## **CPO Announcement**

**State of Oklahoma**  
**Office of Management and Enterprise Services**

**DATE:** June 18, 2024.

**TO:** All CPOs.

**FROM:** OMES Information Services.

**SUBJECT:** Yealink equipment on SW1021 AV contracts.

**CONTACT:** Barry Timberlake, [barry.timberlake@omes.ok.gov](mailto:barry.timberlake@omes.ok.gov).

**PURPOSE:** OMES Information Services has made the decision to disallow Yealink hardware/systems from the state network due to security concerns. Quotes from AV suppliers should provide sufficient detail and define the manufacturer of any AV or conference room devices that are selected for purchase.
