The screenshot shows a web form titled "Account Setup" with a sub-section "Password Reset". Below the title is a paragraph of instructions: "To help protect the privacy of your account, please provide a new password and confirm it below and one special character. Your new password must not contain your first name, last name, address, or phone number." The form includes a "Password Strength:" indicator showing "Weak" in a red box. There are two input fields: "New Password *" and "Confirm Password *", both with red asterisks. A blue "Save" button is located at the bottom left of the form.
