

# Learn about **Workday Learning**

**OKLAHOMA**

## **Workday Learning offers Oklahoma employees access to training and professional development opportunities.**

Workday Learning will replace the State of Oklahoma's Learn system containing professional development content.

### **In Workday, employees can:**

- ▶ Organize and track training progress directly from their Workday profile.
- ▶ Sign up for Statewide Learning Services and LinkedIn Learning courses.
- ▶ Receive auto generated training suggestions based on their interactions with the system.

### **In Workday, managers can:**

- ▶ Assign training courses to staff directly from their Workday profile.
- ▶ Mass enroll staff in training courses.

**Employees can take control of their professional development by setting personalized preferences including content relevant to their role.**
