable contact lens fittings or refittings; and a \$150 copay applies to hybrid contact lens fittings or refittings. Simple replacements are not assessed with these fees. Limitations/exclusions include the following: 1) Medical eye care, 2) vision therapy, 3) non-routine vision services and tests, 4) luxury frames, 5) premium prescription lenses, and 6) nonprescription eyewear. For more information and details, call 888-357-6912 or visit our website at pvc-usa.com/okstate.

Superior: Vision Plan information/detail is available at superiorvision.com/stateofoklahoma. Materials copay applies to lenses and/or frames. Discounts for lens add-ons will be given by contracted providers with DP in their listing. Exams, lenses and frames are provided once per calendar year. Progressive lenses (no-line bifocals) – you pay the difference between the retail price of the selected progressive lens and the retail price of the lined trifocal. The difference may also be subject to a discount with provider offices that accept our discount plans. Standard contact lens fitting applies to an existing contact lens user who wears disposable, daily wear or extended wear lenses only. The specialty contact lens fitting applies to new contact lens wearers and/or members who wear toric, gas permeable or multifocal lenses.

Unity Vision (formerly VCD of OK): Unity Vision is Oklahoma-owned and operated, delivering quality eye care from Oklahoma physicians with real value and choice built in. At a Unity Vision Premium Network provider, members receive a comprehensive eye exam and lenses — with free upgrades to no-line progressive lenses, premium anti-reflective coating, scratch resistance, UV protection — for as little as \$30 in total copays. Unlike traditional plans that charge extra for these upgrades, Unity Vision includes them at no additional cost. The plan includes a \$150 Frame Allowance, a \$150 Contact Lens Allowance (in lieu of frames and lenses), and a \$750 Medically Necessary Contact Lens Allowance — one of the strongest contact lens benefits available. Your contact lens allowance can be applied toward fitting fees, the contacts themselves, or both, so you can use your benefit the way that makes the most financial sense for you. As a locally based company, Unity Vision reinvests in excellent customer support while helping strengthen Oklahoma communities. Learn more and find a provider at okstate.vision.

VSP: Exam, lenses and frame benefit provided annually. The \$25 materials copay applies to lenses or frames but not to both. Copays/prices listed are for standard lens options. Premium lens options will vary. If choosing a frame valued at more than the allowance, you save 20% on out-of-pocket costs when using a VSP doctor. You receive an extra \$50 toward frame allowance when selecting a Marchon or Altair frame brand. Contact lenses are in lieu of spectacle lenses and frame. The \$120 network allowance applies to the contact lenses. With a VSP provider, the contact lens exam (fitting and evaluation) is covered in full after a copay up to \$60. The \$105 non-network allowance applies to the contacts and contact lens exam. Contact lens exam is performed in addition to your routine eye exam to check for eye health risks associated with improper wearing or fitting of contacts. Prescription glasses – you receive an extra 20% off additional complete pairs of glasses, sunglasses or lens options at any VSP provider within last 12 months from your exam. Contact VSP or visit stateofok.vspforme.com to learn more. VSP members can now use and integrate their benefits online via eyeconic.com. You can virtually try on each pair in the extensive catalog of glasses and sunglasses. You can order glasses and contacts while using your VSP benefit. In addition to your VSP vision insurance, any additional savings will automatically be applied at the time of purchase. Frames can be sent directly to your door, or your provider's office for a final fitting, adjustment, and confirmation that you are completely satisfied.

FLEXIBLE SPENDING ACCOUNTS

The health care flexible spending account and dependent care flexible spending account allow you to set aside money from your paycheck, pretax, to pay for after-insurance, qualified medical expenses, deductibles, copays, qualified over-the-counter items (check your pharmacy's website for qualified over-the-counter items and planned dependent care charges).

Important notes on FSA accounts for Plan Year 2027

- You must enroll every year.
- Indicate your per-pay-period contribution when you enroll.
- FSA grace period is two and a half months. Any participant can receive reimbursement for qualified expenses incurred during Plan Year 2027 and during the grace period (Jan. 1, 2028-March 15, 2028).
- FSA use-it-or-lose-it rule is in effect for Plan Year 2027. You must incur services no later than March 15, 2028. Any money remaining will be forfeited, unless claimed with a manual form no later than March 31, 2028. It is important to forecast your expected expenses when enrolling in an FSA.
- You cannot enroll in an FSA if you enroll in the HealthChoice HDHP.
- You may be restricted from contributing to the health savings account if you have funds remaining in your FSA on Jan. 1, 2027.
- You can continue to participate in the dependent care FSA if you elect the HealthChoice HDHP.
- Distributions from a health care FSA must be paid only to reimburse you for qualified medical expenses you incurred during the period of coverage.

When calculating your FSA contribution for the upcoming plan year, it is important to plan conservatively. Calculate based on your plan year estimated expenses, such as prescription costs, copays, dependent care costs and other qualifying expenses. The grace period may help reduce your risk of losing unused funds in your FSA account.

If you terminate employment with the state, any daycare or healthcare services must be incurred prior to the last day of your termination month. Once an employee's coverage terminates, they have 90 days from the coverage end date to be reimbursed for expenses that occurred prior to their coverage end date. If you are not on active payroll (some type of leave), it is your responsibility to mail in your pledged contribution.

Health care flexible spending account

At the time of publication of this benefit enrollment guide, the IRS has not announced the maximum contribution for the health care FSA. Employees may raise their withholdings by contacting their benefits partner by Dec. 15, 2026. You can realize significant tax savings on qualified, unreimbursed expenses by paying for the services and items pretax. Some qualifying expenses include:

- Doctor visits, deductibles and copays.
- Dental care, including orthodontic expenses.

- Prescription drugs.
- Physical therapy.
- Vision care, laser eye surgery, eyeglasses and lenses.

HCFSA pretax withdrawal limits for 2027

- Monthly minimum: \$10.
- Biweekly minimum: \$5.
- Monthly maximum: To be determined. IRS has not announced maximum contribution at the time of publication
- Biweekly maximum: To be determined. IRS has not announced maximum contribution at the time of publication
- Dependent care flexible spending account

By enrolling in the dependent care FSA, you can set aside up to \$7,500 (combined total per household) for your qualified day care-related expenses. By contributing to the dependent care FSA, you can use pretax dollars to pay for day care for:

- Your qualifying child who is your dependent and who was under age 13 when the care was provided.
- Your spouse who wasn't physically or mentally able to care for themselves and lived with you for more than half the year.
- A person who wasn't physically or mentally able to care for themselves lived with you for more than half the year, and either:
 - Was your dependent.
 - Would have been your dependent, except that:
- They received gross income of \$4,050 or more.
- They filed a joint tax return.
- You, or your spouse if filing jointly, could be claimed as a dependent on someone else's previous year's tax return.

DCFSA pretax withdrawal limits

- Monthly minimum: \$50.
- Biweekly minimum: \$25.
- Monthly maximum: \$625
- Biweekly maximum: \$312.50.
- Below is an example of how an average person, contributing just \$100 per month, can increase their take-home pay by using an FSA:

	Without FSA	With FSA
Annual salary	\$35,000	\$35,000
FSA deposit (annual)	\$0	\$1,200
Taxable income	\$35,000	\$33,800
Estimated taxes (30%)	-\$10,500	-\$10,140
Health care expenses	-\$1,200	\$0
Take-home pay	\$23,300	\$23,660
Annual increase in take-home pay		\$ 360

Run-Out Period

The run-out period means the 90-day period following a plan year in which claims can be made for reimbursable expenses incurred during the plan year. You cannot pay for prior year expenses from current-year account funds. All expenses use the date of service, not the date they are paid, for eligibility purposes.

Grace period

The IRS allows a grace period extension for incurring approved expenses that are reimbursable from your FSA. You have until March 15 of the following year to use funds from your current year's account.

For individual account information contact:

P&A Group

P&A Group will handle all claims for flexible spending accounts. This includes both health care FSAs and dependent care FSAs.

Customer Service hours: Monday-Friday, 7:30 a.m.-9 p.m. CST

Visit padmin.com or call 716-852-2611 or 800-688-2611.

Save on your taxes

IRS-approved election allows you to save money by not paying taxes on your eligible insurance premiums and FSA contributions. By paying eligible insurance premiums and contributions to FSAs with pretax dollars, you have more take-home pay than if you paid the same premiums with after-tax dollars. Be sure to choose the **plan name - Before tax** for these tax savings. Choose the **plan name - Post tax** if you want your out-of-pocket expense to be deducted post tax.

If you have questions, be sure to ask your benefits partner.

ADDITIONAL BENEFITS

Voluntary Payroll Deduction

The Voluntary Payroll Deduction program is a benefit offered to state and some educational employees so they may request payroll deductions from their paychecks to automatically be paid.

Deductions include but are not limited to employee association dues, educational employee organizations, employee association foundation contributions, payments to credit unions, banks or savings associations, payments to supplemental insurance and retirement plans, payments to a college savings account, and subscriptions to Oklahoma Today magazine.

To learn more about voluntary payroll deduction and the participating vendors, go to oklahoma.gov/omes/services/employee-benefits/voluntary-payroll-deduction.

988 Mental Health LifeLine

988 is a direct, three-digit lifeline that connects you with trained behavioral health professionals that can get all Oklahomans the help they need.

It all starts when you call 988. You'll be connected to a mental health professional to talk you through what's going on and get the resources you need for either yourself or your loved one. About 90% of the time, things can get sorted out with just a phone call. But if you need more help, we are here for you. For further information please go to 988 Mental Health LifeLine website at 988oklahoma.com.

Other benefits employees may be eligible to receive, include:

- Retirement plans.
- Leave benefits.
- Longevity.
- Paid holidays.
- Unemployment and workers' compensation.
- Employee Assistance Program.

CONSUMER INFORMATION AND ANNUAL NOTICES

OMES Human Capital Management and EGID comply with the Health Insurance Portability and Accountability Act of 1996 known as HIPAA. OMES HCM and EGID and each HMO, dental and vision plan offered to state employees have a privacy notice that describes the organization's protections and acceptable uses of information.

To obtain a privacy notice from a particular plan, contact the plan directly or contact OMES HCM. HIPAA also provides you and your dependents certain rights to enroll if you lose your group health plan coverage. HIPAA also prohibits a group health plan from keeping you (or your dependents) out of the plan based on anything related to your health. Finally, HIPAA gives you the right to buy certain individual health policies (or in some states, to buy coverage through a high-risk pool) without preexisting condition exclusions.

The HealthChoice health products offered by EGID are exempt from most of the portability provisions of HIPAA including but not limited to the following: limitations on preexisting conditions, special enrollment rights, discrimination based upon a health factor, standards for mothers and newborns, mental health parity and reconstructive mastectomies. Refer to General Eligibility Information for more details.

The Mental Health Parity and Addiction Equity Act, a federal law, requires health insurance providers to include mental health and substance use disorder coverage equal to physical health coverage in terms of the financial and treatment requirements. The law removed differences in copays and removed limits on visits and treatment days. Provisions of the law went into effect in all of the state's available health plans in 2019.

The Women's Health and Cancer Rights Act of 1998, a federal law, provides benefits for mastectomy related services including reconstruction and surgery to achieve symmetry between the breasts, prostheses, and complications resulting from a mastectomy (including lymphedema). The 1998 Guidance, Questions and Answers, and Notice Requirements under WHCRA (November 1998), can be obtained by calling 866-444-3272.

The Breast Cancer Patient Protection Act, an Oklahoma state law, provides for at least 48 hours of inpatient care following a mastectomy and not fewer than 24 hours following a lymph node dissection.

The Newborns and Mothers Act of 1996, a federal law, requires the availability of a hospital stay of at least 48 hours in connection with a vaginal delivery and not less than 96 hours with a cesarean delivery.

The Mandated Benefit for OB/GYN Coverage Law requires any health benefit plan offered in the State of Oklahoma, which provides medical and surgical benefits, to also provide coverage for routine annual obstetrical/gynecological examinations. The law does not diminish already allowed health benefit diagnostics. In addition, the law also specifies that obstetrical/gynecological examinations do not have to be performed by an obstetrician, gynecologist or obstetrician/gynecologist. If you have a problem which cannot be resolved through your benefit plan's grievance process, you may have remedies with the Oklahoma State Department of Health, Oklahoma Department of Insurance, or a remedy of law.

The Prostate Cancer Protection Act, an Oklahoma state law, provides for an annual screening

for early detection of prostate cancer in men age 50 and over and in men from age 40-50 who are in high-risk categories. The Oklahoma Prostate Surgery Side Effects Law provides that all health benefit plans offered by OMES HCM and EGID shall provide coverage for side effects that are commonly associated with radical retropubic prostatectomy surgery, including but not limited to impotence and incontinence, and for other prostate-related conditions.

Once you become covered under a group health plan, you have certain rights under the Consolidated Omnibus Budget Reconciliation Act of 1985. COBRA continuation coverage can become available to you when you would otherwise lose your group health coverage. It can also become available to other members of your family who are covered under the plan when they would otherwise lose their group health coverage. For additional information about your rights and obligations under the plan and under federal law, you can contact OMES HCM or EGID.

You may also have rights under the Uniformed Services Employment and Reemployment Rights Act. USERRA protects the job rights of individuals who voluntarily or involuntarily leave employment positions to undertake military service. The law also prohibits employers from discriminating against past and present members of the uniformed services and applicants to the uniformed services. Refer to your agency for more information.
