State procurement professionals,

The [Staples Business site](#) is now available for agencies to browse and purchase State Use items. Select the following link to create a [Staples Business account under the State of Oklahoma profile](#).

Once you have created and verified your account, you can begin shopping with Staples. Review the [Staples Business user guide](#) to learn more about navigating the website.

If you encounter technical difficulties or have any additional questions regarding the State Use Program, please contact State Use Administrator [Cristi Cole](#).

Thank you!
