Re: EQuest recruiting tool not being renewed

Attention agency HR and recruiters:

Based on recruiting data, OMES HCM has decided not to renew the EQuest vendor contract. This service will end June 30, 2023.

This vendor was chosen to integrate with Workday@OK to assist in pushing state jobs to major recruiting websites. However, analysis shows the tool has not been effective in increasing the visibility of state jobs. Indeed picks up jobs directly from Workday@OK, which has been much more effective.

OMES HCM encourages feedback from agencies while in the process of deciding whether to pursue a different vendor. Please reach out to liz.brandon@omes.ok.gov if you have any questions.

Thank you,

Liz Brandon
Director of Workday Operations
