GEORGE DALE  
DERBY, D.O.

## Obituary of G. Dale Derby, DO

Dr. George Dale Derby, aged 72 of Owasso, OK, entered into eternal rest on August 24, 2021. He was born on September 25, 1948, in Eldon, Missouri to the late Donald and Lucille Baker Derby. In addition to his parents, he was preceded in death by his sister, Wanda Sumpter and great granddaughter, Mabel Noelle.

Dale is survived by his loving wife of 46 years, Linda West Derby, their children, Jacquelyn (Albert) Gonz of Ste. Genevieve, MO, David (Kim) Derby of Owasso, OK, and Micah (Becky) Derby of Owasso, OK. He is also survived by 8 grandchildren: Katie (Justin) Noelle, A.J. Gonz, Rebekah (Caleb) Harris, Scarlette Gonz, Quentin Derby, Evan Derby, Xavier and William Derby, and 2 great-grandchildren, Lillian and Malachi Noelle. He is survived by his brother Gene and Barbara Derby of Chouteau, OK, and Daphane Derby of Tulsa, OK, along with many nieces, nephews, cousins, and friends from all over the world.

Dale was a longtime member of the Farmington Free Will Baptist Church of Farmington, MO, and currently an active member of Rejoice Church of Owasso, OK. Dale loved the Lord and was bold in his witness of God's goodness. He and his wife served over 25 years in the bus ministry and contact evangelism in Missouri and California, telling children and adults about the good news of Jesus Christ. He taught Sunday School, was a bus captain and director in the bus ministry, taught biology and science at California Christian College, served on the school board at Farmington Christian Academy and also serving there as the sports doctor. During his time in Owasso, he served on the general board at Rejoice Church, participated in numerous medical mission trips, and in recent years, he was a leader and teacher for the Christ Directed Program Bible Study on Wednesday nights. He volunteered thousands of hours to the churches he attended with this scripture in mind: 1 Corinthians 10:31, "So whether you eat or drink, or whatever you do, do all for the glory of God." He did all of this while working as a full-time physician.

Dale graduated from Claremore High School in Claremore, OK, in 1966. He received his BS in biology at the University of Tulsa in 1971 and his medical degree from the Kansas City College of Osteopathy Medicine in 1975. He did his internship at the Normandy Osteopathic Hospital from July 1975 to July 1976. Upon completion, Dale entered the United States Navy as a Lieutenant Colonel. He was a Seabee and served in Guam as Chief Medical Officer. After 3 years of service, he was honorably discharged in 1979. Dale spent 16 years in private practice as a primary care physician in Farmington, MO. He then completed a residency in anesthesia and became the chief of the anesthesiology department at Kaiser Permanente, Fresno, CA. In 2004, Dale and Linda moved to Owasso, and he became a founding physician at Bailey Medical Center where he continued to practice until his death.

Throughout his years, Dale was nominated for numerous honors within his profession. Dale's desire during his professional life was to participate in the process of improving the integrity and quality of patient care. Because of this, he was an active member of boards and associations serving in leadership roles in many of those organizations. Out of his desire to improve and work in his community, Dale served one term as Representative for District 74 in the Oklahoma State Legislature. The following list includes the most recent places of service:

- American Osteopathic Association
- American Osteopathic Association of Anesthesiologists
- American Society of Anesthesiologists
- Chairman of Board of Directors at Bailey Medical Center
- Medical Director of Anesthesiology at Bailey Medical Center
- Oklahoma Osteopathic Association
- Tulsa Osteopathic Medical Society

Dale loved his family, and his greatest joy was being with his children and grandchildren celebrating holidays as the family gathered together. He and Linda loved fishing and taking adventurous historical trips—sometimes on their own and sometimes with their grandchildren. He loved to teach his grandchildren about God, country, and politics. He always said, "he never worked a day in his life because he loved his profession so much it wasn't like work." But he loved the Lord even more, his wife he affectionately called 'Lynny', his children, his grandkids, family and friends.

**NOTICE OF NON-COMPLIANCE AND ORDER TO SHOW CAUSE**

COMES NOW the State of Oklahoma, ex rel. Deborah J. Bruce, Executive Director of the Oklahoma Osteopathic Board of Examiners [Board] and alleges and states as follows:

**JURISDICTION**

1. That Deborah J. Bruce is the Executive Director of the Board and as such is charged with the duty of administering and enforcing the provisions of the Osteopathic Medicine Act, 59 O.S. § 620 *et. seq.* including specifically 59 O.S. § 637 (A)(11).
2. That this matter shall come on for a Show Cause Hearing before the Oklahoma State Board of Osteopathic Examiners [Board] at a regular meeting of the Board on December 14, 2017.

**ALLEGATIONS OF FACT**

3. Mary Kathryn Mercer, D.O., is the holder of a license to practice osteopathic medicine in the State of Oklahoma, license number 2887. Said license was suspended by the Board on September 15, 2016, and became effective upon review by the Oklahoma Attorney General on November 2, 2016.

4. Pursuant to routine procedures of the Board, the Board's Staff is charged by the Board with oversight of all orders of the Board including Dr. Mercer's Interim Order of Suspension Pending Evaluation of September 15, 2016. [Order]. Dr. Mercer's compliance with this Order has been reviewed. Dr. Mercer has failed to wholly comply with the terms and conditions of this Order, to wit:

Order, paragraph 1, page 2: *"Prior to the next regular meeting of the Board scheduled for December 8, 2016, Dr. Mercer shall obtain and present an independent psychological evaluation by Dr. A.W. Rousseau, supported by neurological-psychological testing done by Dr. David Johnsen. All expenses related to this testing and evaluation shall be borne by Dr. Mercer. Dr. Mercer shall sign full releases so that the Board may receive copies of the testing and evaluation results directly from the physicians."*

5. Such Order and term is authorized by 59 O.S. § 637.1.

6. Dr. Mercer completed the testing with Dr. Johnsen. The release and test results were forwarded to the Board and to Dr. Rousseau. It has been more than twelve (12) months and no report has been received from Dr. Rousseau. Implicit in any Board order for psychiatric or other evaluation is the duty of full cooperation by the patient and prompt reporting of the results. The failure to provide the results of her neurological/psychological evaluation to the Board can be viewed as a deliberate violation of the Board's Order.

#### **ALLEGED CONCLUSIONS OF LAW**

7. Dr. Mercer has violated the provisions of the Order of September 15, 2016, by failing to complete a neuro-psychological evaluation and by failing to have those results forwarded to the Board as ordered.

8. This conduct of Dr. Mercer warrants revocation of her license to practice osteopathic medicine in the State of Oklahoma and a fine levied of two thousand (\$2000) dollars.

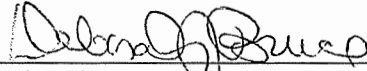

#### **ORDER**

WHEREFORE, premises considered, Dr. Mercer is hereby given notice to appear before the Board on **December 14, 2017 at 1:30 p.m.** and to show cause why her license to practice

osteopathic medicine in the state of Oklahoma should not be further disciplined for violating or refusing to comply with a lawful order of the Board as required by 59 O.S. § 637 (A)(11).

Dated this 17<sup>th</sup> Day of October, 2017.

Petitioner,

v.

Osteopathic Medical License No. 2887,

Respondent.

Case No. 1215-148

**AMENDED COMPLAINT**

The Special Prosecutor for the State Board of Osteopathic Examiners [Board], Patricia L. High of Patricia L. High, P.C., files this Amended Complaint in the above-styled individual proceeding against Mary Kathryn Mercer, D.O. [Dr. Mercer] and states:

1. Dr. Mercer is the holder of a license issued by the Board to practice osteopathic medicine in the State of Oklahoma, License No. 2887. As of the date of this Complaint, the license issued to Dr. Mercer is in good standing.

2. The Board has previously disciplined Dr. Mercer for disruptive behavior. On December 10, 2009, Dr. Mercer was placed on a two-year Preceptorship, ordered to submit to random urine drug screens, reduce her work-load and participate in therapeutic counseling. That Order was terminated for good cause on December 8, 2011.

3. On February 23, 2016, a subsequent Complaint was filed by the Board against Dr. Mercer. On September 16, 2016, Dr. Mercer and the Board entered into an Agreed Order Of Deferred Prosecution as resolution of that complaint.

4. Dr. Mercer is in violation of the Oklahoma Osteopathic Medicine Act, 59 O.S. §§ 602 et seq [Osteopathic Act] and specifically Section 637(A) (2) (j), (3), (4), (8) and (13) of the Osteopathic Act, to wit:

A. The State Board of Osteopathic Examiners may refuse to admit a person to an examination or may issue or reinstate or may suspend or revoke any license issued or reinstated by the Board upon proof that the applicant or holder of such license:

2. Has engaged in the use or employment of dishonesty, fraud, misrepresentation, false promise, false pretense, unethical conduct or unprofessional conduct, as may be determined by the Board, in the performance of the functions or duties of an osteopathic physician, including, but not limited to the following:

(j) failing to furnish a copy of a patient's medical records upon a proper request from the patient'

3) Has engaged in gross negligence, gross malpractice or gross incompetence.

4) Has engaged in repeated acts of negligence, malpractice or incompetence.

8) Is incapable, for medical or psychiatric or any other good cause, of discharging the functions of an osteopathic physician in a manner consistent with the public's health, safety and welfare.

(13) Has been guilty of personal offensive behavior, which would include, but not limited to obscenity, lewdness, molestation and other acts of moral turpitude.

5. On June 14, 2013, the Board received a complaint from D.H., a patient of Dr. Mercer. D.H. stated he was in Dr. Mercer's office for his first office visit. D.H. stated Dr. Mercer called her to come to the receptionist window in the presence and hearing of two (2) office workers and five (5) other persons in the waiting room. Dr. Mercer asked D.H. the reason for his appointment. D.H. felt this question should have been asked in private and not within the presence or hearing of the other persons in the office, but he informed her he was to be seen for weight gain. Dr. Mercer informed D.H. she "did not just write prescriptions." She then asked

for his insurance information. D.H. informed her he was insured with Tricare. Dr. Mercer then announced she would not see D.H. because "Tricare doesn't pay."

6. Dr. Grandle was Dr. Mercer's preceptor during the two year period required by the Board during the previous discipline action against Dr. Mercer. On July 10, 2013, the Board received a complaint from E.K., an employee of Dr. Grandle. Dr. Grandle's office is located next door to Dr. Mercer's office. On July 8, 2013, Dr. Mercer entered Dr. Grandle's office and accused E.K. of using Dr. Mercer's DEA number. Dr. Mercer was using a loud voice and patients in the waiting room were able to hear Dr. Mercer's accusations. After loudly stating she was calling the police regarding the matter, Dr. Mercer stormed out of Dr. Grandle's office. On the same day, the Board received a complaint from B.B., Dr. Grandle's office manager. B.B. described Dr. Mercer as "ranting and raving" about Dr. Grandle hiring a person previously terminated by Dr. Mercer. B.B. stated this happened in the patient waiting room with at least two patients present. B.B. reported Dr. Mercer stated, "E.K. is using my DEA number and two other doctors. I'm calling the police." Dr. Mercer then left the patient waiting room. Both E.K. and B.B. further complained that Dr. Mercer had returned to Dr. Grandle's office the following day, July 9, 2013. On that day, in a loud voice, Dr. Mercer told the receptionist to tell E.K. she (Dr. Mercer) had called DEA and two pharmacies that E.K. had used her DEA number again.

7. On September 23, 2013, the Board received a complaint from C.H., a patient of Dr. Mercer. C.H. complained Dr. Mercer diagnosed her with cancer without an adequate exam. C.H. had diabetes and high blood pressure, and Dr. Mercer did not treat her for either condition. C.H. had also gone to Dr. Mercer for treatment for a blood clot in her lungs, and Dr. Mercer did not treat her for that condition. C.H. went to another physician for treatment and a stent was placed.

8. On August 6, 2014, the Board received a complaint from T.M., a patient of Dr. Mercer. T.M. stated she had a twenty minute office appointment with Dr. Mercer during which vital signs were taken. T.M. received medications she needed, and the appointment was concluded. T.M. later received a bill from DLO labs for \$711.62. No samples for laboratory analysis were obtained by Dr. Mercer during her office visit. T.M. contacted Dr. Mercer's office and spoke with an employee who stated that office did not use DLO labs, and she would look into the problem. T.M. did not receive any further information or returned telephone calls from Dr. Mercer or her office staff. When contacted by Board Investigators, Dr. Mercer looked at T.M.'s electronic medical record and stated it did not show a drug screen being ordered. Dr. Mercer also stated her office did not use DLO labs for urinalysis. Dr. Mercer contacted DLO lab, and learned she had indeed used DLO labs. Dr. Mercer informed Board Investigators she would pay T.M.'s DLO bill, and did pay the bill.

9. On September 11, 2014, the Board received a complaint from J.O., a patient of Dr. Mercer. J.O. stated his appointment was scheduled for 1330 hours, but he was not seen until 1500 hours. While waiting to be seen, J.O. observed Dr. Mercer sitting at the receptionist desk answering the phone, scheduling appointments and spending time at the computer after she left an exam room. Once in an exam room, J.O. spoke with Dr. Mercer for approximately three (3) minutes. After being in the exam room for approximately thirty (30) minutes, J.O. requested a nurse to make a copy of his records so he could leave the office. J.O. stated Dr. Mercer sat at her computer and typed his complaint. During this time, J.O. observed a nurse interact with a patient about a prescription. The nurse mouthed, "how many?" to the patient. In response, the patient held up two fingers. The nurse then held up three fingers and mouthed, "three", and gave the patient the "thumbs up" signal. J.O.'s opinion was Dr. Mercer's staff was abusing the

incompetence and scatter-brained nature of Dr. Mercer, and Dr. Mercer did not know how to run her office.

10. On June 4, 2015, the Board received a complaint for C.J., a patient of Dr. Mercer. C.J. had been a patient of Dr. Mercer for six (6) years, and was being treated for anxiety and depression. C.J. requested FMLA paperwork be completed by Dr. Mercer, and was informed Dr. Mercer would not do that. Dr. Mercer was present at the time, and informed C.J. there would be a \$135.00 charge for completing the paperwork. C.J. only had \$75.00 with her to cover the cost of the office visit. Dr. Mercer then snatched the paperwork from C.J.'s hand, and threw it on the floor. Dr. Mercer's office assistant then asked C.J. if she could pay \$50.00. The office assistant then took C.J. to see Dr. Mercer, and asked for her insurance card. Dr. Mercer took the insurance card and stated she "did not take that insurance." When the office assistant came back into the room, Dr. Mercer began yelling she did not want to see C.J., or complete the FMLA paperwork. C.J. stated she was overwhelmed and felt helpless. Dr. Mercer stated she could not complete C.J.'s FMLA paperwork because she did not take C.J.'s insurance. C.J. informed Dr. Mercer the FMLA paperwork was job-related not insurance-related. Dr. Mercer then became angry and stated, "I don't like doing FMLA paperwork for AT&T." C.J. asked Dr. Mercer for a referral and her medical records. Dr. Mercer then told her office assistant to tell C.J. to leave the office. C.J. informed her husband of what had occurred, and he came to Dr. Mercer's office. C.J. was upset and crying. Her husband requested to speak to Dr. Mercer. The office assistant came out and stated Dr. Mercer was "having a bad day." The office assistant asked for their phone number, and stated someone else in the office would complete the FMLA paperwork. C.J.'s husband informed her of the time deadline for the paperwork. The next day, C.J. sent a text message to the office assistant about the paperwork. C.J. was informed she must apologize

to Dr. Mercer for the paperwork to be completed. C.J. then called Dr. Mercer directly. C.J. stated Dr. Mercer was getting her hair done and hung up the phone on C.J. After several additional calls to Dr. Mercer's office, the FMLA paperwork was never completed.

11. On July 2, 2015, the Board received a complaint from C.T., a patient of Dr. Mercer. C.T. was seen by Dr. Mercer for an infection and lupus flare up. C.T. stated Dr. Mercer did not order any laboratory work for C.T. When C.T. asked for a referral to a specialist, Dr. Mercer yelled at her to find a new doctor. C.T. stated Dr. Mercer refused to listen to her about the infection, and did not order a urinalysis. C.T. left Dr. Mercer's office and went to an urgent care center for treatment where she was diagnosed with a severe infection, and should be admitted to the hospital according to the urgent care doctors. C.T. requested her medical records from Dr. Mercer. C.T. stated Dr. Mercer threw her medical records on the ground.

12. On July 27, 2015, the Board received a complaint from W.C., a patient of Dr. Mercer. W.C. stated on his second office visit with Dr. Mercer, she got close to him without touching him, and stood over him while he was seated in a chair. Dr. Mercer told W.C. how "sweet" he was over and over, and how she "would love to be his primary care provider." W.C. stated he was uncomfortable. W.C. informed Dr. Mercer he was having erectile dysfunction, and she replied she could help him with that. W.C. stated all of his office visits were on Fridays. Dr. Mercer called him into her office on Wednesday, June 24, 2015, and provided him thirty (30) Viagra tablets for no cost. W.C. thought this was very generous of Dr. Mercer as that prescription would have cost approximately \$1100.00. Dr. Mercer promised W.C. additional Viagra at no cost. W.C. stated Dr. Mercer called him at approximately 10:00 p.m. on two separate occasions. Dr. Mercer just asked him how he was doing. On June 19, 2015, during an office visit, Dr. Mercer came into the exam room and checked his vitals, but did not record any

of the numbers. Dr. Mercer then asked W.C. what he wanted in a hateful tone of voice. W.C. was discussing medications prescribed by another physician, when Dr. Mercer raised her voice and began to speak rapidly. Dr. Mercer stated all of the other physician's patients were mean and evil people and W.C. was also. W.C. stated Dr. Mercer then stormed out of the exam room and ordered W.C. to her office. In her office, Dr. Mercer tried to give W.C. Xanax which he did not want. W.C. asked for Klonopin which he had received at his last office visit. W.C. stated Dr. Mercer acted very irrational, unprofessional and erratic with drastic mood swings. Dr. Mercer terminated care for W.C. immediately and without adequate notice. No arrangements for continued care of W.C. were made, nor did Dr. Mercer provide a referral list of doctors to W.C.

13. On July 10, 2015, the Board received a complaint from D.L., a patient of Dr. Mercer. D.L. stated Dr. Mercer gave her the wrong medications and was unprofessional. D.L. requested a copy of her medical records from Dr. Mercer's office, but did not receive the records. When interviewed by Board Investigators regarding the complaint, Dr. Mercer stated she did not know D.L. wanted her medical records and had not completed a request. Dr. Mercer stated she would contact D.L. and have her complete a medical records request. Subsequently, Dr. Mercer informed Board Investigators she had contacted D.L., and D.L. had terminated their telephone conversation.

14. On October 9, 2015, the Board received a complaint from J.O., a patient of Dr. Mercer. J.O. stated she was a patient of Dr. Mercer being treated for sleep problems, and had repeatedly asked for a sleep study to be ordered by Dr. Mercer. J.O. did not believe Dr. Mercer documented the requests she had made to Dr. Mercer by telephone. Recently, J.O. had been informed by Dr. Mercer she could not have a sleep study because Medicaid no longer paid for sleep studies. J.O. stated she lost her job because she could not control her sleep, and has fallen

asleep while driving and run over a curb. J.O. stated she was scared she was going to hurt herself or someone else.

15. On December 15, 2015 Dr. Mercer called Deaconess Hospital and berated staff of Alliance Health as being "a dimwitted idiot." Dr. Mercer was described as being unstable, repeating the same phrases and accusing Deaconess Personnel as "talking f...ing trash about her". Dr. Mercer threatened to sue several staff members for speaking ill of her. The staff felt threatened, and were concerned about Dr. Mercer slandering the facility, employees, and making threats towards Deaconess Hospital.

16. On February 20, 2016, the Board received a complaint from L.H., a patient of Dr. Mercer. L.H. was a patient of Dr. Mercer for four to five years. In 2014, L.H. moved to Puerto Rico. In 2015, L.H. learned of a collection action against her for an unpaid anesthesia bill from Dr. Mercer from 2013. L.H. stated she was only seen in Dr. Mercer's office, and was never administered anesthesia in the office. L.H.'s repeated attempts to contact Dr. Mercer's office regarding the bill were unsuccessful, and her phone calls were never returned. L.H. paid the bill to avoid negative consequences to her credit rating.

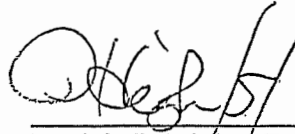

17. On September 12, 2016, the Board received copies of three letters from Dr. Gregg J. Eichman, D.O., Medical Director, Telligen Health Intelligence. Telligen is an external quality review organization used by the Oklahoma Health Care Authority (OCHA). The letters were dated July 20, 2016, July 29, 2016, and August 3, 2016. The letters were addressed to Dr. Michel Herndon, D.O., Chief Medical Officer, OCHA. The letters referenced a peer review of Dr. Mercer. The first two letters outline the areas of concern for Dr. Mercer. Dr. Eichman stated that following the peer review of Dr. Mercer, his concerns were at a level of "serious risk". In the third letter, there is a description of Dr. Mercer's telephone call to Telligen in response to the

first two letters. Dr. Mercer was described as demanding, argumentative, unprofessional and close-minded. As a result of Dr. Mercer's conduct, Telligen upgraded the level of concern from "serious risk" to "gross and flagrant". Telligen recommended immediate termination of Dr. Mercer's contract with the OCA's SoonerCare Program.

18. On November 9, 2016, the Board received a complaint from D.L. D.L. was not a patient of Dr. Mercer; however, he received a bill for services rendered by Dr. Mercer. D.L. repeatedly contacted Dr. Mercer's office regarding this matter, and ultimately Dr. Mercer agreed the bill was in error, and withdrew her notice of collection previously sent to D.L. Dr. Mercer failed to provide medical records in response to D.L.'s request for support of the bill he had received from her office.

19. On October 10, 2016, the Board received a complaint from K.B., a patient and employee of Dr. Mercer. K.B. stated Dr. Mercer was unpredictable. K.B. described that Dr. Mercer would be kind one minute and verbally abusive the next minute. K.B. stated Dr. Mercer told her "a 5<sup>th</sup> grader could do her job" and "a monkey could do her job." K.B. suspected Dr. Mercer may suffer from bi-polar disorder. K.B. stated Dr. Mercer paid her employees out of a foundation fund meant for charities to help patients. Dr. Mercer did not withhold taxes from employees pay. K.B. described Dr. Mercer as disorganized, and Dr. Mercer would blame it on the staff. K.B. stated Dr. Mercer would do billing while patients were waiting to be seen in exam rooms. K.B. stated Dr. Mercer could take as long as two weeks to call in a prescription for blood pressure and mood stabilizer medication for a patient, N.S. Another patient had reported to K.B. observing Dr. Mercer heavily sedated and not able to keep her eyes open in the office.

DEFERRED PROSECUTION**

This matter comes before the Oklahoma State Board of Osteopathic Examiners [Board] at a hearing held before the Board on June 16, 2016, in the above-styled individual proceeding. The Board is represented by the Special Prosecutor for the Board, Patricia High of Patricia L. High, P.C. The Respondent, Mary Kathryn Mercer, D.O. [Dr. Mercer] and her counsel of record, Ryan W. Hearne, appear in person at the hearing.

The Board incorporates by reference the Complaint as a part of these Findings of Fact, Conclusions of Law, and Agreed Order as if it appeared in full herein. The Board adopts, by clear and convincing evidence, the following Findings of Fact and Conclusions of Law.

**FINDINGS OF FACT**

1. Dr. Mercer is the holder of a license issued by the Board to practice osteopathic medicine in the State of Oklahoma, License No. 2887. As of the date of this Order, the license issued to Dr. Mercer is in good standing.

2. The Board has previously disciplined Dr. Mercer for disruptive behavior and other violations of the Oklahoma Osteopathic Medicine Act. On December 10, 2009, Dr. Mercer was placed on a two-year Preceptorship, ordered to submit to random urine drug screens, reduce her work-load and participate in therapeutic counseling. That Order was terminated for good cause on December 8, 2011.

3. After being contacted by Board Investigators about allegations in the current Complaint, Dr. Mercer independently initiated the request for evaluation by Acumen Assessments.

#### CONCLUSIONS OF LAW

The Board has jurisdiction to hear this matter pursuant to the Oklahoma Osteopathic Medicine Act, 59 O.S. § 640 *et. seq.*, Rules of the Board, 510 OAC § 1-1-1 *et. seq.* and the Oklahoma Administrative Procedures Act, 75 O.S. § 250 *et. seq.* The Board concludes that, based upon Dr. Mercer's agreement to follow the recommendations of Acumen Assessments, Dr. Mercer's license shall remain in effect. The Board further concludes that for good cause shown, the prosecution of this case shall be deferred for a period of two (2) years so long as Dr. Mercer remains compliant with the following terms and conditions.

#### ORDER

IT IS THEREFORE ORDERED by the Board that Dr. Mercer's license to practice osteopathic medicine in the State of Oklahoma remains in effect, and unrestricted, and that the following shall apply:

1. The prosecution of this case shall be deferred for two (2) years until on or about June 21, 2018, and that no sanction will apply if Dr. Mercer timely complies with all criteria contained herein.

2. Dr. Mercer shall enter into a monitoring contract with OHPP for a period of time deemed appropriate by that program. OHPP is to address Dr. Mercer's disruptive behavior.

3. Dr. Mercer shall acquire an OHPP approved professional coach to help her mediate the issues raised in the Acumen Assessment Report. The Coach is to be provided a copy of said Assessment and be given unrestricted communication with Acumen Assessments, OHPP, and the Board. If the Coach requires compensation, it is to be done at Dr. Mercer's expense.

4. Dr. Mercer shall, at her own expense, acquire an OHPP approved psychiatrist to pursue a trial of a mood stabilizer, perhaps, Lamictal. This psychiatrist shall be provided a copy of the Acumen report and have unrestricted communication with Acumen, OHPP, and the Board. Dr. Mercer shall follow the recommendations of the psychiatrist as to the length and frequency of visits.

5. Dr. Mercer shall acquire a primary care physician. She shall refrain from self-medication.

6. Dr. Mercer shall work with Board Staff to acquire a Board approved physician to shadow her in her practice for one day to provide feedback about how she can manage her practice more effectively. Dr. Mercer shall bear the cost of this physician's services. If recommended, this shadowing should be repeated every quarter.

7. Pursuant to the plan of action Dr. Mercer put together as part of the Acumen Assessment, she is to make the following changes to her practice:

- a. She is to stop answering the telephone. That is a staff function.
- b. She is not to give her cell number to patients.
- c. She is to save making return phone calls until a time slot at the end of the day.
- d. She is to work a maximum of eight (8) hours a day in patient encounters.

- e. She is to limit the number of patients she sees in a day to thirty (30).
  - f. She is to delegate normal staff functions to staff in order to avoid getting overwhelmed. This includes medical records requests, insurance forms and patient scheduling. In short, she is to utilize her staff as a buffer between her and patients so that she can focus on practicing medicine.
8. Her staff is to perform telephone triage of all new patients and shall make it clear before they come in for their first appointment that Dr. Mercer does not practice pain management.
9. Board Staff shall have the authority to supervise, monitor and enforce all provisions of this order on behalf of the Board.
10. Dr. Mercer shall appear quarterly before the Board to report on her status. Board staff shall have the authority to direct Dr. Mercer to provide documents relevant to the appearance.
11. Dr. Mercer shall pay administrative fees and costs incurred in this proceeding in the amount of twenty-five-hundred dollars (\$2500.00). Board staff is authorized to arrange for payment increments. Said amount shall be paid in full six months before Dr. Mercer is eligible for termination of this Order.
12. Dr. Mercer shall be responsible for insuring that all reports of professionals are provided directly to the board.
13. During the pendency of this deferral period, Dr. Mercer shall permit any representative of the Board to enter her office for official duties.
14. If Dr. Mercer fully complies with all the terms and conditions of this Order, it shall be dismissed with prejudice on or about June 21, 2018. Any non-compliance with this

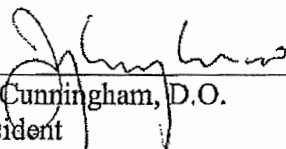

Order shall result in immediate sanction based upon evidence already in hand and based on any newly discovered evidence.

SPECIAL PROSECUTOR FOR  
THE BOARD

A. The State Board of Osteopathic Examiners may refuse to admit a person to an examination or may issue or reinstate or may suspend or revoke any license issued or reinstated by the Board upon proof that the applicant or holder of such license:

2. Has engaged in the use or employment of dishonesty, fraud, misrepresentation, false promise, false pretense, unethical conduct or unprofessional conduct, as may be determined by the Board, in the performance of the functions or duties of an osteopathic physician, including, but not limited to the following:

j. failing to furnish a copy of a patient's medical records upon a proper request from the patient or legal agent of the patient or another physician;

3. Has engaged in gross negligence, gross malpractice or gross incompetence.

4. Has engaged in repeated acts of negligence, malpractice or incompetence.

8. Is incapable, for medical or psychiatric or any other good cause, of discharging the functions of an osteopathic physician in a manner consistent with the public's health, safety and welfare.

13. Has been guilty of personal offensive behavior, which would include, but not limited to obscenity, lewdness, molestation and other acts of moral turpitude.

4. Over the past eighteen (18) months the Board has received ten (10) patient complaints about Dr. Mercer's behavior. She is described as loud, abusive, using inappropriate language, adamantly refusing to provide copies of medical records and hallway belligerence toward the staff of her former Preceptor.

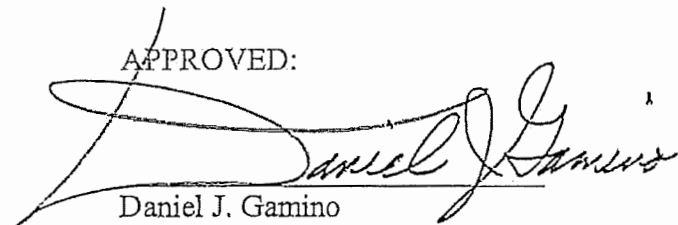

5. On December 15, 2015 Dr. Mercer called Deaconess Hospital and berated staff of Alliance Health as being "a dimwitted idiot." Dr. Mercer was described as being unstable, repeating the same phrases and accusing Deaconess Personnel as "talking f...ing trash about her" and killing patients with their incompetence. Dr. Mercer threatened to sue several staff members for speaking ill of her. The staff felt threatened. They were also concerned about Dr. Mercer's slandering the facility, employees, and making threats towards Deaconess Hospital.

6. Dr. Mercer's mental state was also of concern with her escalating emotional outbursts. Dr. Mercer focused her wrath on the Director of Physician services calling her a

“viper who is responsible for false documents being filed against me.” On this same date, Dr. Mercer sent a strange email to the Deaconess CEO claiming “my practice is stronger than ever and don’t worry, I plan to stay right across the street from Deaconess because your care continues to go down.”

**ORDER OF PRECEPTORSHIP**

This matter comes before the State Board of Osteopathic Examiners [Board] at a regularly scheduled meeting of the Board held on December 10, 2009, in the above styled individual proceeding. Mary Kathryn Mercer, D.O. [Dr. Mercer] appeared in person on this date for a Hearing. She was accompanied by her counsel, Ryan W. Hearne, of Brown & Gould. The Board is represented by Special Prosecutor for the Board, Richard A. Mildren, of Riggs, Abney, Neal, Turpen, Orbison & Lewis.

This order is issued pursuant to the Oklahoma Osteopathic Medicine Act, 59 O.S. § 620 *et. seq.*, Rules of the Board, 510 OAC § 510:1-1-1 *et. seq.*, and the Administrative Procedures Act, 75 O.S. § 250 *et. seq.*

The Board, after reviewing the pleadings, hearing and considering all of the evidence and being fully advised finds by clear and convincing evidence and enters the following findings of Fact, Conclusions of Law and Orders.

## FINDINGS OF FACT

After hearing all the evidence presented and upon due consideration thereof, the board, by clear and convincing evidence finds:

1. Dr. Mercer is the holder of a license to practice osteopathic medicine in the State of Oklahoma, license number 2887. Said license was summarily suspended by the Board at an Emergency Hearing on September 4, 2009. The Findings of Fact, Conclusions of Law and Emergency Order that resulted from that Hearing are hereby incorporated by reference as if they appeared in full herein.
2. Proper notice of this hearing was served on Dr. Mercer as required by law.
3. Evidence at the hearing showed that prior to the suspension of her license, Dr. Mercer voluntarily reported to Dr. Lanny Anderson of the Oklahoma Health Professionals Program [OHPP] who recommended that Dr. Mercer be evaluated by Dr. Robert Nisbet, Medical Director of OU Physicians ExecuCare. (Exhibit "3", Testimony of Dr. Anderson and Dr. Mercer.)
4. Evidence at the hearing also showed that Dr. Mercer was evaluated by Dr. Nisbet, who diagnosed her as having Bipolar Affective Disorder, early remission, and recommended counseling and medication for the disease, a reduced work load, and a complete neurological evaluation. (Exhibit "4", Testimony of Senior Investigator Hugh Tidler.)
5. Evidence at the hearing also included that Dr. Mercer is seeing a psychiatrist for grief counseling and that her physician has recommended she continue with therapy, medication,

and monitoring, and that it would be appropriate for her to resume a reduced work load in her medical practice. (Exhibit "4", Testimony of Senior Investigator Hugh Tidler, and Dr. Mercer.)

**FINDINGS OF FACT, CONCLUSIONS OF LAW AND EMERGENCY ORDER**

This matter comes before the State Board of Osteopathic Examiners [Board] at an Emergency Hearing held on September 4, 2009, in the above-styled individual proceeding. After reviewing the Emergency Complaint, hearing the testimony of the Board’s witnesses and asking questions of the Board’s witness, the Board adopts, by clear and convincing evidence, the following Findings of Fact and Conclusions of Law.

**FINDINGS OF FACT**

1. Mary Kathryn Mercer, D.O. [Dr. Mercer] is the holder of a license issued by the Board to practice osteopathic medicine in the State of Oklahoma, license no. 2887. As of the date of this Emergency Hearing, the license issued to Dr. Mercer is in good standing.

2. Evidence at the Emergency Hearing included that on June 12, 2009, Dr. Mercer was arrested for driving under the influence. The Edmond Police Department initiated a call to the Board to report the charge as well as the behavior of Dr. Mercer. On the night of the arrest, she was unsteady on her feet, had difficulty standing, and was unable to perform the field

sobriety test. Her purse contained an assortment of physician sample drugs. (Testimony of Hugh Tidler, Board's Chief Investigator)

3. Evidence presented at the Emergency Hearing also included that on December 18, 2008, Integris Baptist Medical Center terminated its staff privileges given to Dr. Mercer. (Testimony of Hugh Tidler, Board's Chief Investigator)

4. Evidence also included that Dr. Mercer, at the suggestion of the Board's Chief Investigator, met with Dr. Lanny Anderson, [Dr. Anderson] Director of the Oklahoma Health Professionals Program [OHPP] on August 26, 2009. Dr. Anderson stated that Dr. Mercer was paranoid and confused. Dr. Anderson also expressed concerns for the safety of Dr. Mercer's patients. (Exhibit "A"; Testimony of Hugh Tidler, Board's Chief Investigator).

5. Evidence at the Emergency Hearing also included that Dr. Mercer has had recent problems with staff and physicians at Deaconess Hospital where she has staff privileges. Dr. Kenneth Whittington, M.D., Chief Medical Officer for Deaconess Hospital [Dr. Whittington] testified that he is concerned by the escalating emotional outbursts of Dr. Mercer. Dr. Whittington further testified that her behavior is such that he believes she is incapable of practicing osteopathic medicine and is an immediate threat to the welfare of her patients. (Testimony of Kenneth Whittington, M.D.)

6. The actions of Dr. Mercer, as described in paragraphs 1-5 of these Findings of Fact, imperatively threaten the public health, safety and welfare that require emergency action by this Board.

### **CONCLUSIONS OF LAW**

1. The Board concludes that it has jurisdiction over individual(s) licensed by the Board to practice osteopathic medicine in the State of Oklahoma, the practice of osteopathic

medicine in the State of Oklahoma and this individual proceeding pursuant to the Oklahoma Osteopathic Medicine Act, 59 O.S. §§ 620 et seq. [Osteopathic Act] and the Oklahoma Administrative Procedure Act, 75 O.S. §§ 308 et seq.

2. Dr. Mercer is in violation of the Oklahoma Osteopathic Medicine Act, 59 O.S. Section 620 et seq. and specifically Section 637(A)(2)(f) and (8) of the Act, to wit:

A. The State Board of Osteopathic Examiners may refuse to admit a person or to an examination or may refuse to issue or reinstate or may suspend or revoke any license issued or reinstated by the Board upon proof that the applicant or holder of such license:

2. Has engaged in the use or employment of dishonesty, fraud, misrepresentation, false promise, false pretense, unethical conduct or unprofessional conduct, as may be determined by the Board, in the furtherance or duties of an osteopathic physician, including, but not limited to the following:

(f) acting in a manner which results in final disciplinary action by any professional society or association or hospital or medical staff of such hospital in this or any other state, whether agreed to voluntarily or not, if the action was in any way related to professional conduct, professional competence, malpractice or any other violation of the Oklahoma Osteopathic Medicine Act, and

8. Is incapable, for medical or psychiatric or other good cause, of discharging the functions of an osteopathic physician in a manner consistent with the public's health, safety or welfare.

3. The Board concludes that because Dr. Mercer has violated Section 637(A)(2), (f) and (8) of the Osteopathic Act that it has the authority to take emergency disciplinary action.

4. The actions of Dr. Mercer, as described in paragraphs 1-6 of the Findings of Fact and paragraphs 1-3 of the Conclusions of Law, imperatively threaten the public health, safety and welfare that require emergency action by this Board.

**EMERGENCY ORDER**

The Board, having adopted the above-described Findings of Fact and Conclusions of Law, adopts the following Emergency Order.

1. The license issued by the Board to Dr. Mercer to practice osteopathic medicine in the State of Oklahoma is **SUMMARILY SUSPENDED**. Such suspension shall continue until such time as the Board determines that Dr. Mercer's practice of osteopathic medicine does not threaten the public health and safety.

2.. This Findings of Fact, Conclusions of Law and Emergency Order is a public record and subject to disclosure under the Oklahoma Open Records Act.

Dear Ms. Bruce:

This letter is in reference to Mary Katherine Mercer, DO. Hugh Tidler asked that I speak with Dr. Mercer and meet with her in person to determine the best course of action following a recent DUI.

I spoke with Dr. Mercer on Tuesday, August 25<sup>th</sup> and also in person on Wednesday, August 26<sup>th</sup>. After meeting with Dr. Mercer it is my recommendation that she have a psychiatric evaluation to determine her ability to practice medicine. I recommended that she see Charles Nisbett, MD at OU Health Sciences Center.

Dr. Mercer seemed confused, very paranoid and unable to participate in normal conversation regarding a recent DUI. Dr. Mercer rambles and in my opinion can't participate in a meaningful discussion.

She did appear to be willing to talk to a Dr. Nesbitt and I hope that evaluation can take place.

2. Regarding Paragraph No. 2 of the Complaint, Dr. Knight denies that he is in violation of the Oklahoma Osteopathic Medicine Act. Dr. Knight admits that his practice was limited by the State of Nevada, however, Dr. Knight denies he committed any unprofessional conduct relating to patient care. COMPLAINT

The Prosecutor for the State Board of Osteopathic Examiners (the "Board"), J. Patrick Quillian, states as follows:

1. Dr. Wilson Gregory Knight II, D.O., is the holder of a license to practice as an osteopathic physician in the State of Oklahoma, license number 5244. Dr. Knight received his license as an osteopathic physician in Oklahoma from the Board in 2012. Dr. Knight has also held a license to practice osteopathic medicine in Nevada since 2017.

2. Dr. Knight is in violation of the Oklahoma Osteopathic Medicine Act, Tit. 59 O.S. § 637(A)(2)(f) and (A)(6), which state:

A. The State Board of Osteopathic Examiners may ... suspend or revoke any license issued or reinstated by the Board upon proof that the applicant or holder of such a license:

...

2. Has engaged in the use or employment of ... unethical conduct or unprofessional conduct, as may be determined by the Board, in the performance of the functions or duties of an

osteopathic physician, including but not limited to:

...

f. acting in a manner which results in final disciplinary action by any professional society or association or hospital or medical staff of such hospital in this or any other state, whether agreed to voluntarily or not, if the action was in any way related to professional conduct ... or any other violation of the Oklahoma Osteopathic Medicine Act[.]

...

6. Has had the authority to engage in the activities regulated by the Board ... restricted, modified or limited ... by any other state or federal agency whether or not voluntarily agreed to by the physician....”

3. On May 13, 2020, the Nevada State Board of Osteopathic Medicine (the “Nevada Board”) and Dr. Knight, represented by Douglas C. Crawford, Esq., entered into a Settlement Agreement and Order (the “Agreed Order”) in lieu of a formal complaint being filed.

4. The Agreed Order’s “Pertinent Facts” section, at paragraph 2, states the following:

In the course of his examination, Dr. Knight touched patient R on her abdomen and attempted to touch her breasts. The touching made patient R uncomfortable. During their encounter, Dr. Knight also asked Patient R if she was married, if she wanted to go on a date with him, if she liked kissing, and if she wanted to kiss him there in the examination room. Dr. Knight also found Patient R’s cellular telephone number from her patient intake documents and texted her the message: “When can I meet up with you.” Patient R created a diversion to allow her to flee the examination room, and then she reported her concerns with Dr. Knight’s conduct in the examination room to staff at Care Now Urgent Care. After leaving this facility, Dr. Knight called Patient R on her cellular telephone, which call Patent R declined to answer.

5. The Agreed Order also states in paragraph 2 of the “Pertinent Facts” Section that Dr. Knight was untruthful on his 2019 application for license renewal with the Nevada Board.

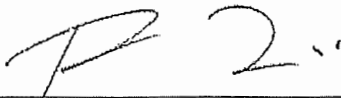

6. The Agreed Order’s “Acknowledgements and Applicable Law” section states at paragraph 2 that “[f]or the purposes of resolving this matter only and for no other purpose, Dr. Knight admits that the facts contained in the “Pertinent Facts” section constitute violations” of various Nevada statutes, regulations and administrative code.

7. In a letter to the Board dated August 17, 2020, Dr. Knight denied a majority of the factual allegations cited in the Agreed Order but did not deny the validity of the Agreed Order.

8. The Agreed Order placed Dr. Knight’s license to practice osteopathic medicine in Nevada on probation for two (2) years and requires him, *inter alia*, to complete the Physician Assessment and Clinical Education Program and prohibits him from being alone with female patients for the duration of the probationary period.

9. The Agreed Order constitutes a final disciplinary action against Dr. Knight’s license to practice osteopathic medicine in Nevada and limits his ability to engage in activities regulated by the Board, and thus constitutes a violation of the Oklahoma Osteopathic Medicine Act, as cited herein.

Respectfully submitted,

3. An Application for an Emergency Order of Suspension and Citation were issued by the Board against Dr. Thomas on December 5, 2017. The Application and Citation are hereby incorporated by reference as if set forth in full herein.

4. At the Hearing evidence included that on October 17, 2017, Board Investigators met with OBNDD and DEA Agents. The Drug Diversion Agents had visited with Dr. Thomas at the Rogers County DA Office, Claremore Oklahoma. The Diversion Agents related the following conversation with Dr. Thomas:

Dr. Thomas was depressed. Dr. Thomas developed this problem after he had a hernia surgery operation and a hematoma he developed in his leg. Dr. Thomas admitted to using 8 to 10 Hydrocodone 10 mg tablets per day. Dr. Thomas admitted to splitting CDS prescriptions, mainly Hydrocodone-Acetaminophen, with at least four (4) of his patients.

Dr. Thomas “manipulated” the patients to obtain CDS from them. Dr. Thomas knew these patients needed CDS, so he used that to his advantage. Dr. Thomas did not pay for the CDS. He made the patient pay for the CDS. Dr. Thomas wrote the prescriptions. All of the patients were patients of Dr. Thomas’. Many of the prescriptions were not charted in his patient medical records. On that date, Dr. Thomas surrendered his OBNDD and DEA Drug Registrations to the Agents. (Testimony of the Board’s Chief Investigator Richard Zimmer.)

5. Testimony at the hearing also included that on October 26, 2017, Board Investigators issued subpoenas for Dr. Thomas’ medical records for patients identified as splitting prescriptions with Dr. Thomas. Dr. Thomas told diversion agents that not all prescriptions written were charted in his medical records. (Testimony of the Board’s Chief Investigator, Richard Zimmer.)

6. Evidence at the Hearing also included that on 10-26-2017, OSBOE Investigators served a Subpoena Duces Tecum to Rogers County District Attorney Chief Investigator, for a copy of text messages intercepted from six [6] of Dr. Thomas’ patients to Dr. Thomas. Upon review the texts corroborated the conversation between Diversion Agents and Dr. Thomas. Dr. Thomas would write the prescriptions, the patient would fill the prescription and the pills would then be split. All prescriptions were for scheduled drugs. In one text Dr. Thomas

directed the patient to meet him in the hospital parking lot because Dr Thomas would be in between surgeries. (Testimony of the Board's Chief Investigator Richard Zimmer.)

7. Board Investigators referred Dr. Thomas to the OHPP for evaluation. (Testimony of the Board's Chief Investigator Richard Zimmer.)

OKLA. BOARD OF  
OSTEOPATHIC EXAMINERS

May 27, 2021

To the Oklahoma State Board of Osteopathic Examiners:

I am the Medical Director of Hospice and Palliative Care Services for INTEGRIS Health in Oklahoma City. Palliative Care services have been in place now since July 1, 2020. I have had 4 APRNs active in my palliative care practice and leadership has now approved additional APRN staffing for our program due to the rapid rate of growth. While I am actively recruiting another physician, I will need to oversee approximately 8 APRNs with prescriptive authority. I am requesting an exception be made for my practice at this time.

Thank you for your consideration.

Respectfully,

**Subject:** [EXTERNAL] follow up request information

Dear Michael, or other members of the OSBOE,

In follow up to my letter, here is additional information regarding my request to supervise additional APRNs in my practice. The paper work has already been submitted to the board of nursing for the following APRNs:

Sheena Musgrove, OK license R0093962  
Kelly Briggs, OK license R0105235  
Naomi Miller, OK license R0087565  
Dorothy Yvonne Murphy, OK license 137300  
Emily Rivera (offer of employment extended, but not yet hired), OK license 200386

I have 2 additional positions active at present for APRN staff and will have 2 more positions available by October 1, 2021. I wanted to make the request for approval before these positions were hired instead of after the fact.

INTEGRIS Palliative Care is designed as a community based program to assist patients with serious illness to navigate their medical care and to manage distressing symptoms while they undergo various treatments. We follow patients in their homes, in the hospital, and through their other specialty care clinics. We office at 5710 130<sup>th</sup> street, Suite 100, Oklahoma City, OK 73142, though we do not see patients at this address. Our advanced practice providers are trained and onboarded in palliative care services by me, personally, as the Medical Director. Our interactions consists of lectures and provision of other training materials, weekly interdisciplinary team meetings and observational visits in the home and in the inpatient setting. Also, I review and cosign all of their visit notes on a daily basis and provide oversight of prescriptive activities. I am available to discuss patients daily.

Thank you for your consideration. I am happy to provide any other information at your request.

Dear Committee Members,

This letter is in reference to my desire to extend my current exemption from using E-prescribing exclusively for my controlled substance prescriptions. I am the owner and sole physician of a very busy, rural, private family practice in Seminole, Oklahoma. I do employ a full-time physician's assistant who works along side of me in the practice. I average between 25 and 35 patients a day in the clinic, 4 days a week. The other 2, half days a week, I spend making nursing home rounds at 5 different nursing homes and cover my physician's assistant doing rounds in 2 other homes. I am also the medical director of a very busy local hospice in which I manage most of the patient census. I also volunteer, as medical director and physician, 2 nights a month at our free clinic in Seminole.

Another aspect of my practice that I enjoy is the choice I have made to remain in paper charts instead of completely switching to EMR. My attempt to transition to EMR several years ago was met with spotty internet connection in my rural area, poor company tech support, increased costs, less patient face-to-face time and a perceived grumbling of patients and staff alike. Having to decrease my patient load and the decreased available time to spend with my patients (and family) with an EMR transition were the deciding factors of why I chose to remain with the system I had in place.

I consider myself a very "patient care" driven and cautious physician. I am fully aware of the responsibility to be judicious and prudent when prescribing controlled substances. It is standard of care in my clinic to query the PMP for all patients where a controlled substance is prescribed, to employ spontaneous and routine drug screens and to maintain accurate and detailed progress notes on all patients.

I have listed several reasons below to support my request for a continued exemption and certainly would be willing to discuss any of them with the committee.

- 1) Time constraints: Being in paper charts, using E-prescribing would most likely add 1 to 1 ½ hours to my clinic day, on the computer, instead of face-to-face patient time.

- 2) Financial hardship: Having a private solo practice with an already slim financial margin, purchasing new laptops or tablets and decreasing my patient load would be a definite burden.
- 3) Erratic and undependable internet service in rural Oklahoma.
- 4) A significant portion of my practice is spent providing care to rural nursing homes and hospice patients, increasing the number of controlled substances scripts written.
- 5) I do plan to retire in 1 to 1 ½ years from my clinic, and my plans are to only provide care at certain nursing homes, hospice patients and the free volunteer clinic.

Being a solo family practitioner in a free-standing clinic, unfortunately, has become a dying breed. However, it has been my passion and privilege these past 30 years. Thank you so much for your consideration in these important matters. I will be available for any questions you may have for me. Thank you once again.

Fraternally,

Randall Kemp, DO  
Board Certified Family Practitioner

# FSMB: SPREADING COVID-19 VACCINE MISINFORMATION MAY PUT MEDICAL LICENSE AT RISK

WASHINGTON, D.C. (July 29, 2021) – The Federation of State Medical Boards’ Board of Directors released the following statement in response to a dramatic increase in the dissemination of COVID 19 vaccine misinformation and disinformation by physicians and other health care professionals on social media platforms, online and in the media:

“Physicians who generate and spread COVID-19 vaccine misinformation or disinformation are risking disciplinary action by state medical boards, including the suspension or revocation of their medical license. Due to their specialized knowledge

ethical and professional responsibility to practice medicine in the best interests of their patients and must share information that is factual, scientifically grounded and consensus-driven for the betterment of public health. Spreading inaccurate COVID-19 vaccine information contradicts that responsibility, threatens to further erode public trust in the medical profession and puts all patients at risk ”

For more information about how state medical boards and the FSMB are responding to the COVID 19 pandemic, visit **FSMB’s webpage** dedicated to providing resources and information to states and the public about COVID-19.

### **About the Federation of State Medical Boards:**

The Federation of State Medical Boards (FSMB) is a national non profit organization representing the medical boards within the United States and its territories that license and discipline allopathic and osteopathic physicians and, in some jurisdictions, other health care professionals. The FSMB serves as the voice for state medical boards, supporting them through education, assessment, research and advocacy while providing services and initiatives that promote patient safety, quality health care and

regulatory best practices. The FSMB serves the public through **Docinfo.org**, a free physician search tool which provides background information on the more than 1 million doctors in the United States. To learn more about the FSMB, visit **www.fsmb.org**. and follow the FSMB on Twitter (**@theFSMB**)
