RULEMAKING ACTION:

Notice of proposed PERMANENT rulemaking

PROPOSED RULES:

Subchapter 5. Budgeting and Business Management
Part 1. Implementation
210:25-5-4. Accounting [AMENDED]

SUMMARY:

This rule proposes a change to the deadlines for a statement of actual income and expenditures of the district or charter school for the fiscal year that ended the preceding June 30. In particular, this change would move the deadline for additional corrections from September 30 to November 1. Additionally, the rule proposes the removal of the further "good cause" second extension for districts, as moving the first extension deadline to November 1st would render the "good cause" statement unnecessary.

TITLE 210. STATE DEPARTMENT OF EDUCATION CHAPTER 35. STANDARDS FOR ACCREDITATION OF ELEMENTARY, MIDDLE LEVEL, SECONDARY, AND CAREER AND TECHNOLOGY SCHOOLS

[OAR Docket #23-979]

RULEMAKING ACTION:

Notice of proposed PERMANENT rulemaking

PROPOSED RULES:

Subchapter 3. Standards for Elementary, Middle Level, Secondary, and Career and Technology Schools
Part 22. Standard XII: Academic Performance
210:35-3-210. Purpose [NEW]
210:35-3-211. Applicability of the Standard [NEW]
210:35-3-212. Metrics for Academic Deficiencies [NEW]

SUMMARY:

These rules would comply with the Legislature's requirement that accreditation standards be consistent with an academic results-oriented approach. The rules propose requiring that a school district must provide enough instruction

that at least half its students reach the basic performance level or above in state assessments for English Language Arts and Math. When a school district fails to meet that measurement, it receives an academic deficiency and may face additional scrutiny for repeated academic failure.

SUMMARY:

Many of the proposed amendments in Chapter 15 are part of an ongoing effort to update the title due to the implementation of online voter registration. Proposed amendments in Part 1 of Subchapter 5 were necessary to conform the language with state statute. The State Election Board is proposing a new rule in Subchapter 9. This would allow the agency to provide notice to a voter's previous state of residence when the voter submits a new Oklahoma Voter Registration Application indicating such previous residence information. The updates in Part 1 of Subchapter 11 relate to new legislation from 2023 (Senate Bill 377), which added additional reasons for canceling a voter's registration, such as when the court clerk excuses a registered voter from jury duty for being a non-citizen.

SUMMARY:

Amendments are necessary to clarify remedies for administrative appeals made by consultants or contractors, and to allow certain building inspections to be conducted when in the best interest of the State. Amendments are also proposed to increase the amount of insurance that is required on state construction projects in order to adequately protect the interest of the State. Additional amendments are proposed to codify and clarify fees charged for construction and contracting services. Previously, certain fees were grouped together, and OMES is proposing to specify each fee individually for clarification and transparency. The proposed fees do not represent any increase, except for the addition of a 1% fee for project management and contract administration on emergency projects. Amendments may also be made to modernize language, streamline processes, correct scrivener's errors, and simplify and clarify the rules.

SUMMARY:

The proposed revisions to the rules: add definitions of words, phrases, and terms to add clarification to terms used in the rules; reduce the inactive Class 10 permit renewal fee to three hundred fifty dollars (\$350.00) from four hundred dollars (\$400.00); add a new endorsement for the Class IV permit for recreational home maintenance personnel; increase the initial inspection fee and the annual reinspection fee for a Class VIII Un-Odorized LPG permit from one hundred dollars (\$100.00)

to two hundred fifty dollars (\$250.00) to account for increased costs to the agency related to inspections; add "Fuel Handler Permit" to the list of permit types that may be required for Class I dealers; and to add language that was erroneously struck in 2021 regarding possible offenses for disciplinary action.

The fees for the inspections of Class VIII Un-Odorized LPG Permit were added last year and the costs associated with these inspections are higher than initially anticipated. By raising these costs that Administration is able to better offset the costs to the Administration of sending Officers to the same facility multiple times due to applicant's improper construction and/or installation of LPG devices.

- 435:15-11-1. Prescriptive and dispensing authority [AMENDED]
- 435:15-11-2. Drug formulary [AMENDED]

SUMMARY:

The proposed rule amendments add a definition for "Delegating physician" and expand the definition for "On-site." The proposed amendments allow a physician to serve as the delegating physician for an unlimited number of PAs if the delegating physician physically practices at least 50% of the time in the state of Oklahoma during a calendar year. However, it restricts a physician from serving as the delegating physician for more than a total of six physician assistants at any one time who are delegated outpatient schedule II prescribing authority. The proposed revisions also make amendments to the PA prescription authority by, including but not limited to, allowing PAs to prescribe Schedule II drugs while removing the limitation of writing prescriptions only "on site" and authorizing prescriptions for non-controlled medications to be written for up to a 100-day supply with three refills. Additionally, the rules propose amended application and practice agreement requirements, and revoke the requirements for practicing locum tenens in Oklahoma in harmony with current law. The rules also eliminate the requirement for an inclusive formulary relating to the prescribing ability of PAs.

SUMMARY:

The proposed permanent rules implement legislative changes mandated by SB 18X, HB 3929, HB 4056, SB 813, SB 1704, SB 913, and HB 2095; address changes in statute under 63 O.S. § 426, 63 O.S. § 427.6, 63 O.S. § 427.14, 63 O.S. § 427.14a, 63 O.S. § 427.17, 63 O.S. § 427.19, 63 O.S. § 427.20, 63 O.S. § 427.25, and new requirements in 63 O.S. § 427.14b, 63 O.S. § 427.17a, and 63 O.S. § 427.26. The permanent rules are intended to provide a structure for the implementation of these legislative requirements. The proposed permanent rules also seek to address the risk to public health and safety posed by increasing occurrences of fires and explosions at licensed medical marijuana businesses. Further, the proposed permanent rules provide clarity on tagging, storing, testing, and retesting medical marijuana and medical marijuana products.

Amendments to OAC 442:10-8-1, OAC 442:10-8-2, OAC 442:10-8-3, OAC 442:10-8-4, and OAC 442:10-8-5 establish new laboratory testing requirements effective June 1, 2024. Amendments to OAC 442:10-5-4(l) allow the Authority to employ secret shoppers to inspect licensed commercial medical marijuana businesses. Amendments to OAC 442:10-8-5 allow the Authority to operate a quality assurance laboratory or to contract with a private laboratory. Amendments to OAC 442:10-5-1.1(f) and OAC 442:10-5-16(v) require employees of a medical marijuana business to apply for and receive a credential authorizing the employee to work in a licensed medical marijuana business. The requirement that the Legislature receive all monies from sales tax proceeds collected on medical marijuana and all monies collected from fines and fees is added to OAC 442:10-5-7(h).

Amendments implementing changes to commercial licensing fees occur in OAC 442:10-1-4, OAC 442:10-5-2(b), OAC 442:10-5-3(e)(15), and OAC 442:10-5-6(b)(6)(A). Amendments to supplemental materials required to be submitted by licensees occur in OAC 442:10-3-1(d); OAC 442:10-4-3(e)(6); OAC 442:10-5-2(e)(2)(A)(iii); OAC 442:10-5-3(e)(9); and OAC 442:10-9-3(e)(9). OAC 442:10-1-5(a) is amended to include the national fingerprint-based background check requirement. Amendments to OAC 442:10-4-4 allow the Authority to perform unannounced, on-site inspections. OAC 442:10-5-2(b) is amended to include language regarding one medical marijuana commercial grower license issued for any one property. OAC 442:10-5-3(h) is amended to extend the dates of the current moratorium on processing and issuing new medical marijuana business licenses. OAC 442:10-5-6.1(h) is amended to include penalties for medical marijuana business licensees intentionally not remitting taxes. The prohibition that commercial growers shall not hire or employ undocumented immigrants is included in OAC 442:10-5-16(u).

The amendments require applicants for a commercial grower license to submit to the Authority a bond covering the permit area upon which the business licensee will initiate and conduct commercial growing operations or an attestation that the permit area on which the licensee operates the commercial growing operation has been owned by the licensee for at least a five (5) year period prior to submission of application. OAC 442:10-5-1.1 is amended to include the required bond or attestation and requires that information be updated. OAC 442:10-5-2(e) requires business licensees submitting material change requests to include information regarding the bond or attestation and requires licensees notify the Authority in writing of any change to or cancellation of a bond. OAC 442:10-5-3(e)(13) adds the required grower bond or attestation to the list of supporting documentation required to be submitted by licensees. OAC 442:10-5-3.3 is a new section governing the required commercial grower bond and includes specific bond requirements and application materials required to be submitted by licensees. The prohibition that growers shall not engage in any commercial growing operations without a bond or attestation is added to OAC 442:10-5-16(t).

Subchapter 11 and OAC 442:10-11-1 establish a voluntary process validation program for commercial licensees.

Proposed permanent rule changes to clarify existing requirements for licensees regarding tagging, storing, testing, and retesting medical marijuana and medical marijuana products occur in OAC 442:10-1-4, OAC 442:10-4-5(f)(3), OAC 442:10-4-5(d)(2)(D), OAC 442:10-5-4(c), OAC 442:10-5-6(d)(2)(D), OAC 442:10-5-6(f)(3), OAC 442:10-7-1(g), OAC 442:10-9-7(b)(2)(D), and OAC 442:10-9-7(d)(3). Amendments to 442:10-5-6(c) and 442:10-5-6(d) clarify patient information required to be reported in the inventory tracking system.

TITLE 505. BOARD OF EXAMINERS IN OPTOMETRY CHAPTER 10. LICENSURE AND REGULATION OF OPTOMETRISTS

[OAR Docket #23-1050]

RULEMAKING ACTION:

Notice of proposed PERMANENT rulemaking

PROPOSED RULES:

Subchapter 5. Regulation of Licensees

505:10-5-18. Dispensing Medications by Optometrists
[NEW]

505:10-5-19. Telemedicine [NEW]

SUMMARY:

Legislation effective November 1, 2020 amended 59 O.S. § 581(B) to include in the definition of the practice of optometry the dispensing of drugs to include dispensing professional samples to patients. The proposed rule 505 10-5-18 interprets and prescribes law and policy by informing optometrists of some of the currently existing statutes and rules

pertinent to dispensing drugs with which they must comply should optometrists desire to do so as part of their practice of optometry.

The proposed Rule 505-5-19 deals with the reality of increasing use of telemedicine in optometry practice, especially since the arrival of the Covid 19 pandemic when face to face treatment throughout the healing professions was made more difficult. Rule 505-5-19 sets out the circumstances under which telemedicine is appropriate in the practice of optometry.

INTENDED EFFECT OF THE RULES: The proposed rule 505 10-5-18 is intended to inform optometrists of some of the legal requirements for safe storage of medicines in their offices if they choose to dispense medicines themselves. Additionally, this proposed rule informs optometrists of their registration and compliance duties if they choose to dispense medicines from their offices. Proposed Rule 505-5-19 intends to assure that optometrists practicing telemedicine for patients located in Oklahoma do so consistent with their obligations under statutes and Board rules to ensure that the delivery of optometry by telemedicine results in care on a par with in person practice and that the patient's confidentiality and emergency access to the optometrist are properly provided for.

Rules relating to practices or activities no longer permitted by Oklahoma statute are revoked. The proposed rules enhance the safety of persons in Oklahoma State Parks by increasing the distance swimmers must remain from high traffic watercraft areas and requiring the usage of drones or explosives such as fireworks to receive a permit issued by the Director of the Division of State Parks. Bow fishing is removed as a permitted activity. The proposed rules modernize outdated facility use times to allow check-in earlier in the day. Executive Orders

As required by 75 O.S., Sections 255 and 256, Executive Orders issued by the Governor of Oklahoma are published in both the *Oklahoma Register* and the *Oklahoma Administrative Code*. Executive Orders are codified in Title 1 of the *Oklahoma Administrative Code*.

Pursuant to 75 O.S., Section 256(B)(3), "Executive Orders of previous gubernatorial administrations shall terminate ninety (90) calendar days following the inauguration of the next Governor unless otherwise terminated or continued during that time by Executive Order."

TITLE 1. EXECUTIVE ORDERS

1:2023-32.

EXECUTIVE ORDER 2023-32

WHEREAS, the United States Supreme Court's ruling in *McGirt v. Oklahoma* caused uncertainty and continues to wreak havoc in nearly half of Oklahoma; and

WHEREAS, while the Supreme Court remedied some of the uncertainty in *Castro-Huerta*, and the Oklahoma Court of Criminal Appeals has repeatedly acknowledged and done its part to ameliorate *McGirt* and its' progeny havoc, it is clear that the impacts of *McGirt* are still being realized; and

WHEREAS, after a dispute concerning whether the Creek Nation Light Horse could book a suspect at Okmulgee County Jail, Creek Nation Light Horse surrounded the jail and attempted to arrest a detention officer they said assaulted a Light Horse officer. The lack of clarity about the authority that each law enforcement entity possesses, along with heightened tensions, creates the perfect storm for a dangerous escalation. It is essential that Oklahomans know what law enforcement entity has jurisdiction and that respective law enforcement entities know where their authority begins and ends. It is incumbent upon state and tribal leaders to come to an agreement for the safety of our law enforcement officers and the citizens they protect; and

WHEREAS, the future remains uncertain as the potential for cost and conflict around jurisdiction boundaries continues. While Congress has remained silent as to these issues, the current patchwork attempts to resolve problems through non-uniform cross-deputization and jail agreements have been, and continue to be, elusive; and

WHEREAS, the need for uniform agreements has never been clearer. Uniform agreements must address ambiguity in areas of liability, immunity waivers, and jurisdictional authority. Law enforcement experts, tribal representatives, and legislative leaders must come together to discuss and recommend uniform, lasting change.

THEREFORE, I, J. Kevin Stitt, Governor of the State of Oklahoma pursuant to the power and authority vested in me by Sections 1 and 2 of Article VI of the Oklahoma Constitution, and to the fullest extent permitted by law, hereby order as follows:

A. There is hereby created the Oklahoma Organized Retail Crime Task Force until December 31, 2024. The purpose of the task force shall be to provide the Governor, the Legislature, law enforcement officers, and Tribal leaders with uniform cross-deputization agreements, jail agreements, and state and federal legislative action.

B. The task force shall consist of ten (10) members as follows:

1. The Governor or designee;
2. The Speaker of the Oklahoma House of Representatives or designee;
3. The President Pro Tempore of the Oklahoma Senate or designee;
4. The Attorney General or designee;
5. One member appointed by the District Attorneys Council;
6. One member appointed by the Okmulgee County jail trust;
7. One member appointed by the Office of Juvenile Affairs;
8. One member appointed by the Tulsa County Sheriff's Office;
9. One member appointed by the Oklahoma Highway Patrol;
10. One member appointed from each *McGirt* affected tribes' law enforcement;

C. Quorum for official business of the task force shall be eight members. A chairperson and a vice chairperson shall be elected by a majority vote of the members of the task force.

D. Appointments to the task force shall be made by the appointing authority no later than sixty (60) days after the effective date of this act. Appointed members shall, to the greatest extent practicable, have by education or experience, knowledge of State-Tribal law enforcement relations. The chair shall hold the first meeting of the task force no later than

Executive Orders

ninety (90) days after the effective date of this act. Any vacancies in the membership of the task force shall be filled in the same manner provided for in the initial appointment.

E. The members of the task force shall receive no compensation but shall receive travel reimbursement for necessary travel expenses incurred in the performance of their duties in accordance with the State Travel Reimbursement Act. The task force shall be staffed by the Office of Management and Enterprise Services.

F. The task force may consult with any organization, government entity, or person in the development of its recommendations required pursuant to the provisions of subsection G of this section.

G. On or before December 15, 2024, the task force shall electronically submit to the Governor, the President Pro Tempore of the Oklahoma State Senate, the Oklahoma Speaker of the House of Representatives, and the chairs of the House and Senate committees that oversee public safety, the Oklahoma Congressional delegation, a recommendation containing, but not limited to, the following information based on available data:

1. Updated, uniform-cross-deputization agreements.
2. Updated, uniform-jail agreements.
3. Whether state and/or federal

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Oklahoma to be affixed at Oklahoma City, Oklahoma, this 13th day of December, 2023.
