COMPLAINT

The Prosecutor for the State Board of Osteopathic Examiners (the "Board"), J. Patrick Quillian, states as follows:

1. Dr. Wilson Gregory Knight II, D.O., is the holder of a license to practice as an osteopathic physician in the State of Oklahoma, license number 5244. Dr. Knight received his license as an osteopathic physician in Oklahoma from the Board in 2012. Dr. Knight has also held a license to practice osteopathic medicine in Nevada since 2017.

2. Dr. Knight is in violation of the Oklahoma Osteopathic Medicine Act, Tit. 59 O.S. § 637(A)(2)(f) and (A)(6), which state:

A. The State Board of Osteopathic Examiners may ... suspend or revoke any license issued or reinstated by the Board upon proof that the applicant or holder of such a license:

...

2. Has engaged in the use or employment of ... unethical conduct or unprofessional conduct, as may be determined by the Board, in the performance of the functions or duties of an

osteopathic physician, including but not limited to:

...

f. acting in a manner which results in final disciplinary action by any professional society or association or hospital or medical staff of such hospital in this or any other state, whether agreed to voluntarily or not, if the action was in any way related to professional conduct ... or any other violation of the Oklahoma Osteopathic Medicine Act[.]

...

6. Has had the authority to engage in the activities regulated by the Board ... restricted, modified or limited ... by any other state or federal agency whether or not voluntarily agreed to by the physician....”

3. On May 13, 2020, the Nevada State Board of Osteopathic Medicine (the “Nevada Board”) and Dr. Knight, represented by Douglas C. Crawford, Esq., entered into a Settlement Agreement and Order (the “Agreed Order”) in lieu of a formal complaint being filed.

4. The Agreed Order’s “Pertinent Facts” section, at paragraph 2, states the following:

In the course of his examination, Dr. Knight touched patient R on her abdomen and attempted to touch her breasts. The touching made patient R uncomfortable. During their encounter, Dr. Knight also asked Patient R if she was married, if she wanted to go on a date with him, if she liked kissing, and if she wanted to kiss him there in the examination room. Dr. Knight also found Patient R’s cellular telephone number from her patient intake documents and texted her the message: “When can I meet up with you.” Patient R created a diversion to allow her to flee the examination room, and then she reported her concerns with Dr. Knight’s conduct in the examination room to staff at Care Now Urgent Care. After leaving this facility, Dr. Knight called Patient R on her cellular telephone, which call Patient R declined to answer.

5. The Agreed Order also states in paragraph 2 of the “Pertinent Facts” Section that Dr. Knight was untruthful on his 2019 application for license renewal with the Nevada Board.

6. The Agreed Order’s “Acknowledgements and Applicable Law” section states at paragraph 2 that “[f]or the purposes of resolving this matter only and for no other purpose, Dr. Knight admits that the facts contained in the “Pertinent Facts” section constitute violations” of various Nevada statutes, regulations and administrative code.

7. In a letter to the Board dated August 17, 2020, Dr. Knight denied a majority of the factual allegations cited in the Agreed Order but did not deny the validity of the Agreed Order.

8. The Agreed Order placed Dr. Knight’s license to practice osteopathic medicine in Nevada on probation for two (2) years and requires him, *inter alia*, to complete the Physician Assessment and Clinical Education Program and prohibits him from being alone with female patients for the duration of the probationary period.

9. The Agreed Order constitutes a final disciplinary action against Dr. Knight’s license to practice osteopathic medicine in Nevada and limits his ability to engage in activities regulated by the Board, and thus constitutes a violation of the Oklahoma Osteopathic Medicine Act, as cited herein.

Respectfully submitted,
