

ATTACHMENT A
SOLICITATION NO. 58500000497

This Solicitation is a Contract Document and is a request for proposal in connection with the Contract awarded by the Office of Management and Enterprise Services as more particularly described below. Any defined term used herein but not defined herein shall have the meaning ascribed in the General Terms or other Contract Document.

PURPOSE

The Contract is awarded on behalf of the Oklahoma Department of Public Safety for the purchase and installation at the supplier's facility of Technisonic TDFM9300 radio system. The current radio system the Technisonic TDFM7300 radio system was installed and integrated in N370HP when the aircraft was built. It has become necessary to replace the now non-compliant system with the Technisonic TDFM9300 radio system. It will allow continuity of all functions and avoid extensive re-configuration of the aircraft and all integration systems.

1. Contract Term and Renewal Options

The initial Contract term, which begins on the effective date of the Contract, is one year with no options to renew.

2. Additional Requirements

The parties agree to the following terms in addition to obligations set forth in other Contract Documents:

- A. Supplier will be required to have a ISO9000 Quality Assurance Program in place. Provide details.
- B. Supplier must be a Technisonic approved dealer. Technisonic Project 93660 is a standardized project, one in which all Technisonic approved dealers are proficient. Provide details.
- C. Supplier will be required to have at least 2 prior installations of the Technisonic TDFM9300 in rotor wing aircraft. Include details.
