SUBJECT: Title §74-3601.2(B) – Notification of Agency Director Salary Increase

In 2013, Pursuant to Title §74-3601.2, the Human Capital Management Division of the Office of Management and Enterprise Services engaged an independent vendor to review State of Oklahoma agency director salaries as required by House Bill 1717. The vendor reviewed salaries of all agency directors and compared those salaries with similar positions in the public and private sectors within Oklahoma and elsewhere. Last August, HCM sent letters to agency directors making them aware of their new salary range.

Pursuant to Title §74-3601.2(B) all agencies, boards, commissions, departments or programs shall report increases granted under this section to the Office of Management and Enterprise Services on an annual basis by August 1 of each year.
