

Ron Wilson Training Center Classroom Technology

OKLAHOMA
Office of Management
& Enterprise Services

LEAD

Classroom expectations

1. All liquids will need to have either a lid or a bottle cap while in the classroom.
2. All food and snacks should be cleaned up and disposed of after eating.
3. Classroom layout should be maintained. (See layout page.)
4. DO NOT disconnect classroom technology or audio or change display settings.
5. Log out of Office 365 accounts.
6. Classroom should be cleaned after every class. Wipe down tables, glass boards and name tents at end of day.

Facilitator computer access

- Username: opmtraininst
- Password: 0pmH!reM3

Note: 0=zero in password

Classroom audio

- Adjust volume from TV remote.
- DO NOT log into Zscaler application. Exit program.

Classroom televisions

Large TVs

- Stand in front of TV and press red power button on remote to power on or off.

Printer

- Printer is only connected to facilitator computer and not for student use.
- Please use printer only as needed for facilitation.
