PLANNING

FOR YOUR INSURANCE NEEDS

AS A FORMER EMPLOYEE

2022

Employees Group Insurance Division
This guide will lead you through the steps to continue your insurance after leaving active employment and explain which included forms you must complete.

Your member status

When you leave active employment, you are given a member status based on your vesting right with a state funded retirement system or your years of employment service. There are four member status categories:

- **Vested** – You have worked long enough to keep insurance benefits and you contributed to a retirement system, but you are not ready to draw your retirement benefits.
- **Non-vested** – You have worked long enough to keep insurance benefits, but you did not contribute to a retirement system that participates with the Employees Group Insurance Division, or you withdrew your contributions from your retirement system.
- **Retiree** – You have worked long enough to leave active employment, keep insurance benefits and draw your retirement benefits.
- **Defer** – You have worked long enough to qualify as a vested, non-vested or retiree member, but you elect to transfer your health, dental or vision insurance to your spouse’s current insurance through EGID.

If you leave active, lose coverage because of reduced hours or your employment is terminated for reasons other than gross misconduct, you can continue health, dental and vision coverage for up to 18 months under the Consolidated Omnibus Budget Reconciliation Act.

Coverage continued under COBRA is temporary. If qualified, you are encouraged to continue coverage under one of the other status options.

Years of service you need to continue insurance at retirement

- **Teachers’ Retirement System (TRS)** – Ten years minimum of creditable service.
- **Oklahoma Public Employees Retirement System (OPERS)** – Eight years minimum of creditable service.
- **Oklahoma Law Enforcement Retirement System (OLERS)** – Eight years minimum of creditable service.
- **Oklahoma Pathfinders Plan** – Five years minimum of creditable service.
- **Other or no retirement system** – Employment years may qualify as creditable service to continue insurance. Contact Member Services for specific information.

Plan premiums

Refer to the premium rate charts in this guide.

**Premium payment options**

- **Retirement check deduction** – Your monthly premium is automatically withheld from your retirement check.
- **Direct bill** – You are directly billed for your monthly premium, and your premium is due by the 20th of each month.
- **Automatic draft** – Your monthly premium is automatically drafted from your checking account on or around the 20th of each month. To elect this option, select the direct bill option on the Application for Retiree/Vested/Non-Vested/Defer Insurance Coverage (Page A2) and provide EGID an Electronic Fund Transfer Authorization form and a voided check. This form is available on the EGID website or by contacting member services.

Refer to Contact Information at the end of this guide.
Your retirement system may contribute toward your health insurance premium.

- TRS contributes between $100 to $105 monthly.
- OPERS contributes $105 monthly.
- OLERS contributes $105 monthly.
- Pathfinders does not contribute.

The premiums listed in this guide do not reflect any retirement system contribution.

When you leave active employment

Keep all the coverage you think you will need in retirement. You can drop or reduce benefits later, but you cannot add health, dental or life insurance after you leave active employment.

Retirement is not a qualifying event that allows you to make plan changes unless you or your covered dependent is Medicare eligible. All covered dependents must enroll in the same plan. For example, if you are enrolled in an MAPD plan, your pre-Medicare dependents must enroll in the HMO option of that plan. If you move out of your health plan’s service area, you are allowed to change health plans within 30 days of your move.

EGID Administrative Rule 260:50-3-13 (rev. September 2014), states that you must return to work for an EGID participating employer, with the same retirement system, for three years to qualify to retain benefits not elected upon ceasing current employment.

If your employer offers these benefits through EGID, the following rules apply:

**Health and dental insurance** – You can add, keep, drop or defer coverage within 30 days of leaving active employment.

**Vision insurance** – You can add, keep, drop or defer coverage within 30 days of leaving active employment or during the annual Option Period.

Once you leave active employment, vision insurance is the only benefit that can be added during the annual Option Period.

**Life insurance** – You can keep, reduce or drop life coverage you have in place at the time you leave active employment. You must make the election within 30 days of leaving active employment. You cannot add or increase life insurance at retirement. Life insurance cannot be deferred and must be kept in your retirement account.

Life insurance must be kept in $5,000 units. Refer to the premium charts included in this guide.

Life insurance continued at retirement does not include Accidental Death and Dismemberment benefits.

If you continue life insurance coverage when you leave active employment, it is very important to keep your beneficiary information current. If you are unsure of your beneficiary designations, please complete the Beneficiary Designation Form (Page D1). Instructions are on the back of the form.

HealthChoice must pay life benefits to the beneficiaries listed on the most recent beneficiary designation. If there is no signed beneficiary designation, benefits are paid to the estate.

**Coverage for your dependents**

You can add, keep or drop health, dental and vision coverage for your spouse and other eligible dependents at retirement; however, dependent life insurance must be in effect before you leave active employment. Dependent coverage must be with the same carrier as the member.
You can exclude your spouse from health, dental and vision coverage and cover your other eligible dependents. Your spouse must sign the Spouse Exclusion Certification section of the Application for Retiree/Vested/Non-Vested/Defer Insurance Coverage (Page A2).

If you add or keep coverage for your dependent children, including disabled dependents, you must cover all your eligible dependents up to age 26.

You can exclude dependents from coverage if they have other group coverage or are eligible for Indian Health Services or military health benefits. You can also exclude eligible dependents who do not reside with you, are married or are not financially dependent on you.

After retirement, you cannot add dependents to any coverage except vision, unless one of the following qualifying events occurs:

- Birth of a child.
- Your spouse or eligible dependents lose other group coverage.
- You marry.
- You adopt or gain legal guardianship of a child under age 26.

You must add your spouse and any eligible dependents within 30 days of the qualifying event.

**Dependent life insurance**

You can keep dependent life insurance in effect at retirement but cannot add or increase it later. It must be kept in $500 units and each covered dependent pays a separate, individual premium.

- **For your spouse** – The amount you keep for your spouse can be different from the amount you keep for your covered dependents.
- **For your dependents** – The amount you keep must be the same for each covered dependent.

**If you decide to work past age 65**

If you decide to work past age 65, you may contact Social Security to delay your enrollment in Medicare Part B. Your employer insurance will be primary payer while working. Since all insurance offered through EGID is creditable coverage, you will not be assessed a penalty once employer insurance ends.

**When you turn age 65 after you leave active employment**

If you are close to age 65 and are not receiving Social Security benefits, you need to enroll in Medicare Part A and Part B.

To enroll, contact Social Security at least three months before you turn age 65. By enrolling early, you avoid any delay in the start of your Medicare coverage.

**COBRA**

To comply with federal guidelines, a COBRA packet will be mailed to you when you leave employment. Do NOT complete this packet if you are electing to continue your insurance coverage as a Former Employee.
The Enrollment Process

If you are not yet eligible for Medicare

To continue your insurance

You must complete the Application for Retiree/Vested/Non-Vested/Defer Insurance Coverage (Page A1) and return it to EGID.

To defer (transfer) your coverage to your spouse’s plan

If your spouse works and is currently enrolled in coverage through EGID, you can transfer your health, dental and vision coverage to your spouse’s coverage as a dependent.

Life insurance cannot be deferred and must be kept in your retirement account.

To transfer your coverage to your spouse’s plan:

- Mark Defer on the Application for Retiree/Vested/Non-Vested/Defer Insurance Coverage (Page A1-A2) and return it to EGID.
- Your spouse must contact their employer to add you to their coverage as a dependent.
- Any retirement system contribution paid toward your health insurance premium will not be paid during the deferral period.

As long as your former employer group continues to participate with EGID, you can transfer your coverage back to your own EGID account at any time by completing the Application for Retiree/Vested/Non-Vested/Defer Insurance Coverage.

If you are eligible for Medicare

About Medicare

Medicare is the federal health insurance program for people age 65 or older, people under age 65 with certain disabilities and those with end-stage renal disease or amyotrophic lateral sclerosis.

- Medicare Part A pays for hospitalization services.
- Medicare Part B pays for doctor and outpatient medical services. Call Social Security for information on your Part B premiums. Refer to Contact Information at the back of this guide.
- Medicare Part D pays for prescription drug coverage. All the plans offered through EGID provide Part D coverage. This means the plans all meet the benefit guidelines set by Medicare for creditable prescription drug coverage.

Your enrollment in Medicare is handled in one of two ways:

- Automatic enrollment (depending on your individual circumstances).
- Application for enrollment. You should apply three months prior to turning 65 to avoid a possible delay in the start of your coverage.

Contact Social Security for more information.
To continue your insurance and enroll in a Medicare supplement or MAPD plan

There are two forms you must complete to continue your health coverage

- You must also complete the form associated with the plan you are enrolling in – the Application for Medicare Supplement With Prescription Drug Plan or the Application for Medicare Advantage Prescription Drug (MAPD) Plan.

Refer to Page 9 for the available Medicare plans.

To enroll in a Medicare supplement plan

A Medicare supplement plan helps pay for some of the remaining out-of-pocket costs that original Medicare doesn’t pay, such as copayments, coinsurance and deductibles. A Medicare supplement plan is in addition to original Medicare. To participate in a Medicare supplement plan, you must be entitled to benefits under Medicare Part A. EGID has three Medicare supplement plans. BCBSOK-BlueSecure requires Part B enrollment to participate in their plan. HealthChoice SilverScript High and Low Option Medicare Supplement plans do not require you to be enrolled in Part B, but pay benefits as if you are.

To enroll in a Medicare supplement plan, complete and return the Application for Medicare Supplement With Prescription Drug Plan (Page B1). You must provide your Medicare ID number to coordinate your benefits with Medicare.

To enroll in a Medicare Advantage Prescription Drug plan

MAPD plans contract with Medicare to provide benefits for Medicare Part A and Part B covered services, as well as Part D prescription drug benefits.

You must be enrolled in Medicare Part A and Part B to be eligible for enrollment. When you enroll in an MAPD plan, the plan replaces Medicare as your primary insurer. To be eligible to enroll in an MAPD HMO, you must also live in the plan’s approved ZIP code service area. You can receive services only within the plan’s network. To be eligible to enroll in an MAPD PPO, you may live anywhere in the United States. You can receive services anywhere in the U.S. as long as the provider is a Medicare eligible provider and accepts the plan’s payment terms and conditions.

To enroll in an MAPD plan, you must complete and return the Application for Medicare Advantage Prescription Drug (MAPD) Plan (Page C1). Be sure to provide your Medicare ID number on your application.

Enrollment deadline

If you are not eligible for Medicare

EGID Administrative Rules allows 30 days from the day your active insurance ends to elect to begin or continue your insurance.

Failure to add, keep or defer coverage within 30 days of your active coverage ending cancels eligibility in the plans offered through EGID.

If you are eligible for Medicare

It is important that your application is received at least 30 days prior to the day you leave active employment. This gives EGID enough time to process applications and resolve problems before coverage is effective. It also prevents delays in enrolling in a Part D prescription drug plan.

If your application is not received prior to your employment termination, you may be enrolled in a HealthChoice Medicare supplement plan that includes creditable prescription drug benefits, but not Part D prescription drug benefits, until the first of the following month. This is to prevent you from having a break in coverage. Be aware the premium for this temporary plan is higher.
Plan ID cards

If you enroll in a Medicare plan through EGID, a new ID card will be issued. Do not destroy your current cards until you receive your new ones.

If you move outside your plan’s service area

If you are not eligible for Medicare

If you are enrolled in an HMO plan and move outside your plan’s ZIP code service area, you must notify EGID in writing of your new address. To continue your health coverage, you will need to select a new plan that is in your service area.

If you are eligible for Medicare

If you are enrolled in an MAPD HMO plan and move outside your plan’s ZIP code service area, you must contact EGID to disenroll. To change your coverage to a plan including Part D prescription drug benefits, you must complete an Application for Medicare Supplement With Prescription Drug Plan or an Application for Medicare Advantage Prescription Drug (MAPD) Plan.

Address information

It is important to keep your mailing and email addresses current, or you risk delaying claims processing or missing important communications. Medicare requires that you report any change in your home address to your insurance plan.

Contact EGID Member Services for a Change of Address form, or submit a written request to:

EGID
P.O. Box 11137
Oklahoma City, OK 73136-9998

You can fax requests for changes to 405-717-8939. Verbal requests for address changes are not accepted.

Confirmation statement

When you enroll as a former employee or make changes to your coverage, EGID mails you a confirmation statement which lists the coverage you are enrolled in, the effective date of your coverage and the premium amounts.

Check it carefully. If incorrect, immediately contact EGID Member Services. Corrections must be submitted to EGID within 60 days of the election. Corrections reported after 60 days are effective the first of the month following notification. Refer to Contact Information at the back of this guide.

Option Period

After you leave active employment, EGID mails your Option Period materials directly to you.

To make plan changes, complete your Option Period form and return it directly to EGID. Keep a copy of your form for your records. EGID will mail you a confirmation statement.

If you have no plan changes, do not return your form. You will not receive a confirmation statement.

Retirement information can be found at oklahoma.gov/omes.

You can carry health, dental, vision and life insurance on yourself and your dependents.

The health, dental and life coverage you take into retiree/vested/non-vested status is the only coverage you can have with EGID through your retirement years. If you do not keep coverage now, you cannot add it later. Plan changes can be made during the annual Option Period.

If you are insuring one dependent, you must insure all eligible dependents (for any given coverage) unless they are covered by other insurance or Indian or military benefits. Children who have Indian or military benefits or other insurance may be required to show proof of coverage.

Following your retirement, dependents can be added only within 30 days of one of the following events: birth, adoption or guardianship, marriage or loss of other group insurance.

**DEFER INSTRUCTIONS:** If your spouse has separate coverage through EGID at the time you terminate employment, you can transfer your individual health, dental and/or vision coverage to dependent coverage under your spouse’s coverage. Your spouse must contact their employer to add you as a dependent. You must elect to transfer coverage within 30 days of your termination of employment. Any 30-day break in coverage voids your eligibility to keep coverage in the future. Life insurance cannot be deferred and must be carried as a primary retiree/vested/non-vested member. When you are ready to return to retiree/vested/non-vested status, you must again complete this form and mark the box on Page 1 of your form to cancel your deferment.

**THINGS TO CONSIDER AS A RETIREE WHEN YOU BECOME MEDICARE-ELIGIBLE**

**IMPORTANT:** If you are under age 65 and eligible for Medicare, you must notify EGID and provide your Medicare number as it appears on your Medicare card. Medicare supplement coverage is effective the date you become eligible for Medicare or the first day of the month following notification of your Medicare eligibility, whichever is later.

When you turn age 65, you have the option to enroll in either a Medicare supplement with prescription drug plan or a Medicare Advantage prescription drug plan.

**BCBSOK-BlueSecure and all MAPD plans offered through EGID require you to have both Medicare Part A and Medicare Part B.**

If you are eligible and do not enroll in Medicare Part B, there are two Medicare supplement plans available to you: HealthChoice SilverScript High Option Medicare Supplement Plan and HealthChoice SilverScript Low Option Medicare Supplement Plan. All medical benefits under these plans are paid as if you are enrolled in both Medicare Part A and Part B. If you are not enrolled in Medicare Part B, your plan will estimate Medicare’s benefits and provide supplemental coverage as if Medicare is the primary carrier. This means HealthChoice pays secondary and you are responsible for the primary share of the claim.

For information concerning HMO, MAPD, Medicare supplement, dental or vision plans, contact their customer service numbers.

For information regarding enrollment, or to obtain an application for a Medicare supplement plan or MAPD plan, call 405-717-8780 or toll-free 800-752-9475 or TTY 711 or contact:

Instructions for Completing the Beneficiary Designation Form

This beneficiary form applies to the HealthChoice Life Insurance Plan offered through the Office of Management and Enterprise Services Employees Group Insurance Division. If you are retired, it does not affect the beneficiaries for any death benefit you may have through your retirement system.

The beneficiary designations you make on this form replace and cancel all prior life insurance beneficiary designations with EGID. Your designations do not become effective until this form is signed and received by EGID. Do not alter this form or attach additional pages.

It is very important that you provide the full legal name, address, relationship, date of birth and Social Security number of each beneficiary you designate. This information is essential in ensuring that your named beneficiaries can be located and receive your intended benefit amount. The Beneficiary Designation Form has three parts: Member Information, Primary and Contingent Beneficiary Designation and Signature. Please print clearly in ink.

**Employer Name** – Provide the name of your employer. This information is not required of a former employee/retiree.

**Member Information** – Provide your name, SSN or Member ID and address.

**Primary Beneficiary Designation** – You can designate one or more primary beneficiaries. All primary beneficiaries share equally, unless you note otherwise. In the event that multiple primary beneficiaries are named and a primary beneficiary dies before or simultaneously with you, the remaining primary beneficiary(ies) will be entitled to equal share of the deceased beneficiary’s designated benefit amount.

**Contingent Beneficiary Designation** – You can designate one or more contingent beneficiaries. Contingent beneficiaries receive benefits only in the event all primary beneficiaries die before or simultaneously with you. All contingent beneficiaries share equally, unless you note otherwise on your form. In the event that multiple contingent beneficiaries are named and a contingent beneficiary dies before or simultaneously with you, the remaining contingent beneficiary(ies) will be entitled to equal share of the deceased beneficiary’s designated benefit amount.

**Signature** – You must sign and date your form.

**Special Beneficiary Designations**
Sometimes members wish to make a special designation for trusts, minors or institutions. If you wish to make a special designation, please read the following information carefully.

**Designating a trust as beneficiary** – To designate a trust as beneficiary, provide the actual name of the trust and the date the trust was created in the space provided.

**Designating a minor as beneficiary** – A minor can be named your beneficiary; however, it is often difficult and costly for a minor to receive payment, especially if the amount exceeds $10,000. Before you designate a minor as your beneficiary, you should consult an attorney or professional financial advisor.

**Designating an institution as beneficiary** – To designate an institution (church, charity, funeral home, etc.) as your beneficiary, provide the full name of the institution and list the address in the space provided.

**After you complete and sign the Beneficiary Designation Form, mail it to:**
