An employee receiving compensatory time under the provisions of subsection A of this section shall be permitted to use accrued compensatory time within one hundred eighty (180) days following the day on which it was accrued, provided the taking of compensatory time does not unduly impact agency operations or the health, safety or welfare of the public, or endanger public property. Agencies shall not be allowed to extend this one-hundred-eighty-day time period for employees in an institutional setting. The balance of any unused compensatory time received but not taken during this time period shall be paid to the employee at the employee's current regular hourly rate.

E. As used in this section, "institutional setting" shall mean any agency or part of any agency where twenty-four-hour care, monitoring or supervision is required for patients, clients or inmates to protect public health, safety or property.

§ 840-2.17. Salary Raise

A. Unless otherwise provided by the Oklahoma Constitution, statutory authority to set or fix compensation, pay or salary of state officers and employees shall not be construed to authorize any agency, board, commission, department, institution, bureau, executive officer or other entity of the executive branch of state government to award, grant, give, authorize, or promise any officer or employee of the State of Oklahoma a raise that is inconsistent with the compensation schedules established by the Office of Management and Enterprise Services for all state officers and employees in the executive branch pursuant to [Section 840-4.6](#) of this title, including, but not limited to, a cost-of-living raise or any other type of raise that would be given to state employees on an across-the-board basis, except as herein provided. Such raises are prohibited unless authorized by the Legislature and by Career Service Rules for Employment promulgated by the Director. This prohibition applies to all career and executive service officers and employees in the executive branch of state government, excluding institutions under the administrative authority of the Oklahoma State Regents for Higher Education.

B. However, nothing in this section shall be construed to prohibit the following actions if the action is made in good faith and not for the purpose of circumventing subsection A of this section, and if the appointing authority certifies that the action can be implemented for the current fiscal year and the subsequent fiscal year without the need for additional funding to increase the personal services budget of the agency, and if the Office of Management and Enterprise Services certifies that the action is consistent with the compensation schedules established pursuant to the provisions of [Section 840-4.6](#) of this title:

1. Salary advancements on promotion or direct reclassification to a job family level or class with a higher salary band;
2. Salary adjustments resulting from a pay band change for a job family level or class adopted by the Office of Management and Enterprise Services;

 8. Skill-based adjustments. Such adjustments, which are implemented before November 1, 2006, other than lump-sum payments, shall become permanent after twenty-four (24) months from the date such salary adjustment is implemented and may not later be removed from an employee's base salary if a furlough or reduction-in-force is implemented by the appointing authority granting such salary adjustment. Skill-based pay adjustments, which are implemented on or after November 1, 2006, and which are paid to an employee, shall be paid as long as the employee remains employed in the position and performs the skills for which the differential is due, but shall not be included as a part of the employee's base salary;
 9. Equity-based adjustments;
 10. Performance-based adjustments for employees who received at least a "meets standards" rating on their most current performance rating;
 11. Career progression increases as an employee advances through job family levels; or

- D. The pay movement mechanisms described in paragraphs 6 through 11 in subsection B of this section shall be implemented pursuant to rules promulgated by the Director of the Office of Management and Enterprise Services for the career service.
- E. Appointing authorities may implement the pay movement mechanisms in paragraphs 6 through 12 in subsection B of this section subject to the availability of funds within the agency's budget for the current fiscal year and subsequent fiscal year without the need for additional funding to increase the personal services budget of the agency. Failure by the appointing authority to follow the provisions of this subsection may cause the withdrawal of the use of the pay movement mechanisms provided in paragraphs 6, 7, 9, 10 and 11 of subsection B of this section within the agency during the next appropriations cycle.
- F. The provisions in subsection B of this section shall not apply to chief executive officers of any agency, board, commission, department or program except for paragraphs 3 and 5 of subsection B of this section.

§ 840-2.18. Longevity Pay Plan

A. A longevity pay plan is hereby adopted. This plan applies to all state classified, unclassified, and exempt employees, excluding members of boards and commissions, institutions under the administrative authority of the State Regents for Higher Education, employees of public school districts, and elected officials. The plan shall also apply to those employees of the Oklahoma School for the Blind and the Oklahoma School for the Deaf who qualify for longevity pay in accordance with subsection G of Section 1419 of Title 10 of the Oklahoma Statutes.

B. The Oklahoma Conservation Commission is hereby authorized to establish a longevity pay program for employees of the conservation districts employed under Section 3-3-103 of Title 27A of the Oklahoma Statutes. Such longevity pay program shall be consistent with the longevity pay program for state employees authorized under this title and payments shall be made in a manner consistent with procedures for reimbursement to conservation districts.

C. To be eligible for longevity pay, employees must have been continuously employed in the classified or unclassified service of the state for a minimum of two (2) years in full-time status or in part-time status working more than one thousand (1,000) hours a year.

For purposes of this section, a break in service of thirty (30) calendar days or less shall not be considered an interruption of continuous service; a break in service of more than thirty (30) calendar days shall mark an end to continuous service. The legislative session employees who have worked for two (2) years or more in part-time status and are eligible for state retirement benefits, but do not receive other longevity payments, shall be eligible and shall be considered to have been continuously employed for purposes of calculating longevity payments, notwithstanding the provisions of subsection E of this section.

D. 1. Longevity pay for the first twenty (20) years of service shall be determined pursuant to the following schedule:

Years of Service	Annual Longevity Payment
At least 2 years but less than 4 years	\$250.00
At least 4 years but less than 6 years	\$426.00
At least 6 years but less than 8 years	\$626.00
At least 8 years but less than 10 years	\$850.00

At least 10 years but less than 12 years	\$1,062.00
At least 12 years but less than 14 years	\$1,250.00
At least 14 years but less than 16 years	\$1,500.00
At least 16 years but less than 18 years	\$1,688.00
At least 18 years but less than 20 years	\$1,900.00
At least 20 years	\$2,000.00

2. For each additional two (2) years of service after the first twenty (20) years an additional Two Hundred Dollars (\$200.00) shall be added to the amount stated above for twenty (20) years of service.

The total amount of the annual longevity payment made to an employee by any and all state agencies in any year shall not exceed the amount shown on the table corresponding to that employee's years of service with the state, except as otherwise provided by Sections 840-2.27D and 840-2.28 of this title. Further, no employee shall receive duplicating longevity payments for the same periods of service with any and all agencies, except as otherwise provided by Sections 840-2.27D and 840-2.28 of this title.

E. To determine years of service, cumulative periods of full-time employment or part-time employment working more than one hundred fifty (150) hours per month with the state excluding service as specified in subsection A of this section are applicable. Part-time employment, working one hundred fifty (150) hours per month or less for the state, excluding service as specified in subsection A of this section, shall be counted only if:

1. The period of employment was continuous for at least five (5) months; and
2. The person worked more than two-fifths (2/5) time.

Other employment shall not be counted as service for purposes of longevity payments. Further, no period of employment with the state, whether with one or more than one agency, shall be counted as more than full-time service.

F. Years of service under the administrative authority of the State Regents for Higher Education or the administrative authority of the Oklahoma Department of Career and Technology Education of any employee who is now employed in a job classification which is eligible for longevity pay shall be included in years of service for purposes of determining longevity pay.

G. Years of service shall be certified through the current employing agency by the appointing authority on a form approved by the Office of Management and Enterprise Services. The form shall be completed and posted as directed by the Director of the Office of Management and Enterprise Services by the current employing agency when the employee initially enters on duty with the agency and thereafter whenever the employee's anniversary date is changed.

H. Eligible employees, in full-time status or in part-time status working more than one hundred fifty (150) hours per month, shall receive one (1) lump-sum annual payment, in the amount provided on the preceding schedule, during the month following the anniversary date of the employee's most recent enter-on-duty day with the state. Upon implementation of the statewide information systems project, the lump-sum annual payment may be paid concurrent with the final payroll of the month of the employee's anniversary date. Eligible part-time employees who work one hundred fifty (150) hours per month or less shall receive one (1) lump-sum annual payment, based on the formula in subsection L of this section, during the month following the anniversary date of the employee's most recent enter-on-duty day with the state. To receive longevity pay an employee must be in pay status on or after his or her anniversary date.

Eligible employees who would not otherwise receive annual longevity payments because their employment includes regular periods of leave without pay in excess of thirty (30) calendar days shall receive one (1) lump-sum annual payment, based on the formula in subsection L of this section, during:

1. The month of August if the employee is in pay status on July 1; or
2. During the month following the employee's first return to duty that fiscal year if the employee is not in pay status on July 1.

Except as otherwise provided by Sections 840-2.27D and 840-2.28 of this title, employees terminated as a result of a reduction-in-force or retiring from state employment shall receive upon said termination or retirement the proportionate share of any longevity payment which may have accrued as of the date of termination or retirement. Provided further that, the proportionate share of any longevity payment which may have accrued as of the date of death of an employee shall be made to the surviving spouse of the employee or if there is no surviving spouse to the estate of the employee.

I. Periods of leave without pay taken in accordance with Section 840-2.21 of this title shall be counted as service. Other periods of nonpaid leave status in excess of thirty (30) calendar days shall not mark a break in service; however, they shall:

1. Not be used in calculating total months of service for longevity pay purposes; and
2. Extend the anniversary date for longevity pay by the total period of time on nonpaid leave status except as provided in subsection H of this section for employees whose conditions of employment include regular periods of leave without pay.

J. Employees currently receiving longevity pay who work for the judicial branch of state government or who work for the Oklahoma Department of Career and Technology Education shall not be eligible for the longevity pay plan provided for in this section.

K. A break in service with the state in excess of thirty (30) days but which does not exceed two (2) years which was caused by a reduction-in-force shall be treated as if it were a period of nonpaid leave status

as provided for in subsection I of this section for the purpose of calculating total months of service for longevity pay. This subsection shall only apply to state employees laid off after June 30, 1982.

L. Eligible part-time employees working less than one hundred fifty (150) hours per month and other eligible employees with regular annual periods of leave without pay of more than thirty (30) calendar days will receive a prorated share of the "Annual Longevity Payment" authorized in subsection D of this section. The prorated amount of payment will be based on actual hours worked in the immediately preceding twelve (12) months.

M. An employee shall not be entitled to retroactive longevity payments as a result of amendments to this section unless specifically authorized by law.

N. The Director of the Office of Management and Enterprise Services is authorized to promulgate such Longevity Pay Plan Rules as he or she finds necessary to carry out the provisions of this section.

O. As of July 1, 1998, years of service with a city-county health department for employees who left a city-county health department for employment with the Department of Environmental Quality or the Oklahoma Department of Agriculture, Food, and Forestry, between July 1, 1993, and July 1, 1998, and who are now employed in a job classification that is eligible for longevity pay pursuant to this section, shall be included in years of service for purposes of determining longevity pay subsequent to July 1, 1998.

P. As of July 1, 2003, years of service with a local conservation district shall be included in years of service for purposes of determining longevity pay for local conservation district employees transferred to the Oklahoma Conservation Commission pursuant to the provisions of this section.

§ 840-2.19. Approval of Payroll Claims - Results of Payroll Audit - Recovery of Excess Payroll Claim - Quarterly Report

A. The Director of the Office of Management and Enterprise Services shall not approve any payroll claim for payment for any agency unless said claim contains or is accompanied by the certification by the administrative head of said agency or an authorized employee of said agency that the persons named in said claim have been appointed and employed in accordance with the provisions of the Oklahoma Personnel Act and the rules and orders promulgated pursuant to the provisions of the Oklahoma Personnel Act. For purposes of this section, "payroll claim" shall also include longevity payments made pursuant to Section 840-2.18 of this title.

B. If, as a result of a payroll audit, the Office of Management and Enterprise Services finds that an agency has made payments of salaries or wages contrary to the provisions of the Oklahoma Personnel Act and the rules promulgated pursuant to the provisions of the Oklahoma Personnel Act:

1. Audit findings shall be promptly transmitted to the appointing authority of the agency certifying the payroll claim or claims involved;
2. An audit conference with said agency shall be scheduled within fifteen (15) days, at which time the audit exceptions will be resolved or become a determination of error unless the parties to the conference agree to a further review;

3. If underpayments or overpayments made by said agency are deemed to be the result of administrative error, the agency which certified the payroll claim or claims in error shall refund to the employee the balance of the actual amounts due and owing to the payee or shall seek repayment from the payee of any amount paid in excess of the actual amount due and owing the payee;

4. If an agency neglects or refuses to seek repayment after a determination that an error in payroll amount or amounts has been made, or to properly adjust a then current salary or wage, the Director of the Office of Management and Enterprise Services shall note an unresolved audit exception stating the agency involved and the person to whom said exception refers;

5. Upon receipt of notification that a procedure to initiate repayment has been instituted by the certifying agency or that a protest has been filed with the Oklahoma Merit Protection Commission, said notice shall be withdrawn or waived by the Director of the Office of Management and Enterprise Services. Implementation of procedures provided in this section shall not operate to deny or delay payment of proper salaries or wages to any employee of this state;

6. The provisions of this section regarding collections of any overpayment of salaries or wages by any agency to any state employee or officer shall not include any such overpayment made prior to July 1, 1983;

7. Recovery of overpayments from an employee shall include all overpayments occurring within one (1) year prior to the determination of error. Disbursement of underpayments to an employee shall include all underpayments made within a period of two (2) years prior to the determination of error; and

8. If an agency discovers overpayment or underpayment errors through an internal audit, the agency shall recover overpayments from the employee or disburse underpayment amounts in accordance with this section. Prior to initiation of recovery of overpayments from an employee, the agency shall provide the employee with adequate notice and an opportunity to respond.

C. The Director of the Office of Management and Enterprise Services shall not approve any payroll claim for payment for any agency for which a notification of an unresolved audit exception pursuant to this section has been filed, unless the person named in the audit exception has been removed from the payroll by the certifying agency, the overpayment has been converted by the agency, or the exception has been withdrawn or waived in writing by the Office of Management and Enterprise Services.

D. Any sum on a payroll claim found to have been paid in excess of the actual amount due and owing may be recovered from the payee through the following procedures:

1. Upon the determination that an error in payroll amount has been made, the agency which certified the claim or claims shall notify the payee in writing within ten (10) days from said determination. The notice to the payee shall contain:

- a. the amounts paid in error,
- b. the dates of said payments,
- c. the options available for repayment, and
- d. the right of the payee to protest the findings.

Said notice shall also provide space for the payee to indicate an election of a repayment option or to protest the findings. Said election shall be required within thirty (30) days after the notification;

2. If the payee is, at the time of said notification, an officer or employee of the agency seeking repayment, options available for repayment shall be by:

a. lump-sum cash repayment,

b. reduction of the corrected current salary or miscellaneous payroll deduction in a lump sum or in installments over a term not to exceed the term in which the erroneous payments were made,

c. reduction in accrued annual leave by an amount of time at the then current correct salary level equal in value to the total of the amount or amounts to be repaid, or

d. any combination thereof;

3. If the payee is, at the time of said notification, an officer or employee of an agency of the state other than the agency seeking repayment, the options provided by paragraph 2 of this subsection may be exercised by the payee with the approval of the then current employing agency. Payment of amounts deducted or charged against annual leave shall be paid to the agency seeking repayment by an appropriate miscellaneous claim for interagency payment. If a payroll deduction is elected pursuant to the provisions of this paragraph and employment is subsequently terminated, any balance remaining shall be deducted from any final payment otherwise due to the employee;

4. If a payee who is, at the time of said notification, a permanent classified officer or employee of any agency of this state protests the determination of the error or the amount of said determination, the agency seeking repayment shall present, within five (5) days of the return of said protest, the facts in writing, the notice, and the protest of the payee, to the Oklahoma Merit Protection Commission. The Oklahoma Merit Protection Commission shall treat any such protest as a complaint pursuant to Section 840-1.9 of this title. The Commission and Executive Director, after investigation and hearing, shall make a determination which shall be binding on the agency. The salary or wages of any payee exercising the right to the protest shall not be suspended or reduced until a determination has been issued by the Oklahoma Merit Protection Commission and Executive Director;

5. If the payee is no longer an employee of the state but agrees to repay the amount or amounts paid in error, repayment may be accepted:

a. by lump-sum cash repayment, or

b. in installments over a period not to exceed twelve (12) months;

6. If the payee is no longer an employee of the state, and does not respond or cannot be located within ten (10) days after mailing of the determination of error, or refuses repayment, the agency seeking repayment shall present the facts in writing to the Attorney General and shall send a copy to the Office of Management and Enterprise Services. The Attorney General shall determine what action may be taken to recover said amount; and

7. Repayments other than by reduction in present salary or reduction in accrued annual leave for a payee currently employed by the agency seeking repayment shall be deposited in the General Revenue Fund unless the fund to which the amount in error was originally charged can be identified and was

other than a General Revenue Fund appropriation. Said deposits shall be treated as nonrevenue receipts.

§ 840-2.20. Promulgation of Rules Regarding Leave

A. The Director of the Office of Management and Enterprise Services shall promulgate such emergency and permanent rules regarding leave and holiday leave as are necessary to assist the state and its agencies.

The Director of the Office of Management and Enterprise Services, in adopting new rules, amending rules and repealing rules, shall ensure that the following provisions are incorporated:

1. Eligible employees who enter on duty or who are reinstated after a break in service shall receive leave benefits in accordance with the schedule outlined below. Leave shall be accrued based upon hours worked, paid leave, and holidays, but excluding overtime, not to exceed the total possible work hours for the pay period. Years of service shall be based on cumulative periods of employment calculated in the manner that cumulative service is determined for longevity purposes pursuant to Section 840-2.18 of this title. Employees may accumulate more than the maximum annual leave accumulation limits shown in the schedule below, provided that such excess is used during the same calendar year in which it accrues or within twelve (12) months of the date on which it accrues, at the discretion of the appointing authority. If an employee whose job duties include providing fire protection services, law enforcement services or services with the Department of Corrections is unable to use excess leave as provided for in this paragraph because the employee's request for leave is denied by the employee's appointing authority and the denial of leave is due to extraordinary circumstances such that taking leave could pose a threat to public safety, health or welfare, the employee shall receive compensation at the employee's regular rate of pay for the amount of excess leave the employee is unable to use. Such compensation shall be paid at the end of the time period during which the excess leave was required to have been used;

2. From November 1, 2001, the following accrual rates and accumulation limits apply to eligible employees as follows:

	ACCRUAL RATES				ACCUMULATION LIMITS
	Cumulative Years of Service		Annual Leave	Sick Leave	Annual Leave
Persons employed	0 – 5 yrs	=	15 day/yr	15 days/yr	30 days
	5 – 10 yrs	=	18 day/yr	15 days/yr	60 days
	10 – 20 yrs	=	20 day/yr	15 days/yr	60 days

	over 20 yrs	=	25 day/yr	15 days/yr	60 days
--	-------------	---	-----------	------------	---------

3. Temporary employees and other limited term employees are ineligible to accrue, use, or be paid for sick leave and annual leave. Such employees shall be eligible for paid holiday leave at the discretion of the appointing authority;

4. Employees shall not be entitled to retroactive accumulation of leave as a result of amendments to this section;

5. The Director of the Office of Management and Enterprise Services and the Executive Director of the Oklahoma Merit Protection Commission shall cooperate to assist agencies in developing policies to prevent violence in state government workplaces without abridging the rights of state employees. Such policy shall include a paid administrative leave provision as a cooling-off period which the Director of the Office of Management and Enterprise Services is authorized to provide pursuant to the Administrative Procedures Act. Such leave shall not be charged to annual or sick leave accumulations;

6. State employees who terminated their employment in the state service on or after October 1, 1992, may be eligible to have sick leave accrued at the time of termination of employment restored if they return to state employment, provided that the state employees' enter-on-duty dates for reemployment occur on or before two (2) years after their termination of employment and they are eligible to accrue sick leave before the two (2) years expire;

7. Employees who are volunteer firefighters pursuant to the Oklahoma Volunteer Firefighters Act and who are called to fight a fire shall not have to use any accrued leave or need to make up any time due to the performance of their volunteer firefighter duties;

8. Employees who are reserve municipal police officers pursuant to Section 34-101 of Title 11 of the Oklahoma Statutes and who miss work in performing their duties in cases of emergency shall not have to use any accrued leave or need to make up any time due to the performance of their reserve municipal police officer duties; and

9. Employees who are reserve deputy sheriffs pursuant to Section 547 of Title 19 of the Oklahoma Statutes and who miss work in performing their duties in case of emergency shall not have to use any accrued leave or need to make up any time due to the performance of their reserve deputy sheriff duties.

B. Nothing in the Oklahoma Personnel Act is intended to prevent or discourage an appointing authority from disciplining or terminating an employee due to abuse of leave benefits or absenteeism. Appointing authorities are encouraged to consider attendance of employees in making decisions regarding promotions, pay increases, and discipline.

C. Upon the transfer of a function in state government to an entity outside state government, employees may, with the agreement of the outside entity, waive any payment for leave accumulations to which the employee is entitled and authorize the transfer of the leave accumulations or a portion thereof to the outside entity.

§ 840-2.20A. Closing of Agency Because of Imminent Peril - Paid Administrative Leave

A. When an agency of the State of Oklahoma or part of such an agency is closed because of an imminent peril threatening the public health, safety, or welfare of state employees or the public, the appointing authority shall place employees who are scheduled to work in the closed area on paid administrative leave or shall assign them to work in another location. Employees who are on paid administrative leave shall be in standby or on-call status during their normal scheduled duty hours. The appointing authority may call such employees to return to their normal duties and work location or respond to the demands of the situation as necessary.

B. When the Governor or a designee of the Governor authorizes agencies or parts of agencies to maintain basic minimum services because hazardous weather conditions impede or delay the movement of employees to and from work, employees responsible for providing such basic minimum services shall report to work. Appointing authorities of agencies shall be responsible for determining essential agency functions and ensuring that employees who staff such functions are so informed. Leave alternatives for those employees not responsible for basic minimum services shall be established by the Director of the Office of Management and Enterprise Services.

C. Appointing authorities of affected agencies shall notify the Office of Management and Enterprise Services of agency closings and reductions in services pursuant to this section.

D. The provisions of this section are applicable to agencies and employees in the executive department of state government, including those on temporary and other limited term appointments. The provisions of this section shall not be applicable to employees of institutions within The Oklahoma State System of Higher Education.

E. The Director of the Office of Management and Enterprise Services shall adopt rules necessary to implement the provisions of this section.

§ 840-2.20B. State Employees - Leave of Absence for Donations

A. Any employee of this state, its departments or agencies shall be granted a leave of absence, subject to approval of the scheduling of such leave by the employee's Appointing Authority, with medical necessity being the primary determinant for such approval, for the time specified for the following purposes:

1. Five (5) workdays to serve as a bone marrow donor if the employee provides the employer written verification that the employee is to serve as a bone marrow donor; and
2. Thirty (30) workdays to serve as a human organ donor if the employee provides the employer written verification that the employee is to serve as a human organ donor.

B. An employee who is granted a leave of absence pursuant to the provisions of this section shall receive the base state pay without interruption during the leave of absence. For purposes of determining seniority, pay or pay advancement, and performance awards, and for the receipt of any benefit that may be affected by a leave of absence, the service of the employee shall be considered uninterrupted by the leave of absence.

C. A state agency shall not penalize an employee for requesting or obtaining a leave of absence pursuant to the provisions of this section.

D. The leave authorized by this section may be requested by the employee only if the employee is the person who is serving as the donor.

§ 840-2.20C. Written Notice to Employee of Furlough

A. Each agency, as defined by Section 840-1.3 of this title, shall provide a written notice to any employee of such agency who will be furloughed by the agency at least thirty (30) days prior to the first date that the furlough period is scheduled to begin. The notice shall provide information about the anticipated first date of the furlough period and an estimate of the duration of the furlough or the day or days during which the furlough will be in effect.

B. The furlough notice shall be provided to the Director of the Office of Management and Enterprise Services and any state employee association representing state employees at such time.

C. Subsection A of this section shall not apply to disruptions in funding to state agencies caused by actions at the federal level.

§ 840-2.21. Placement of Employee on Leave Without Pay

A. If a state employee, whether in the classified or unclassified service, is absent because of an illness or injury arising out of and sustained in the course of his or her employment with the state, and for which workers' compensation benefits have been filed, the employing agency shall place the employee on leave without pay if the employee so requests; provided, leave without pay pursuant to this section shall not for any purpose be considered a break in service.

B. An employee who sustains an illness or injury arising out of and sustained in the course of employment with the State of Oklahoma shall not be required to use either accumulated sick or annual leave during such period prior to being placed on leave without pay pursuant to this section.

C. The reduction-in-force implementation plan shall be provided to the Director of the Office of Management and Enterprise Services and any state employee association representing state employees at such time. The notice shall not be posted unless approved by the cabinet secretary for the agency conducting the reduction-in-force. If there is no incumbent cabinet secretary for the agency, the cabinet-secretary-notice-approval requirement shall not be applicable. If the appointing authority is governed by an elected official, the cabinet-secretary-notice-approval requirement shall not be applicable. Provide outplacement assistance and employment counseling from the Oklahoma Employment Security Commission and any other outplacement assistance and employment counseling made available by the agency to affected employees regarding the options available pursuant to the State Government Reduction-in-Force and Severance Benefits Act prior to the date that a reduction-in-force is implemented.

C. If an agency implements a reduction-in-force then it shall give a veteran's preference over affected nonveterans who have equal retention points to the affected veteran.

b. not have the right to exercise any subsequent right to receive severance benefits from the agency for which the affected employee performs services on the date that the employee exercises a displacement privilege. The provisions of this section shall not prohibit any person from exercising a displacement privilege in, or accepting severance benefits from, more than one agency during employment with the State of Oklahoma or from the agency which the affected employee exercised a displacement privilege in any future reduction-in-force.

F. An affected employee who does not agree pursuant to Section 840-2.27E of this title to accept severance benefits and who does not have a displacement opportunity or does not accept a displacement opportunity shall be separated by the reduction-in-force and shall not receive any severance benefits that would have otherwise been provided pursuant to Section 840-2.27D of this title.

Before any vacant position is filled by any individual eligible for initial appointment from the employment register, individuals on the Priority Reemployment Consideration Rosters shall be given priority consideration for reemployment by any state agency within eighteen (18) months after the date of the reduction-in-force. Upon declination of an offer of reemployment to a job family level having the same or higher pay band than the job family level from which the employee was removed, or eighteen (18) months after the date of separation, whichever is first, this priority consideration for reemployment shall expire. If an agency has posted a reduction-in-force plan and implementation schedule, all affected

employees in positions covered by the plan and any within the displacement limits established by the appointing authority of the agency who have been separated shall be eligible for priority reemployment consideration.

I. If an agency or any part thereof is scheduled to be closed or abolished as a result of legislation or a court order, the affected employees, who would be eligible for Priority Reemployment Consideration after their separation in accordance with subsection H of this section, may apply and, if qualified and eligible, shall be accorded Priority Reemployment Consideration not to exceed twelve (12) months before the scheduled date of separation. If an agency has posted a reduction-in-force plan and implementation schedule, all affected employees in positions covered by the plan and any within the displacement limits established by the appointing authority of the agency shall be eligible for Priority Reemployment Consideration beginning with the date the schedule is posted, not to exceed twelve (12) months before the scheduled date of separation.

J. When the Legislature is not in session, the Contingency Review Board may, upon the request of the Governor, direct agencies, boards and commissions to reduce the number of employees working for the agency, board or commission whenever it is deemed necessary and proper. Such reduction shall be made pursuant to reduction-in-force plans as provided in this section.

K. 1. When the Legislature is not in session, the Contingency Review Board may, upon the request of the Governor, direct and require mandatory furloughs for all state employees whenever it is deemed necessary and proper. The Contingency Review Board shall specify the effective dates for furloughs and shall note any exceptions to state employees affected by same. All classified, unclassified, exempt or nonmerit employees, including those employees of agencies or offices established by statute or the Constitution, shall be affected by such actions.

2. Mandatory furlough means the involuntary temporary reduction of work hours or the placement of an employee on involuntary leave without pay. Rules governing leave, longevity pay and participation in the State Employees Group Health, Dental, Disability, and Life Insurance program shall not be affected by mandatory furloughs. Furlough, as provided for in this section or by rules adopted by the Director of the Office of Management and Enterprise Services, shall not be appealable under the provisions of the Oklahoma Personnel Act.

3. Notwithstanding existing laws or provisions to the contrary, members of state boards and commissions shall not receive per diem expenses during periods of mandatory furlough. The Contingency Review Board shall additionally call upon elected officials, members of the judiciary, and other public officers whose salary or emoluments cannot be altered during current terms of office, to voluntarily donate to the General Revenue Fund any portion of their salary which would otherwise have been affected by a mandatory furlough.

L. All agencies directed by the Contingency Review Board to terminate or furlough employees, shall report the cumulative cost savings achieved by the reductions-in-force or furloughs to the Governor, President Pro Tempore of the Senate and Speaker of the House of Representatives on a quarterly basis for one (1) year following the effective date of the action.

M. The appointing authority of an agency which has an approved reduction-in-force plan pursuant to the State Government Reduction-in-Force and Severance Benefits Act may request the Director of the

Office of Management and Enterprise Services to appoint an interagency advisory task force for the purpose of assisting the agency and its employees with the implementation of the reduction-in-force. The appointing authority of state agencies requested by the Administrator to participate on a task force shall assign appropriate administrative personnel necessary to facilitate the necessary assistance required for the efficient implementation of the approved reduction-in-force.

§ 840-2.27D. Severance Benefits - Elements

A. Agencies shall provide severance benefits to affected employees who are separated from the state service as a result of a reduction-in-force due to a reorganization or any other action by an agency which results in affected positions being abolished and affected employees being severed from the state service. Severance benefits shall be given to the following categories of affected employees: permanent classified affected employees and affected employees on probationary status after reinstatement from permanent classified status without a break in service; provided, however, affected employees of the University Hospitals Authority must have been continuously employed in the state service since on or before January 1, 1995, to receive severance benefits. Pursuant to this section and Section 840-5.1A of this title, state agencies may provide severance benefits provided by this subsection to regular unclassified employees with one (1) year or more continuous state service who are separated from the state service for budgetary reasons; however, state agencies shall offer regular unclassified state employees with one (1) year or more continuous state service who are separated from the state service the same severance benefit as the affected employees in a reduction-in-force if the unclassified employees' separation is as a result of the conditions causing the agency to implement a reduction-in-force. Affected employees who qualify for severance benefits pursuant to this section, in addition to the payment of any compensable accrued leave or other benefits an affected employee is eligible to receive upon separation from the state service, shall receive severance benefits consisting of the following elements:

1. All agency severance benefits shall provide the following:

a. payment equal to the affected employee's current health insurance premium for the affected employee only for eighteen (18) months based on the cost of the premium at the time of the reduction-in-force. The appointing authority of the agency can ask the Director of the Office of Management and Enterprise Services to waive the severance benefit provision in this subparagraph or to reduce the length of coverage or subsequent severance benefit payment upon demonstration of the agency's inability to fund the full benefit,

b. a longevity payment, as prescribed by Section 840-2.18 of this title, in the amount which would otherwise be paid to the affected employee on the affected employee's next anniversary date. For the purposes of this subparagraph, the University Hospitals Authority shall calculate longevity for affected employees who were members of the University Hospitals Authority Model Personnel System pursuant to Section 3211 of Title 63 of the Oklahoma Statutes for all state service as would otherwise be determined by Section 840-2.18 of this title, and

c. outplacement assistance and employment counseling prior to and after the reduction-in-force from the Oklahoma Employment Security Commission and other state or private entities that the entity may contract with to assist individuals who may be impacted by a reduction-in-force;

2. In addition to the severance benefits provided by paragraph 1 of this subsection, agencies may give affected employees, except as otherwise provided by paragraph 3 of this subsection, severance benefit packages based on any combination of the following options, provided that all affected employees who receive severance benefits in the reduction-in-force shall be accorded uniform treatment pursuant to the State Government Reduction-in-Force and Severance Benefits Act:

- a. up to one (1) week of pay, calculated by dividing the affected employee's current annual salary by the whole number fifty-two (52), for each year of service,
- b. a maximum lump-sum payment of Five Thousand Dollars (\$5,000.00), and
- c. payment for accumulated sick leave or extended illness benefits at up to one-half (1/2) of the affected employee's hourly rate not otherwise used pursuant to law for conversion to credited retirement credit; and

3. An affected employee may direct payment of all or a portion of the affected employee's severance benefits to the options authorized by this paragraph by exercising an option to receive education vouchers for use in connection with the Reduction-in-Force Education Voucher Action Fund subject to the following requirements and rules of the Director of the Office of Management and Enterprise Services, provided that the agency offers to match employee severance funds pursuant to this paragraph. In such case:

- a. the affected employee may purchase One Dollar (\$1.00) in voucher credit for each One Dollar (\$1.00) contributed by the affected employee to the fund subject to a maximum affected employee contribution of Three Thousand Dollars (\$3,000.00) which may be matched by a maximum agency contribution of Three Thousand Dollars (\$3,000.00); provided, that the agency contribution shall not exceed the contribution of the affected employee,
- b. the affected employee may pay the cost for the voucher program directly, subject to the requirements of subparagraph a of this paragraph, or the employing agency of the affected employee may pay the cost of the voucher from funds which would otherwise have been used to make payments to the displaced affected employee pursuant to an election by the affected employee to receive severance benefits,
- c. no voucher issued pursuant to the provisions of this paragraph shall:

6. Selection of interns shall be coordinated by the Office of Management and Enterprise Services, but shall permit appropriate involvement by institutions of higher education and state agencies in order to ensure the integrity of the program, permit the appropriate match between interns and agency assignments, and to benefit the employing agency;
7. The Director of the Office of Management and Enterprise Services may waive the completion of six (6) semester hours of approved graduate level work required by Section 840-3.4 of this title for participation in the Executive Fellows Program for an undergraduate intern enrolled in six (6) semester hours of approved graduate level work and currently employed by a state agency;
8. Establish compensation plans for interns; and
9. Empower the Office of Management and Enterprise Services to intercede in an internship when the Office determines, at the request of the intern, the agency, or the institution of higher education at which the intern is enrolled, that an internship is not functioning in accordance with guidelines established for the program and that are necessary for the efficiency and integrity of the program.

State Personnel Interchange Program

[§ 840-3.9. Short Title](#)

Sections 840-3.9 through 840-3.14 of this title shall be known and may be cited as the "State Personnel Interchange Program".

[§ 840-3.10. Policy of State](#)

A. It is the policy of this state that:

1. State agencies in all branches of state government shall provide, whenever possible, such services as shall be required by other entities of state government; and
 2. All entities of state government shall provide required services without charge or, when it is not possible to provide such services without charge, on a contractual basis.
- B. "Agency" or "agencies" shall include agencies, boards or commissions in all branches of state government and "employee" or "employees" shall include persons employed in all branches of state government when used in Sections 840-3.10 through 840-3.14 of this title.

§ 840-3.11. Interchange of Employees among Governmental Entities

The Director of the Office of Management and Enterprise Services is hereby directed to establish programs to facilitate the interchange of employees among state governmental entities, to evaluate the efficient utilization and deployment of state personnel, and to adopt rules necessary to carry out the provisions of the State Personnel Interchange Program. The State Personnel Interchange Program and rules promulgated hereunder shall apply to both unclassified and classified employee services.

§ 840-3.12. Employee Eligibility

All employees in the classified and unclassified service are eligible for interchange.

§ 840-3.13. Nature of Personnel Interchange Assignments

- A. All personnel interchange assignments are intended to be temporary in nature. An individual's period of assignment to any receiving agency shall not exceed twelve (12) months in any thirty-six-month period; except that the period of assignment for mentor executives participating in the mentor program established by Section 840-3.8 of this title shall not exceed twenty-four (24) months in any thirty-six-month period.
- B. An individual shall be assigned as a participating employee only upon the individual's freely given written consent, without any form of coercion or duress. Personnel interchanges shall be executed by mutual consent agreement by the appointing authority of the sending agency, the appointing authority of the receiving agency, and the participating individual.
- C. A participating employee shall be considered an employee of the sending agency for all purposes other than supervision. The receiving agency shall be responsible for all costs and liabilities arising from the performance of work assigned to the participating employee by the receiving agency which is found to be contrary to law and public policy by a court of competent jurisdiction.
- D. A participating classified or unclassified employee may be assigned to a classified or unclassified position for the duration of the assignment without regard to the status of the employee in the sending agency.
- E. Work assigned to a participating employee by a receiving agency shall be exempt from the classification and compensation provisions of the Oklahoma Personnel Act. Further, although all agencies are encouraged to resolve employee complaints at the lowest possible level, nothing in this section shall be construed to require a receiving agency to establish or adopt a grievance procedure pursuant to Section 840-6.2 of this title, to hear formal grievances, or to designate a grievance manager.

Whenever an interchange agreement is terminated in accordance with the Oklahoma Personnel Act and rules promulgated by the Director of the Office of Management and Enterprise Services, the participating employee shall be entitled to return to the previous class or job family level of the employee or its successor class or job family level, if one exists in the sending agency. Otherwise, the reduction-in-force provision of Section 840-2.27 of this title shall apply.

F. Except as provided in subsection E of this section, a participating employee who is assigned to a receiving agency shall neither lose, or suffer diminution of, any right, power, privilege, or benefit to which the employee would otherwise be entitled, including but not limited to salary, seniority, promotion, reinstatement, insurance, retirement, classified or unclassified status, progressive discipline, and use of grievance and appeals procedures. An employee's class or job family level shall not be adversely affected by another employee's participation in an interchange.

G. Any participating employee who suffers injury, occupational disease, or death, arising out of and in the course of an assignment to a receiving agency or sustained in the discharge of duties in connection with said assignment shall be considered an employee of the sending agency, and shall not be deprived by virtue of participating in said program of any right or expectancy that would otherwise accrue pursuant to the laws of this state governing labor and workers' compensation.

H. Except as provided in this section, a participating employee shall neither receive nor accept any compensation from the receiving agency to which the employee is assigned. Any receiving agency shall, in accordance with any applicable laws and policies, reimburse the per diem and travel expenses of any participating employee assigned thereto.

I. Nothing in the State Personnel Interchange Program is intended to preclude the adoption of rules governing the interchange of employees of state governmental entities via other interchange provisions, such as leaves of absence without pay and career executive appointments.

§ 840-3.14. Nothing in Program to Authorize Conflict of Interest

Nothing in the State Personnel Interchange Program is intended to authorize any participating agency or employee to engage in any activity which is a conflict of interest or which would be in conflict with any provision of law, except as specifically provided herein.

§ 840-3.15. Creation of Certified Public Manager Program - Adoption of Rules

A. There is hereby created the Certified Public Manager Program within the Office of Management and Enterprise Services. The Program shall be administered by the Director of the Office of Management and Enterprise Services. The purpose of the Program shall be to develop the management skills of those employees and persons who enter into the Program and to assist state agencies and other employers in the identification and development of future managers and leaders. The Program, when space is available, may be available to political subdivisions and not-for-profit employers.

B. The Director of the Office of Management and Enterprise Services shall adopt rules necessary to implement the Certified Public Manager Program. These shall include:

1. Admission and curriculum requirements for the Program; and

2. Fees sufficient for the operation of the Program. Fees charged to state agencies for their employees who participate in the Program may be less than fees charged to other employers for persons employed by them. The Director shall also require a nominal fee to be charged individuals who participate in the Program.

§ 840-3.16. Executive Development Program for State Officials - Administration - Purpose - Authority to Adopt Rules

A. There is hereby created the Executive Development Program for State Officials within the Office of Management and Enterprise Services. The Program shall be administered by the Director of the Office of Management and Enterprise Services. The purpose of the Executive Development Program for State Officials is to enhance the leadership skills of program participants. This program is designed for cabinet secretaries, agency directors, and senior-level executives within Oklahoma state agencies.

B. The Director of the Office of Management and Enterprise Services may adopt rules necessary to implement the Executive Development Program for State Officials. The Director may establish and collect fees for participation in the Program.

§ 840-3.17. Employees Who Share Position Identification Numbers

Employees who share position identification numbers for a time period of one hundred eighty (180) days or more shall count in the cumulative total against the statutory limitation of full-time-equivalent employee positions for any agency.

Merit System of Personnel Administration

§ 840-4.1. Orders to Place Agencies under Merit System of Personnel Administration

A. The Governor of the State of Oklahoma is hereby empowered and authorized by an Executive Order to place any agency, and the employees thereof, except positions exempted from the classified service as stipulated by said Order, under the Merit System of Personnel Administration prescribed by the Oklahoma Personnel Act and the rules promulgated thereunder. Further, the Governor may issue an Executive Order to place any position exempted from the Merit System by Executive Order and its incumbent under the Merit System. This section shall not authorize the removal of any agency, position, or employee placed under the Merit System of Personnel Administration.

B. The provisions of the Merit System of Personnel Administration shall not be extended to any agency except by Executive Order as provided in this section or by legislation.

C. The placement of an agency under the Merit System of Personnel Administration covers functions, positions, and employees in an agency on the effective date of the legislation or the Executive Order and functions, positions, and employees subsequently added to the agency, unless otherwise provided by law.

D. Upon placement of an agency under the Merit System of Personnel Administration by Executive Order or legislation, or subsequent changes in the name of the agency, its organization or structure, or repeal of statutory language placing the agency under the Merit System shall not alone be construed to remove the agency from the Merit System. An agency shall be removed from the Merit System by enacting legislation which affirmatively declares the agency is removed from the Merit System of Personnel Administration.

E. Upon placement of an agency under the Merit System of Personnel Administration by Executive Order or legislation, the agency shall abide by the provisions of the Merit System of Personnel Administration Rules and the Oklahoma Personnel Act. Statutory provisions not included in the Oklahoma Personnel Act that authorize agencies to effect personnel transactions, including but not limited to preparing personnel schedules, employing and appointing personnel, defining their duties and fixing their salaries or compensation shall not be interpreted as authorizing agencies to effect personnel transactions within the provisions of the Oklahoma Personnel Act and the rules promulgated thereunder unless the Legislature expresses a contrary intent.

§ 840-4.2. Status of Employees

A. Except as otherwise provided by law, effective on the date an unclassified employee is made subject to the Merit System of Personnel Administration by virtue of an Executive Order issued pursuant to Section 840-4.1 of this title or legislation, the employee shall be given status in the job family level to which the position occupied by the employee is initially allocated by the Office of Management and Enterprise Services. The employee shall not be required to take any examination or qualify for the job family level, and the salary of the employee shall not be reduced as a result of such initial allocation. The status of the employee shall be determined as follows:

1. An employee who has been continuously employed by the agency for a minimum of twelve (12) months immediately preceding the date on which the employee is made subject to the provisions of the Merit System shall be given permanent status in the classified service.
2. An employee who has been continuously employed by the agency for less than twelve (12) months on the date the employee is made subject to the provisions of the Merit System shall be given probationary status in the classified service. Such employee may obtain permanent status in the classified service twelve (12) months after the employee's entry-on-duty date with the agency pursuant to the provisions of the Merit System.

B. Persons appointed to the classified service of any agency under the Merit System shall achieve classified status only in accordance with the Oklahoma Merit System of Personnel Administration Rules promulgated pursuant to the Oklahoma Personnel Act.

C. Any classified employee who is serving in a position on the effective date of the removal of the position from the classified service and placement into the unclassified service shall have the option of retaining the employee's classified status. Any such employee who elects to change from classified to unclassified status shall so indicate in writing. If the employee chooses to remain in the classified service, the position occupied by the employee shall remain in the classified service until the employee either vacates the position or elects unclassified status. All future appointees to such positions shall be in the unclassified service.

§ 840-4.3. Audit of Classified Service Positions

A. The Office of Management and Enterprise Services shall conduct audits of positions in the classified service to determine the proper job family to which a position is allocated, and may delegate the auditing function to an agency pursuant to subsection E of Section 840-1.15 of this title. Appointing authorities have control of positions within their agency and have the authority to organize their agencies, to create positions, to abolish positions and to prescribe or change the duties and responsibilities assigned to any position or employee at any time and shall determine the level within a job family at which duties and responsibilities are assigned. The Director of the Office of Management and Enterprise Services shall adopt rules establishing policies and procedures for appointing authorities to follow when determining the job family level at which duties and responsibilities are assigned within their agencies. Such rules shall include a process for review by the Office of Management and Enterprise Services of internal classification grievances of job family level assignments which cannot be resolved at the agency level. Individual audits of positions shall be conducted at the request of the appointing authority based on information provided by the agency. An incumbent employee will be given an opportunity to respond; however, the Office of Management and Enterprise Services will rely on the appointing authority for an official listing of the duties and responsibilities of the position.

B. The appointing authority has the responsibility to ensure that employees are properly classified and that the work performed conforms to the appropriate job family descriptor describing the position. Employees shall be classified in accordance with the work they are assigned on a regular and consistent basis as an integral part of their normal work assignment and job family descriptor. An employee has the right and responsibility to file a classification grievance, as provided by law and rule, when duties performed on a regular and consistent basis do not conform to the job family descriptor. An employee is entitled to the compensation assigned to the job family level for which duties were performed on a regular and consistent basis. This provision does not entitle the employee to a higher job family level. Agency classification and reclassification decisions shall not be subject to appeal to the Oklahoma Merit Protection Commission. However, the involuntary removal of a permanent employee in permanent status in a job family level to a lower level in the same job family or to another job family level assigned a lower pay band shall be considered a demotion. Such action may be appealed by the employee to the Oklahoma Merit Protection Commission. The Director of the Office of Management and Enterprise Services shall adopt rules pursuant to subsection A of this section which shall include a process for review by the Office of Management and Enterprise Services of internal classification grievances of job family level assignments which cannot be resolved at the agency level.

C. Job family descriptors shall be used for the purpose of distinguishing one job family from another as clearly and definitively as possible in order that positions may be properly allocated and employees may be properly classified in accordance with this section. Job family descriptors shall be applied in accordance with the following:

1. The position description questionnaire and job family descriptors shall be interpreted and applied as a composite picture of the job requirements. An employee is not required to perform all of the work operations described in a job family descriptor in order to be eligible for classification thereunder. An employee is not eligible or entitled to classification by reason of performing isolated or singular duties incidental to the job but which are described in another job family descriptor. Employees are entitled to the job family level they are currently assigned.

2. An employee normally performs some of the work of higher-rated jobs and some of the work of lower-rated jobs when required. The normal duties of an employee may include assistance to others.
3. An employee is required to perform the work operations and duties described or appraised as being covered by a job family descriptor pursuant to that degree or amount of guidance or instruction which is considered regular and consistent in order to qualify for the classification.

§ 840-4.4. Certain Knowledge and Sign Language Skills Required

When the appointing authority determines that certain knowledge and sign language skills are required in any position in order to effectively work with deaf or hard-of-hearing persons, such requirements shall be incorporated into the specifications of the appropriate job family descriptors. Such requirements shall not be construed as placing additional requirements on persons who are incumbents in such positions at the time such a determination is made.

§ 840-4.5. Repealed by Laws 1999, SB 464, c. 410, § 22, emerg. eff. June 10, 1999

§ 840-4.6. Pay Structure

A. The State of Oklahoma, to recruit, retain and motivate a quality workforce for the purpose of providing quality services to the citizens of Oklahoma, shall provide a compensation structure based on internal equity and external competitiveness balanced by the state's fiscal conditions. The state's goal shall be to provide a flexible and adaptable state employee compensation system based on the market data found in relevant public and private sector markets.

B. The Director of the Office of Management and Enterprise Services shall develop a compensation schedule for all career and executive service positions within the executive branch pursuant to the recommendations of the 2013 State Employee Total Remuneration Study, excluding institutions under the administrative authority of the Oklahoma State Regents for Higher Education. The Office may develop market-based occupational compensation structures. The compensation structures established pursuant to this section for all career and executive service positions shall be initially established and published by January 1, 2015, and shall thereafter be reviewed for revision annually. The provisions of this section are not subject to the provisions of Article I of the Administrative Procedures Act.

§ 840-4.7. Repealed by Laws 2014, HB 3293, c. 390, § 7, emerg. eff. July 1, 2014

§ 840-4.8. Designation of Housing Allowance

A. In order to allow state-employed chaplains to take advantage of federal tax provisions, the chief administrative officer of any state entity that employs chaplains may designate not to exceed forty percent (40%) of the salary of the chaplain as a housing allowance.

B. The Director of the Office of Management and Enterprise Services shall promulgate rules for the implementation of this section.

§ 840-4.9. Teachers' Rights, Privileges and Benefits

Certified teachers employed to serve as administrators, counselors, librarians or to teach by the state, under the Merit System of Personnel Administration, shall be entitled to all benefits granted other state

employees of the agency, board, commission, department or institution by which they are employed. Such teachers shall also be entitled to all benefits and privileges of their profession, including the right to participate in the Public Employees' Retirement System, or the Oklahoma Teachers' Retirement System at the option of the teacher and the right of membership and participation in the Oklahoma Education Association and all other professional associations and organizations of their choice.

§ 840-4.10. Enforcement of Teachers' Rights, Privileges and Benefits

A. The Superintendent of Public Instruction and the Director of the Office of Management and Enterprise Services shall enforce and carry out the provisions of Section 840-4.9 of this title.

B. The Director of the Office of Management and Enterprise Services shall act upon recommendation made by the Superintendent or his designee.

§ 840-4.11. Noncompetitive Appointments

The Director may promulgate rules to provide for the establishment of noncompetitive appointments including, but not limited to, the positions of unskilled labor, attendants, aides, food service helpers, or custodial or similar types of employment when the character of the work makes it impracticable to supply the needs of the service effectively by competitive examination. All such persons appointed shall serve a probationary period in accordance with the rules adopted by the Office of Management and Enterprise Services and the provisions of the laws of the State of Oklahoma and shall acquire permanent status and be subject to the same rules as other classified employees.

§ 840-4.12. Promotional and Entrance Examinations - Persons with Severe Disabilities - Special Disabled Veterans - Optional Hiring Procedure for Affirmative Action Goals

A. The Director of the Office of Management and Enterprise Services shall be responsible for conducting promotional examinations and entrance examinations as required under the Oklahoma Personnel Act. Such examinations shall be of such character as to determine the qualifications, fitness and ability of the persons tested to perform the duties of the job family or job family level for which such tests or examinations are given. Provided, however, tests and examinations of persons with severe disabilities who have satisfactorily completed vocational and technical education courses in vocational training units or divisions approved by the State Department of Rehabilitation Services shall be limited in scope so as to relate to the skill and physical capability required for a particular position. Adequate public notice shall be given of all examinations except for promotion within a department or agency. Notwithstanding any other provision of law, the Director may keep confidential all promotional examinations, entrance examinations, and any other testing materials, but the Director shall be required to disclose them pursuant to a valid order from a court of competent jurisdiction and establishment of a protective order prohibiting public disclosure of the examinations and materials.

B. No person shall be required to take an entrance examination for an appointment to a job family level requiring licensing by a state agency if that person has been previously tested and is currently licensed by the State of Oklahoma.

C. Promotional examinations for promotion within an agency, unless requested by the agency, shall not be required; provided that the promotion is in accordance with a plan adopted by the Director and is in accordance with a plan adopted by the promoting agency. Every employee promoted within an agency or following an intra-agency lateral transfer shall serve a six-month trial period in the job level to which the employee is promoted or transferred, unless the trial period is waived, in writing, by the appointing authority. However, when a Department of Human Services employee transfers from any job classification to become a Child Welfare Specialist I, II, III or IV, the trial period shall be for one (1) year. At any time during a trial period, the appointing authority may return the employee to the level from which the employee was promoted upon written notification by the appointing authority to the employee as to such action and the reason therefor, and the employee shall not have the right to appeal.

D. The Director shall accept Certificates of Proficiency issued by accredited private or public schools, colleges or the Oklahoma Employment Security Commission in lieu of typing and shorthand tests.

E. The Office of Management and Enterprise Services shall certify that a candidate meets the necessary job qualifications for a job family level in the classified service for the purpose of allowing that candidate to be appointed to a job. The Director of the Office of Management and Enterprise Services may delegate the certification function provided by this section to an agency pursuant to subsection A of Section 840-1.15 of this title. Any statute which creates any position or qualifications for any position in the classified service shall not be construed to limit the power of the Director to interpret or add to those qualifications in a reasonable manner consistent with the intent of the Legislature and the duties of that position. Any statute which empowers any agency head or other employer to hire or nominate persons for employment within the classified service shall not be construed to empower that agency head or other employer to waive or modify any qualification or rule for employment established by the Director. The Director shall not be construed to have the authority to limit or reduce any qualification established by statute for any position. The constructions established herein shall apply to any statutes or positions heretofore or hereafter created unless that statute clearly and specifically states that such constructions do not apply.

F. Subsections A through E of this section shall not apply to special disabled veterans who are considered for employment under the provisions of Sections 401 through 404 of Title 72 of the Oklahoma Statutes. Provided, said veterans may elect instead to be considered for employment according to the procedures set out in subsections A through E of this section.

G. Subsections A through E of this section shall not apply to persons with severe disabilities who are considered for employment under the provisions of this subsection. Provided, said persons may elect instead to be considered for employment according to the procedures set out in subsections A through E of this section.

1. As used in this subsection "persons with severe disabilities" means persons certified as having disabilities according to standards and procedures established by the Director. Said standards and procedures shall be developed by the Director of the Office of Management and Enterprise Services with the assistance of the Office of Handicapped Concerns, and the State Department of Rehabilitation Services.

2. Agencies of this state may employ persons with severe disabilities who are legal residents of the state in competitive and noncompetitive jobs. Except for the requirement of minimum qualifications specified in applicable job specifications, such persons with disabilities shall be exempt from entrance examinations and hiring procedures administered by the Office of Management and Enterprise Services pursuant to this section and Section 840-4.13 of this title.

3. Persons with severe disabilities hired pursuant to this subsection shall be appointed for a probationary period pursuant to Section 840-4.13 of this title.

4. Persons with severe disabilities hired pursuant to this subsection shall be subject to the rules of the Director of the Office of Management and Enterprise Services.

5. The Office of Management and Enterprise Services shall maintain records regarding the employment of persons with severe disabilities by state agencies and shall report the number of persons so employed in its annual report for the Office of Management and Enterprise Services required by Section 840-1.6A of this title.

H. 1. This subsection shall be known and may be cited as the "Fair Employment Practices Act".

2. Agencies of this state may use the optional hiring procedure provided in this subsection to employ females, blacks, Hispanics, Asian/Pacific Islanders and American Indians/Alaskan natives, as defined by the Equal Employment Opportunity Commission, who are legal residents of the state in competitive and noncompetitive jobs. Individuals must meet the minimum qualifications and pass any required examinations established by the Office of Management and Enterprise Services or by statute. Except for any required examinations and minimum qualifications specified in applicable job specifications, such persons shall be exempt from the hiring procedures administered by the Office of Management and Enterprise Services. Persons may only be employed under this subsection in a job family level, group or category which has been identified as underutilized and in which an appropriate hiring goal has been set in the state agency's affirmative action plan approved by the Office of Management and Enterprise Services. In addition, the appointing authority of the employing agency must determine that a manifest imbalance exists which justifies remedial action pursuant to this subsection in order to reach the affirmative action hiring goal. Provided further, that eligible war veterans, as defined by Section 67.13a of Title 72 of the Oklahoma Statutes, who are members of the group for which a hiring goal has been set shall be considered by the employing agency before a nonveteran is appointed pursuant to this subsection.

3. To be eligible for appointment, the persons who are members of the group for which a hiring goal has been set must score within the top ten scores of other available members of said group based on any examination or rating of education and experience.

4. Persons hired pursuant to this subsection shall be appointed for a probationary period pursuant to Section 840-4.13 of this title.

5. Upon acquiring permanent status, the employee shall be subject to the rules and regulations of the Office of Management and Enterprise Services and to full rights and entitlements of state employees in the classified service.

6. The authority for an agency to make appointments pursuant to this subsection shall be temporary and shall cease when the appointing authority of an agency can no longer justify remedial action pursuant to this subsection.

7. The Office of Management and Enterprise Services shall maintain records regarding the employment of persons by state agencies pursuant to this subsection and shall report the number of persons so employed in its annual report for the Office of Management and Enterprise Services required by Section 840-1.6A of this title.

§ 840-4.13. Certification to Appointing Authority - Broad Band Certification - Statewide and Local Registers - Professional Practice Licensure and Hard-To-Fill Positions - Probationary Period

A. Based upon the results of competitive entrance examinations and registers, as provided by the Oklahoma Personnel Act, the Director of the Office of Management and Enterprise Services shall certify to the appointing authority the names of the ten persons receiving the highest grade or score in said examinations plus all eligible applicants whose grade or score is tied with the lowest ranking of those so eligible.

B. In addition to establishing statewide registers pursuant to subsection A of this section, the Director is hereby authorized to promulgate rules creating a local register to fill a vacancy in a local office of an agency by providing a certificate of available names of eligible persons who are residents of the county where the local office is located or said county and adjacent counties or a group of contiguous counties comprising a service area of an agency. Available eligible residents shall be certified ahead of other available eligible persons who reside outside the area of the local register. In filling vacant positions, the appointing authority shall select any one of the persons whose names have been so certified and may give preference in all cases to persons who have resided in this state for at least one (1) year prior to the date of the examination. Provided, however, that any appointing authority authorized to employ persons who are not citizens of the United States, pursuant to Section 255 of this title, may request the Office to certify only the names of persons who are citizens of the United States in carrying out the provisions of this section; and such appointing authority may select any person so certified to the Director to fill such vacant positions even though a noncitizen may have received a higher grade on the examination. Provided, further, that any appointing authority may select special disabled veterans considered for employment pursuant to Sections 401 through 404 of Title 72 of the Oklahoma Statutes. The Department of Public Safety, in filling vacancies for Highway Patrol Cadets, may disqualify any eligible whose name has been certified for Highway Patrol Cadet pursuant to subsection A of this section, if the Department of Public Safety considers the eligible in connection with the hiring of three other eligibles pursuant to subsection A of this section from that certificate. The name of such disqualified eligible shall be omitted from further certification to, and consideration by, the Department of Public Safety for appointment as a Highway Patrol Cadet to the Highway Patrol Academy for which vacancies are being filled. Such disqualification shall neither deprive any person of any preference pursuant to paragraph 3 of subsection A of Section 840-4.14 of this title nor deprive any person from certification to, and consideration by, the Department of Public Safety for appointment as a Highway Patrol Cadet to a subsequent Highway Patrol Academy. The Department of Public Safety shall provide written notice of the disqualification to the Office of Management and Enterprise Services. The

Department of Corrections, in filling vacancies for Correctional Officer Cadets and Probation and Parole Officers, may disqualify any eligible whose name has been certified for Correctional Officer Cadet or Probation and Parole Officer, pursuant to subsection A of this section, if the Department of Corrections considers the eligible in connection with the hiring of three other eligibles pursuant to subsection A of this section from that or any other certificate. The name of such disqualified eligible shall be omitted from future certification to, and consideration by, the Department of Corrections for appointment as a Correctional Officer Cadet or Probation and Parole Officer for a period of six (6) months, at which time the eligible may request restoration to the register by the Office of Management and Enterprise Services. Such disqualification shall not deprive any person of any preference pursuant to paragraph 3 of subsection A of Section 840-4.14 of this title. The Department of Corrections shall provide written notice of the disqualification to the Office of Management and Enterprise Services.

C. Agencies may fill positions requiring professional practice licensure and hard-to-fill positions pursuant to authorization by the Director without regard to subsections A and B of this section. The Director shall promulgate rules to authorize agencies to fill positions directly, pursuant to this subsection. Such rules shall include criteria for identifying professional practice licensure positions and hard-to-fill positions which shall not require establishment of an employment list of eligible persons or the application of veterans preference. The Director shall monitor appointments made by agencies pursuant to this subsection and shall establish recordkeeping and reporting procedures and the conditions under which the Director may withdraw authorization for agencies to directly hire persons into hard-to-fill positions. Nothing in this subsection shall be construed to waive any requirement for any job or position established by statute or the Director.

D. Every person, except as provided in subsection E of this section, upon initial appointment under the classified service, shall be appointed for a probationary period of one (1) year, except that the appointing authority may waive in writing the remainder of the probationary period at any time after a probationary employee has served six (6) months; provided, however, that the employee and the Director of the Office of Management and Enterprise Services shall be notified in writing as to such action and the reason therefor. The probationary appointment of any person may be terminated at any time during the probationary period without the right of appeal. At the close of the probationary period, as herein provided, said person shall acquire a permanent status under the conditions prescribed in the Oklahoma Personnel Act.

E. Every person initially appointed under the classified service as an agent of the Alcoholic Beverage Laws Enforcement Commission shall be appointed for a probationary period of one (1) year.

F. In working with appointing authorities in determining minimum qualifications for a position, the Director of the Office of Management and Enterprise Services shall require an appointing authority to justify in writing any reasons for excluding from consideration relevant public or private sector experience applicable to the position.

§ 840-4.14. Preferences

A. In establishing employment lists of eligible persons for competitive and noncompetitive appointment, certain preferences shall be allowed for honorably discharged veterans as defined by Section 67.13a and Section 67.13b of Title 72 of the Oklahoma Statutes. In determination of the register rank:

1. Five points shall be added to the final grade of any person who has passed the examination and has submitted proof of having status as a veteran or unremarried surviving spouse of a veteran;
 2. Five points shall be added to the final grade of any person who has passed the examination and has submitted proof of having status as a spouse of a veteran who is unemployable due to a service-connected disability as certified by the Department of Veterans Affairs or agency of the Defense Department within six (6) months of date of application; and
 3. Ten points shall be added to the final grade of any veteran who has passed the examination and has submitted proof of having a service-connected disability as certified by the Department of Veterans Affairs or agency of the Defense Department within six (6) months of date of application.
