CPO Announcement

State of Oklahoma
Office of Management and Enterprise Services

DATE: May 11, 2026

TO: All CPOs

FROM: Office of Management and Enterprise Services

SUBJECT: OMES Assessment team transition

CONTACT: [Jennifer Smith](#), Procurement Audit and Compliance manager

To centralize state purchasing functions, the OMES Assessment team is moving to the Central Purchasing division under the new name **Procurement Audit**. This transition aligns our resources and services, ensuring consistent direction and oversight for statewide procurement.

What this means for you:

- **General operations:** Procurement Audit will continue reviewing and flagging transactions in Celonis as usual. You may notice the team's updated name and contact details within Celonis, but all workflows will remain the same.
- **New contact email:** Please send future inquiries to cp.audit@omes.ok.gov. The previous email (rac@omes.ok.gov) has been reassigned and no longer supports Procurement Audit requests.
- **ServiceNow update:** Procurement Audit request items will soon be available as part of the Central Purchasing catalog. We will share more information in the upcoming weeks.

Thank you for your partnership as we welcome the Procurement Audit team to Central Purchasing!
