

# STATE USE PROCUREMENT SCHEDULE

Updated October 2022

**OKLAHOMA**  
Office of Management  
& Enterprise Services

# INTRODUCTION

As prescribed in the State Use Statute (Title 74, Chapter 48, Section 3004), this procurement schedule contains all products and services available by qualified organizations in the State Use Program.

## TABLE OF CONTENTS

---

### QUALIFIED ORGANIZATIONS

---

Each organization approved by the State Use Committee.

---

### MANDATORY

---

These products and services have an established fair market value set and have been approved by the State Use Committee. Each of these items has been assigned to a State Use Statewide Contract. This tab was created to simplify the search for mandatory items. Further detail is provided in the respective contract.

---

### SUITABLE TO PROCURE

---

These products and services are available from the State Use vendors but have not received a fair market price. The purchase of these products and services is not mandatory. However, the qualified organization should be involved in the purchasing process, i.e., RFPs, ITBs, phone quotes, etc.
