

# WHAT IS IT? WHAT IS COMING?

## What is BrightPath?

The State of Oklahoma's effort to modernize core HR, talent management and learning functions for its workforce by implementing Workday.

## What is Workday?

Workday is a cloud-based human capital management system that will unify processes across the state using a modern and user-friendly platform.

## What will happen when the workforce adopts Workday?

Upon system go-live, employees will be able to log hours worked, request time off, update personal information and more, all in one place!

Visit [brightpath.ok.gov](http://brightpath.ok.gov) to learn more about the Workday implementation.
