## SOLICITATION NO. 3420000053

This Solicitation is a Contract Document and is a request for proposal in connection with the Contract awarded by the Office of Management and Enterprise Services as more particularly described below. Any defined term used herein but not defined herein shall have the meaning ascribed in the General Terms or other Contract Document.

### Purpose

The Contract is awarded on behalf of the Medicolegal Board of Investigations (MBI). This RFP is to solicit proposals for a Supplier to provide Picture Archiving and Communication System (PACS) storage space in order to store vital scans and X-rays. These are needed to determine cause and manner of death; which are used in legal proceedings. Without a PACS and DICOM viewer, we cannot store or view the medical images (x-rays and CT scans) required to accomplish our agency's mission in protecting the public health and safety of Oklahomans through the scientific investigation of deaths as defined by state statutes. The goal is to award to a single supplier
