Re: E-Verify Temporarily Unavailable

We have been notified that E-Verify is temporarily not available due to technical difficulties, and unfortunately, the issue is causing errors within Workday. While E-Verify is unavailable, employers will not be able to fully access their E-Verify accounts and process cases.

Employers must continue to complete and retain the Form I-9 for every person hired to work for pay in the U.S. within the required timeframes.

We apologize for any inconvenience this may cause.
