SUBJECT: Compressed Natural Gas

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:
SECTION 1. NEW LAW  A new section of law to be codified in the Oklahoma Statutes as Section 142.1 of Title 40, unless there is created a duplication in numbering, reads as follows:

A. On the effective date of this act, all powers, duties, responsibilities, records and equipment of the Corporation Commission relating exclusively to the regulation of compressed natural gas fueling stations are hereby transferred and shall be placed under the authority of the Department of Labor.

B. On the effective date of this act, all powers, duties, responsibilities, records and equipment of the Office of Management and Enterprise Services relating exclusively to the implementation and enforcement of the Alternative Fuels Technician Certification Act are hereby transferred and shall be placed under the authority of the Department of Labor. To the extent practicable, the transfer shall include all computer hardware and software used in regulating the functions listed in this subsection.

C. The Corporation Commission, the Commissioner of Labor and the Director of the Office of Management and Enterprise Services may contract for additional legal and administrative services as necessary to effectuate the transfers as provided for in this section.

D. 1. All unexpended funds, property, furnishings, equipment, supplies, records, and outstanding financial obligations and encumbrances of the Corporation Commission relating to the regulation of natural gas fueling stations and of the Office of Management and Enterprise Services relating to the implementation and enforcement of the Alternative Fuels Technician Certification Act shall be transferred to the Department of Labor for the continuing performance of duties relating to the regulation of natural gas fueling stations and implementation and enforcement of the Alternative Fuels Technician Certification Act. No funds, property, furnishings, equipment, supplies or records may be expended or used for any purpose other than the performance of duties and responsibilities as directed and required in this act.

2. Any funds, properties, furnishings, equipment, supplies, or records related in any manner to the regulation of natural gas fueling stations and implementation and enforcement of the Alternative Fuels Technician Certification Act which may not be in the current possession of the Corporation Commission or the Office of Management and Enterprise Services on the effective date of this
act, but which come into the possession of the Corporation Commission or the Office of Management and Enterprise Services after the transfer of authority to the Department of Labor as provided in this act, shall immediately be transferred to the Department of Labor. Items subject to the immediate transfer shall include, but are not limited to, any misdirected licensing fees or payments of outstanding administrative fines.

E. The Corporation Commission and the Director of the Office of Management and Enterprise Services shall not enter into any contract or agreement relating to the regulation of natural gas fueling stations or implementation and enforcement of the Alternative Fuels Technician Certification Act extending beyond the effective date of the transfer without approval by the Commissioner of Labor.

F. All licenses, registrations, certifications and accreditations issued by the Office of Management and Enterprise Services pursuant to the Alternative Fuels Technician Certification Act that are in effect on the effective date of this act shall remain in full force and effect and shall be enforceable by the Department of Labor.

G. The Director of the Office of Management and Enterprise Services shall coordinate the transfer of funds, allotments, purchase orders and outstanding financial obligations and encumbrances relating to the regulation of natural gas fueling stations and the implementation and enforcement of the Alternative Fuels Technician Certification Act as transferred pursuant to the provisions of this act.

H. Upon the effective date of this act, all administrative rules promulgated by the Office of Management and Enterprise Services relating to the implementation and enforcement of the Alternative Fuels Technician Certification Act shall be enforceable by the Commissioner of Labor. The rules shall continue in force and effect after the effective date of this act, and the Commissioner of Labor shall have authority to amend, repeal, recodify or make additions to the rules pursuant to the Administrative Procedures Act.

SECTION 2. AMENDATORY Section 1, Chapter 95, O.S.L. 2013 (52 O.S. Supp. 2013, Section 348), is amended to read as follows:

Section 348. A. The Corporation Commission Department of Labor shall have authority to have access to and inspect any equipment,
including compression equipment and storage tanks, practices or methods used by or in association with any public access compressed natural gas fueling station or pump.

B. The Commission Department may promulgate rules as necessary to implement the provisions of this section.

SECTION 3. AMENDATORY 74 O.S. 2011, Section 130.11, is amended to read as follows:

Section 130.11 This act shall be known and may be cited as the "Alternative Fuels Technician Certification Act".

SECTION 4. AMENDATORY 74 O.S. 2011, Section 130.14, as amended by Section 825, Chapter 304, O.S.L. 2012 (74 O.S. Supp. 2013, Section 130.14), is amended to read as follows:

Section 130.14 A. There is hereby established the Committee of Alternative Fuels Technician Examiners which shall consist of eight (8) members. All members of the Committee shall be residents of this state.

B. Five voting members of the Committee shall be appointed by the Director of the Office of Management and Enterprise Services Commissioner of Labor as follows:

1. Beginning September 1, 1994, three members shall be alternative fuels technicians selected from a list of names submitted by the State Board of Career and Technology Education, with at least one member being an alternative fuels equipment technician and at least one member being an alternative fuels compression technician;

2. Has paid the certification fee and otherwise complied with the provisions of the Alternative Fuels Technician Certification Act; and

3. Has provided proof of liability insurance with limits of not less than Fifty Thousand Dollars ($50,000.00) general liability.

D. In the case of a company, partnership or corporation engaged in the business of installing, servicing, repairing, modifying or renovating equipment used in the conversion of engines to engines fueled by alternative fuels, a separate certificate shall be issued by the Office of Management and Enterprise Services Department of Labor to that individual company, partnership or corporation. This certificate is for the express purpose of recognizing that the company, partnership or corporation is an authorized alternative fuels conversion business and employs state-certified alternative fuels equipment technicians. Any violations by a certified
alternative fuels equipment technician shall be deemed a violation by the certified company, partnership or corporation employing such certified technician.

E. In the case of a company, partnership or corporation engaged in the business of installing, servicing, repairing, modifying or renovating fill stations, a separate certificate shall be issued by the Office of Management and Enterprise Services Department of Labor to that individual company, partnership or corporation. This certificate is for the express purpose of recognizing that the company, partnership or corporation is an authorized fill station installation business and employs state-certified alternative fuels compression technicians or electric vehicle technicians. Any violations by a certified alternative fuels compression technician or electric vehicle technician shall be deemed a violation by the certified company, partnership or corporation employing such certified technician.

F. In conjunction with subsection A of this section, the Office of Management and Enterprise Services Department of Labor shall issue an Alternative Fuels Equipment Installation Certification to any public entity or private company, partnership or corporation that operates commercial, private or public fleets of vehicles and employs ten (10) or more auto service technicians per location. The certification shall be based on the ability of the applicant to provide their own alternative fuels equipment technician training program which shall be certified by the Office of Management and Enterprise Services Department of Labor, Committee of Alternative Fuels Technician Examiners. This subsection shall not apply to allow certification of any alternative fuels compression technician training programs.

G. All alternative fuels equipment technician certificates, alternative fuels compression technician certificates, and electric vehicle technician certificates shall be nontransferable and it shall be unlawful for any person certified pursuant to the provisions of the Alternative Fuels Technician Certification Act to loan or allow the use of such certificate by any other person, except as specifically provided in the Alternative Fuels Technician Certification Act.

H. The standards for the storage and handling of liquefied petroleum gases adopted by the National Fire Protection Association and published in the latest edition of its Pamphlet No. 58 and the standards for the installation of compressed natural gas vehicular
fuel systems adopted by the National Fire Protection Association and published in its Pamphlet No. 52 shall be the accepted standards for this state. The accepted standards for this state for electric vehicle charge stations shall be the National Electric Code (NEC). The Office of Management and Enterprise Services Commissioner of Labor is authorized, and it shall be its his or her duty to adopt and promulgate such rules or specifications relating to safety in the manufacture, assembly, sale, installation and use of vehicular alternative fuel systems. The Office of Management and Enterprise Services Commissioner of Labor is further authorized to modify or amend such rules or specifications as he or she deems reasonable and necessary.
