

## **Child Care Center Provider Request for Proposals**

### **First amendment to the request for proposals**

#### **Notice of submission deadline extension to March 6, 2026**

The Oklahoma Office of Management and Enterprise Services has received presubmission questions from an interested party. To ensure that all interested parties have equal access to information that may affect the terms of their submission, OMES is preparing formal responses to these questions, which will be made publicly available at <https://oklahoma.gov/omes/divisions/capital-assets-management/real-estate-leasing-services/opportunities.html>.

As these responses may affect the details of submitted proposals, and to provide all interested parties with sufficient time to read these responses and incorporate relevant information into their proposals, **the submission deadline for proposals has been extended to March 6, 2026, at 3 p.m. CST.** Please continue to reference the request for proposals document for all other details and instructions about the request for proposals process.
