Strategic Sourcing Contracts

Develops, solicits, awards and manages all agency solicitations and over 500 statewide contracts for use by government entities; works as conduit between agencies and suppliers to ensure taxpayer dollars are maximized.

State Use Program

Contracts with multiple suppliers who employ persons with disabilities, allowing them to earn paychecks and be more independent while providing quality and necessary products/services for state agencies.

Agency Acquisitions

Assists state agencies with facilitating sole sources and other purchases that are statutorily exempt from competitive bidding when the acquisition exceeds the agency's approved and established purchasing threshold.

Procurement Compliance

Oversees Open Records Requests; reviews documents/data to fulfill statutory requirements; reviews and approves internal purchasing procedures as required by statute; maintains the integrity of resources used by Central Purchasing.

Procurement Systems Support

Provides technical support for procurement modules in PeopleSoft, the state's ERP system; involved in all PS projects to ensure purchasing functionality is aligned with Central Purchasing standards and statewide needs.

State Purchase Card Program

Administers state's commercial credit card program to facilitate payment for goods and services; establishes P-card purchasing procedures; and provides training and technical support for the issuing bank's transaction system.

Supplier Registration

Maintains a record of data for every supplier who is paid by the state; verifies and validates tax and banking information; maintains integrity and consistency in the supplier file.

Vendor Management

Fosters supplier relationships on SW1025 and SW1050 contracts; serves as primary contact for all IT Staff Augmentation and Deliverable Based IT Services issues; and resolves supplier performance issues.
