DATE: Oct. 18, 2024.

Procurement professionals,

An updated version of the [ratification form](#), CP131, has been published to the [CP Library](#). OMES Central Purchasing has changed the wording in the form in response to concerns from agencies; the word "unauthorized" has been changed to "unencumbered."

Please use the updated form for ratifications of unencumbered purchases.

Thank you,

Amanda Otis, Esq.
State Purchasing Director
