Case No. OSBOE-2023-009

**FINDINGS OF FACT, CONCLUSIONS OF LAW, AND
ORDER OF PROBATION WITH TERMS AND CONDITIONS**

This matter comes on for consideration before the Oklahoma State Board of Osteopathic Examiners ("Board") at a regular meeting of the Board on December 14, 2023. The Board is represented by the Special Prosecutor for the Board, J. Patrick Quillian. Daniel Garrison, D.O. ("Dr. Garrison") appeared in person without counsel. Lowell Robertson, M.D., of the Oklahoma Health Professionals Program ("OHPP") appeared and offered sworn testimony. The Board's Chief Investigator, Richard Zimmer, also appeared and gave sworn testimony. The parties also submitted exhibits for the Board's consideration.

This Order is issued pursuant to the Oklahoma Osteopathic Medicine Act, 59 O.S. § 620 *et. seq.* and the Oklahoma Administrative Procedures Act, 75 O.S. § 250 *et. seq.*

The Board, after reviewing the pleadings, hearing testimony, and being fully advised enters this Order of Probation with Terms and Conditions, as set out below.

FINDINGS OF FACT

After reviewing the pleadings, exhibits, and hearing testimony, and being fully advised specifically the Board finds the following Findings of Fact and Conclusions of Law to be true and correct and proven by clear and convincing evidence:

1. Dr. Garrison is the holder of a license to practice osteopathic medicine in the State of Oklahoma, license number 6306. At the time this action commenced, Dr. Garrison's license was suspended by agreement.
2. Dr. Garrison received proper notice of the hearing, and a true and correct copy of the Verified Complaint ("Complaint"), as required by Oklahoma law.
3. On or about January 6, 2023, the Board was made aware Dr. Garrison was featured in a KSWO article regarding animal abuse charges in Comanche County. Two men working in West Lawton had alleged they witnessed overhearing what sounded like a dog being struck, and later witnessed a man dressed in medical scrubs disposing of a small dog by throwing it into the woods.
4. On or about January 11, 2023, Dr. Garrison's employer, Comanche County Memorial Hospital ("CCMH"), terminated his employment after a suspension that resulted from the incident and arrest.
5. On or about March 13, 2023, Dr. Garrison admitted to Board investigators to killing the dog and voluntarily entered an Agreement Not to Practice with the Board. The Agreement Not to Practice resulted in Dr. Garrison's Oklahoma license being suspended.
6. Evidence at the hearing revealed that Dr. Garrison was arrested, charged, and pled guilty to one count of cruelty to animals in Comanche County.

CONCLUSIONS OF LAW

1. The Board has jurisdiction to hear this matter pursuant to the Oklahoma Osteopathic Medicine Act, 59 O.S. § 620 *et. seq.* (“Osteopathic Act”), and the Oklahoma Administrative Procedures Act, 75 O.S. § 250 *et. seq.*
2. The Board concludes by clear and convincing evidence that Dr. Garrison violated the Oklahoma Osteopathic Medicine Act, specifically, Tit. 59 O.S. § 637 (A)(2), (A)(2)(f), (A)(8), (A)(13).
3. The Board also concludes that such actions are grounds for imposing any sanction against Dr. Garrison’s license to practice osteopathic medicine in the State of Oklahoma that is permitted by Oklahoma law as well as the rules and regulations of the Board.

ORDER

IT IS HEREBY ORDERED, ADJUDGED AND DECREED by the Board that Dr. Garrison’s license to practice osteopathic medicine in the State of Oklahoma is reinstated and the following terms and conditions shall apply:

ATTORNEY GENERAL OPINION
2024-9A

Oklahoma City, Oklahoma 73105

January 23, 2024

Re: Lamoureaux, Case No. 415-045

Dear Executive Director Mullins:

This office has received your request for a written Attorney General Opinion regarding action that the State Board of Osteopathic Examiners intends to take in Case Number 415-045. Respondent's license was suspended in 2015, after the Board received an Emergency Order of Suspension from the Arkansas Board due to the filing of criminal complaint in an Arkansas federal court.

The Oklahoma Osteopathic Medicine Act authorizes the Board to "revoke any license issued" upon proof that the license holder has engaged in "unethical conduct or unprofessional conduct, as determined by the Board." 59 O.S.2021, § 637(A)(2). Further, the Board may also take action when a license holder: (5) "has . . . entered a plea of guilty . . . in a criminal prosecution for any offense reasonably related to the qualifications, functions or duties of an osteopathic physician"; (6) "has had the authority to engage in the activities regulated by the Board . . . suspended"; (7) "has violated or failed to comply with provisions of any act or regulation administered by the Board"; (8) "is incapable, for medical or psychiatric or any other good cause, of discharging the functions of an osteopathic physician in a manner consistent with the public's health, safety and welfare"; or (13) "has been guilty of personal offensive behavior, which would include, but not be limited to, obscenity, lewdness, and molestation." *Id.* § 637(A)(5-8, 13).

According to a Board complaint, Respondent entered a plea agreement to coercion and enticement of a minor in an Arkansas federal court. Respondent was ordered to serve 180 months in prison. Finding clear and convincing evidence of grounds for discipline under 59 O.S.2021, § 637(A)(2), (5-8, 13), the Board proposes to revoke Respondent's license. The Board may reasonably believe the proposed action is necessary to deter future violations.

It is, therefore, the official opinion of the Attorney General that the State Board of Osteopathic Examiners has adequate support for the conclusion that this action advances the State's policy to protect the public welfare.
