OMES Central Purchasing has consulted with our legal team to clarify the requirements for using [Form CP004](#), the non-collusion certification, when making purchases over \$25,000 off statewide contracts. We have determined Form CP004 is **not required** for releases issued under statewide contracts.

Please apply this guidance for all applicable purchases moving forward. The [Oklahoma Purchasing Manual](#) will be updated after the end of the fiscal year to incorporate this guidance.
