OCTOBER KUDOS HIGHLIGHTS

Recipient	Division	Reason
Christo Cherian	Information Services	Christo is an absolute gem . He is consistently ready to help on any access issues I have in my role and goes above and beyond to educate so I can do my job better in the future. Christo takes his role very seriously making sure to keep our HR data secure yet accessible to those who need it for their job. I appreciate he's always willing to jump on a call and problem. I know he's very busy and has lots of customers but he always makes you feel like you are the most important one!
Chris Giroux	Information Services	Chris brings team player to a whole new level. He is always willing to assist, volunteers to help wherever possible, and is a great asset to the Service Desk team. Great job, Chris!
Kristina Kolandasamy	Information Services	I submitted a ticket for help in Workday. Within a few minutes, Kristina responded in helping get to the bottom of the matter. She was fast, efficient and very pleasant to deal with. It was a smooth, seamless process and much appreciated. Kristina even stated once HR was on board with the submitted changes, she would reach back out to me. I appreciated the customer service experience.
Jeremy Willis	Information Services	Jeremy Willis is a master of ALL things server, networking, office moves, etc. I do not know where we would be if it weren't for Jeremy providing our team with rockstar ideas to move hard things along. I am so happy to have him on our OMES team and appreciate all of his hard work! Great job Jeremy!!!!
Jimmy Scott	Capital Assets Management	We needed an immediate solution to a leak that was coming into the newly renovated area for CAM in the Denver Davison. Jimmy found the perfect vent cap to cover the leaking pipe and did a quick and professional job.
Renea Al-Batati	Information Services	I walked into a busy building, and we had a long wait, but Ms. Al-Batati was very pleasant . She kept checking on everyone, apologizing for the long wait, and kept us informed of what was going on. The time passed by so fast due to her ability to provide great customer service to everyone. I wish she would be given an opportunity to train customer service to all staff.
