Security Agreement

The undersigned agrees to abide by the following:

1. Data originated or stored on State computer equipment is State property. Users will access only data which are required for their job. Users will not make or permit unauthorized use of any CORE/PeopleSoft data. They will not seek personal or financial benefit or allow other to benefit personally or financially by knowledge of any data which has come to them by virtue of their work assignment.
2. Users will enter, change, and delete data only as authorized within their job responsibilities. They will not knowingly include or cause to be included in any record or report a false, inaccurate, or misleading entry, nor will they knowingly alter or expunge from any record or report, or cause to be altered or expunged, a true and proper entry.
3. Users will not release CORE/PeopleSoft data except as required in the performance of their job or as directed in writing by their Appointing Authority.
4. Users are responsible for protecting their access authorization and must take steps to prevent others from using their User ID. Users will construct good passwords and manage them securely, keeping their passwords secret and not sharing them with others. If a user has reason to believe that others have learned his/her password, the user will change the password and notify the Help Desk of the situation. Users will not attempt to use the logons and passwords of others.
5. If a user finds that they have access to data they believe they are not authorized to view, they will exit from that data and report the problem to OSF Security.
6. I am aware of the responsibilities associated with access to the CORE/PeopleSoft System and agree to abide by the OSF Information Security Policies and Procedures. I understand that according to Section 840-2.11 of Title 74 of the Oklahoma Statutes the home addresses, home telephone numbers, social security numbers, and information related to personal electronic communication devices of current and former state employees shall not be open to public inspection or disclosure without written permission from the current or former state employees or without an order from a court of competent jurisdiction.

Signature of User: _____ Date: _____

In the case of needing a password reset by the Help Desk, we will require you to answer one of the following (if you already have access to CORE/PeopleSoft, it is not necessary to provide the information below):

- Mother's maiden name Favorite Pet Place of Birth

Instructions for completing System Access Authorization Request (OSF FORM 301BIAPP)

Mark whether the request is to establish, de-activate or change a UserID or type of access.

User Name, phone number, job title, employee ID# and email address: This is the person for which the UserID or access is to be established. **(NOTE: The employee ID# is the number assigned to the employee on the CORE/PeopleSoft System. It is NOT their SSN#.)**

Requested by: The Designated Agency Security Representative must make the request. A State Agency Security Representative Designation Form (OSF FORM 300) must be on file with the CORE Security Administrator.

DESCRIPTION

Business Intelligence/ARRA – Provides access to ARRA-related reports. Users will be able to view information that has been received and edited into the State's central repository. Users will also be able to view information related to submissions to the federal reporting website.

Financial Analytics – View - Provide access to Oracle Business Intelligence Financial Analytics via PeopleSoft Financials to run pre-built reports.

Financial Analytics – Answers - Provide access to Oracle Business Intelligence Financial Analytics via PeopleSoft Financials to run pre-built reports and create reports. (Must attend training.)

Send completed form to: CORE Oklahoma Office
