WELCOME TO THE OFFICE OF MANAGEMENT AND ENTERPRISE SERVICES

The Office of Management and Enterprise Services Employment Guide describes important information about the agency. The information contained within this version of the employment guide supersedes all other previous versions of the employment guide. The information provided within the guide is subject to change at the sole discretion of OMES at any time.

This guide is supplemental to OMES policies. OMES policies are posted on oklahoma.gov/omes or by following the link below. Policies and procedures are extremely important to guide and support OMES employees to achieve excellence in customer service while cultivating and preserving a culture of diversity and inclusion.

OMES employees are expected to conduct themselves in accordance with OMES strategic goals, mission and values, compliance with federal and state laws, rules and regulations, and all agency policies.

[OMES employee policies, forms and information](#)

Questions regarding the employment guide should be directed to the Human Resources department.

BENEFIT PROGRAMS

Your paycheck is just part of your total compensation package. OMES employees also have access to a number of outstanding benefits including health, dental, vision, disability and life insurance. Optional benefits include premium conversion, supplemental life, dependent life, Flexible Spending accounts and Health Savings accounts. State employees receive a generous benefit allowance based on the dependents that are covered on health insurance.

The current benefits guide is available at oklahoma.gov/omes.

Beneficiary changes

It is recommended individuals review beneficiary information on a regular basis, especially those individuals who have experienced a significant life change due to marriage, divorce, birth/adoption of a child, etc. Please contact the Human Resources department to update your beneficiary information. Please update your beneficiaries online for [PathFinder](#) and [SoonerSave](#) accounts.

Disability insurance

Disability insurance is part of the mandatory core benefits package and is available to all employees who have completed at least one month of continuous service. Short-term disability is provided to employees when off work more than 31 consecutive days due to a qualifying event.

If continued eligibility is met, employees may qualify for long-term disability after 180 days of disability and follows the end of short-term disability.

Disability coverage pays an amount equal to 60% of the employee’s base salary up to a maximum dollar amount. Disability benefits are subject to all applicable state and federal taxes. Any disability benefits will be offset or reduced by other benefits or payments you receive, i.e., holiday pay, sick and annual leave, shared leave, etc.

For more information, please review the [Disability Handbook](#).

Health insurance upon separation

The Consolidated Omnibus Budget Reconciliation Act of 1985 is federal legislation that provides all employees and their dependents who are enrolled in the employers health and/or dental plan, the opportunity to temporarily continue such coverage in the event of the employee’s termination (except for gross misconduct), death, divorce or separation, or when an enrolled child no longer qualifies as an eligible dependent under that program.

Employee’s current coverage remains in place through the end of the month in which they terminate. Following this, the Employees Group Insurance Division sends a COBRA package to qualified employees.

RETIREMENT BENEFIT PROGRAMS

Oklahoma Public Employees Retirement System (Hired BEFORE Nov. 1, 2015, or previous OPERS member)

For full-time and qualifying part-time employees, a retirement plan is provided for the purpose of providing lifetime benefits in recognition of service to the state. All eligible employees must participate in the plan. State employees contribute 3.5% and the agency contributes 16.5% of the employee’s salary toward retirement. The benefits under the plan are in addition to any supplemental benefits received from social security.

[OPERS](#)

[OPERS Forms](#)

Members of the retirement plan may opt to step-up their benefit computation factor from 2.0% to 2.5%. This option is known as the 2.5% Step-Up and is irrevocable and based on full years of credit.

[Download Step-Up brochure](#)

Disability retirement

Employees who must terminate employment due to health problems may qualify for disability retirement benefits. Employees who have eight years of creditable service toward retirement and an award letter from the Social Security Administration certifying them for disability benefits are eligible provided a) the date of disability established by the Social Security Administration falls within one year of the employee’s last date physically on the job, and b) the employee must have been an

active regularly scheduled employee with a participating employer at the time of disability.

[Disability-Retirement](#)

**SoonerSave Deferred Compensation Plan
(Must be an OPERS participant to be eligible)**

The Deferred Compensation Plan (known as SoonerSave or the 457 Plan) is available to qualifying employees. Under the provisions of this voluntary supplemental retirement plan, employees may defer payment of a portion of their income to a later date. The taxes normally due now on the money are deferred until retirement when most participants would be in a lower tax bracket. Employees may elect to invest the deferred income into a savings account at a guaranteed interest rate, or various mutual funds which are invested into stocks, bonds, foreign investments, money markets, or contracts. The State of Oklahoma also provides an employer contribution of \$11.54 per bi-weekly pay period through the 401(a) Savings Incentive Plan for participating employees. For more information, contact the Human Resources department.

**Pathfinder retirement
(Hired AFTER Nov. 1, 2015)**

Pathfinder is a defined contribution retirement savings program composed of a 401(a) Plan for mandatory contributions and a 457(b) Plan for additional voluntary contributions. Your mandatory 401(a) Plan contribution is **4.5%** of your annual salary, and your employer helps put you on a positive path to retirement by contributing an additional **6%**. In addition, you can receive another **1%** employer-matching contribution when you make a voluntary contribution of **2.5%** or above to the 457(b) Plan. Simply put, if an employee contributes 7%, OMES will match with a 7% contribution.

Employee Assistance Program – EAP

The Office of the Oklahoma Employee Assistance Program is a cooperative effort between employees and administration to help employees gain access to professional services in resolving personal problems. Our services are designed to assist employees and their family members with identifying and solving problems that may be negatively impacting their personal or professional lives.

There is no charge to the employee or family members for assessment and referral services received from the EAP Office. In most cases, additional counseling and treatment service charges are covered by the employee's health insurance. The decision to accept help from EAP is a decision only the employee can make. All state employees and their family members are eligible to participate.

For more information, please call 405-248-9007.

CAREER AND PERSONAL ENHANCEMENT

Education and training

OMES may arrange for employees to attend both formal and informal training programs. Employees are regularly selected to attend workshops or training programs offered by the state to enhance their abilities and performance. You will receive a normal paycheck while attending these schools or workshops. If you become aware of a particular seminar or workshop you believe is appropriate for enhancing your job performance, bring it to the attention of your supervisor.

[Learning and Development](#)

All supervisory staff members at OMES are required to attend 12 hours of training per calendar year in courses related to their effective performance. New supervisors are required to complete 24 hours of training in their first year.

[Mandatory Supervisory Training Requirements](#)

Performance Management Process

To encourage positive performance and help ensure your success in the agency, your supervisor will complete an annual evaluation of your performance. This evaluation will be completed as required by the Oklahoma Personnel Act. OMES has elected an evaluation period of July 1 through June 30 annually. At the beginning of an annual evaluation period, each supervisor will communicate the criteria upon which the employee will be evaluated. A statement of accountability includes a job task plus a performance standard. Your performance on these criteria will be tracked and at the end of the evaluation period, your progress will be reviewed and rated.

In addition, you will be evaluated on standard competencies based on your organizational level.

The performance evaluation is administered in Workday@OK.

COMPENSATION

Payday

OMES operates on a biweekly pay schedule. Paychecks are direct deposited to the checking or savings account you specify. If the regularly scheduled payday falls on a weekend or holiday, payday is on the last business day before the weekend or holiday.

Changes to your tax withholdings, direct deposits, etc., must be submitted in [Workday@OK](#) along with supporting documentation no later than 11:59 p.m. on the last day of each pay period (Saturday).

A link to the current pay schedules calendar is available on the [OMES Payroll, Time & Labor](#) webpage.

Voluntary payroll deductions

Employees may request payroll deductions from their paychecks to be automatically paid to approved vendors. The voluntary payroll deductions may include deductions for employee association dues, educational employee organizations, employee association foundation contributions, payments to credit unions, banks, or savings associations, payments to supplemental insurance and retirement plans, payments to a college savings account, and subscriptions to Oklahoma Today magazine.

[Voluntary Payroll Deduction](#)

Overtime and compensatory time

It is the policy of OMES to properly account for time worked, leave taken and work performed in excess of the 40-hour work week for non-exempt and exempt employees, complying fully with the provisions of the Fair Labor Standards Act

[Fair Labor Standards Act](#)

Repayment of overpayment errors

Every effort is made to avoid errors in your paycheck. If you believe an error has been made, notify the Payroll department immediately. The Payroll department will research the problem and ensure any necessary correction is made properly and promptly. Overpayments to an employee may be deducted from current wages according to certain terms and conditions under state law, and in accordance with state statutes.

Contact Payroll at payroll.service@omes.ok.gov.

Travel expense reimbursement

[74 O.S. § 500.16A]

Travel expenses for OMES employees who are required to travel in the course of their employment are reimbursed under the provisions of the Oklahoma Travel Reimbursement Act. The OMES Accounts Payable department can answer specific questions on this matter.

WORK SCHEDULE

Your supervisor will set your work schedule. It is important to the mission of OMES that you work your scheduled hours.

Alternative Work Schedule Program

Employees participating in the voluntary Alternative Work Schedule Program have their choice of nine schedules: two with alternating Fridays off, two with alternating Mondays off, and five with one day off every week. Employees are not permitted to work through breaks or lunch periods (a minimum time of 30 minutes must be taken for lunch). The Alternative Work Schedule Request form must be submitted to your supervisor for approval.

For employees who are on the 9-80 AWS, it is very important that you enter your hours as indicated on the schedule you are working, especially on your working AWS day and holidays, or your paycheck may be affected. Upon approval, Payroll will send directions on timesheet entry.

If the employee or supervisor desires to change or end AWS for an employee, Payroll must be notified. Payroll will provide the appropriate effective date for the AWS change. Failure to notify Payroll of such changes may cause an unintended impact on the employee's payroll or leave balances.

If you have questions, please email payroll.service@omes.ok.gov.

[Alternative Work Schedule Policy](#)

[Alternative Work Schedule Participation](#)

To view the current AWS calendar, please visit the OMES Employee Information Page under Payroll, Time and Labor.

Breaks

The FLSA does not require an employer to provide meal periods or rest breaks for their employees.

While there are no laws that require rest breaks, breaks may be established and changed at the discretion of the supervisor. Typically employees are allowed two paid 15-minute rest breaks each day. Rest breaks must be coordinated with your supervisor dependent upon work load and departmental needs. Employees may not accumulate break time to leave early, arrive late, or to extend their lunch period. Employees are not compensated for breaks not taken.

[Fair Labor Standards Act](#)

TIME AND LEAVE

Timekeeping

By law, OMES is required to keep accurate records of the actual hours worked by employees. OMES processes employee paychecks biweekly according to hours worked or leave reported (positive pay) by the employee and approved by the supervisor. It is imperative each OMES employee enters his/her time no later than 9 a.m. every Monday unless an earlier deadline is established (see Holidays below). Employees shall notify their supervisors immediately if they make changes to their timesheet after the supervisor's approval so the timesheet can be reapproved. Failure to notify the supervisor of hours needing to be reapproved may result in the employee receiving a **partial paycheck**.

Payroll may, but is not required to, notify an employee and/or their supervisor regarding missing hours before payroll processing begins. Payroll will not change or approve the timesheets of employees without the supervisor's knowledge or consent and will refer requests to do so back to the supervisor.

Employees must enter their time no later than 9 a.m. each Monday. Supervisors hold the responsibility to review and approve time weekly no later than 3 p.m. each Monday unless an earlier deadline is established (see Holidays below). Supervisors shall enter and approve hours for employees who are out of the office. Failure to do so may result in **delay of pay** to the employee.

Workday@OK.job.aid

Supervisors must delegate their time approval when they are on a planned absence.

Workday@OK.job.aid

For more information on time entry, time reporting codes and time approval, visit the [OMES Employee Information Page](#) and review the Payroll, Time & Labor section or contact payroll.service@omes.ok.gov.

Supervisors shall enter the appropriate leave for employees out on FMLA as per the instructions sent when FMLA is approved.

Holidays

- a) Holidays affect the timeframe OMES has to process the payroll.
- b) Payroll shall make every attempt to notify employees of changes to the deadlines prior to the end of the affected pay period.

Leave plans

Leave shall be accrued based upon hours worked, paid leave and holidays, but, excluding overtime, not to exceed the total possible work hours for the pay period. Years of service shall be based on cumulative periods of employment calculated in the manner that cumulative service is determined for longevity purposes pursuant to Section 840-2.18 of this title.

Temporary employees and other limited term employees are ineligible to accrue, use or be paid for sick leave and annual leave.

Employees will devote full time, attention and effort to the duties and responsibilities of their position during assigned hours of duty.

Annual leave

Annual leave is provided to employees to be used for vacations, personal business and other approved time away from work not covered by other paid leave or holiday provisions. Annual leave must be requested in advance and shall be used only when approved by the employee's supervisor.

Unused annual leave shall be accumulated for no more than the maximum leave accumulation limits specified in 260:25-15-10 or, at the discretion of the appointing authority, employees may accrue up to the accumulation limit plus the accrual of one year. OMES employees who accrue leave above the accumulation limit shall use the excess leave within 12 months of the date it accrues.

When an employee transfers to another state agency, they may be paid out up to 240/480 of annual leave depending on years of service, and transfer the remaining balance as long as the receiving agency will accept it. When they leave state service, they are only paid 240/480 hours and lose the rest.

[Annual Leave Limits and Accruals](#)

Sick leave

Sick leave means a period of time when the employee cannot work because of sickness; injury; pregnancy; medical, surgical, dental or optical examination or treatment; or where the employee's presence at work would jeopardize the health of the employee or others. [Personnel Administration Rule 260:25-15-12 (1) & 74 O.S. § 840-2.20]

Any employee absent from work which exceeds three consecutive working days shall provide their supervisor or Human Resources with a physician's statement giving the reason for the absence and releasing the employee to return to work. Without the statement, the employee will not be allowed to return to work and will be placed on leave without pay until such statement is received. For shorter absences, OMES reserves the right to require the employee to supply proof the absence is consistent with the sick leave rules outlined above. An appointing authority shall approve sick leave unless there are facts to show that an employee abused sick leave privileges or the employee failed to supply requested evidence of illness, which will be cause for disciplinary action up to and including termination.

Enforced leave

Enforced leave may be granted when it is necessary for an employee to care for an ill or injured member of the immediate family or household or in the case of death of a member of the immediate family or household, or in the event of personal disaster. Enforced leave is granted up to 80 hours per calendar year, is deducted from sick leave balance, and won't be granted in excess of the sick leave balance.

Immediate family is defined as spouse, children, parents, brothers, sisters, including step, grand, half, foster, or in-law relationships.

Holidays

[74 O.S. § 840-2.20(3)]

Holidays are granted in accordance with state law and the governor's proclamations and are observed in accordance with agency work load and policies.

For more information on these leave plans or other leave plans available to state employees, please contact the Human Resources department or review the [Personnel Administration Rules](#).

Unemployment compensation

Unemployment compensation benefits are available when employment is terminated under qualifying conditions.

<https://oklahoma.gov/oesc.html>

Leave without pay

If an employee is absent from work without proper authorization, the employee shall not receive pay for such absence. An appointing authority has the authority and responsibility to take appropriate action if fraudulent leave usage or leave abuse is detected.

Military leave

Military leave of absence and right to restoration to former position shall be granted in accordance with Section 209 of Title 44, Sections 25.4, 25.5 and 25.7 of Title 51, and Section 48 of Title 72 of the Oklahoma Statutes; the Uniformed Services Employment and Reemployment Rights Act (38 U.S.C., 4301 et seq.); and such rights and privileges as these laws provide.

Shared leave

[74 O.S. § 840-2.23]

The leave sharing program permits state employees to donate annual or sick leave to a fellow state employee who has exhausted, or will exhaust, all types of paid leave in accordance to 74 O.S. § 840-2.23.

The home addresses, home telephone numbers, Social Security numbers and information related to personal electronic communication devices of current and former employees will not be open to public inspection or disclosure without written permission from the current or former employee or without an order from a court of competent jurisdiction.
