Case No. 2023-011

FINAL ORDER OF PUBLIC REPRIMAND

This matter came on for hearing before the Oklahoma State Board of Osteopathic Examiners ("Board") en banc at the meeting of March 16, 2023. Petitioner appeared by and through legal counsel Bayleigh Adams. Respondent Dr. Stephens appeared in person and by legal counsel Shar Agosto, attorney, Owasso, Oklahoma.

Whereupon witnesses were sworn and gave testimony and exhibits were introduced into admission and respective legal counsel made closing arguments.

Whereupon the Board, en banc being fully advised in the premises and having reviewed all pleadings, evidence and argument of counsel makes the following Findings of Fact and Conclusions of Law and Order.

FINDINGS OF FACT

1. Dr. Linh Stephens, D.O., is the holder of a license to practice as an osteopathic physician in the State of Oklahoma, license number 5127.

2. Dr. Stephens is in violation of the Oklahoma Osteopathic Medicine Act, 59 O.S. 2021, §626(D) and §637(A)(7) and (A)(11) which state:

“D. Any licensee or applicant for license subject to the provisions of the Oklahoma Osteopathic Medicine Act shall be deemed to have given consent to any duly authorized employee or agent of the Board to access, enter, or inspect, the records, either on site or at the Board office, or facilities of such licensee or applicant subject to the Oklahoma Osteopathic Medicine Act. Refusal to allow such access, entry, or inspection may constitute grounds for the denial, non-renewal, suspension, or revocation of a license.”

“Section 637

A. The State Board of Osteopathic Examiners may suspend or revoke any license issued or reinstated by the Board upon proof that the applicant or holder of such a license:

7. Has violated or failed to comply with provisions of any act or regulation administered by the Board.

11. Has violated or refused to comply with the lawful order of the Board.”

3. On February 2, 2023, Dr. Stephens agreed to meet with Board Executive Director Michael Leake and Investigator Richard Zimmer at her office at 2:00 p.m. on February 7, 2023.

4. Later on February 2, 2023, Dr. Stephens declined and refused to meet with the Board Executive Director Michael Leake and the Board Investigator. Dr. Stephens' email provided in pertinent part:

"Good afternoon,

My clinic is for my patients and you guys are all NOT my patients, and expect to address my complaints against Stephen E. Hale for practicing medicine without a license at YOUR office, which I assume you have a Tulsa branch somewhere in (the) Tandy Building (OSU) downtown! Any disclosures and possible conflict of interests with the person I was complaining about?

I have other priorities and to-dos, and I don't want to have a meeting with just TWO lawyers and then having to repeat myself the same story to the rest of the medical board. I do NOT want you or anyone to speak about my complaints to the WHOLE medical board (including doctors, and citizens who are not doctors nor lawyers) on my behalf because I want to do it MYSELF to the whole medical board, so no one can twist my words or put words into my mouth." (Capitals in the original).

5. Later still on February 2, 2023, Mr. Leake responded to Dr. Stephens by email, to-wit:

"I am the Executive Director of the DO Board--the DO Boar oversees your license to practice osteopathic medicine in Oklahoma and is also the office where you filed your complaint on the GAL attorney alleging the unauthorized practice of medicine. Are you asking to appear before the DO Board to talk to the whole Board about your complaint on Mr. Hale? The DO Board does have osteopathic doctors on it. If so, I'm happy to put you on the agenda. Lastly, I would still like to meet with you to discuss your arrest from last year. I am happy to arrange a meeting following your court hearing on February 14th in Tulsa County. Of course, you are welcome to bring a lawyer to this meeting. Many thanks.

Michael Leake"

6. Dr. Stephens did not reschedule the informal meeting requested by Mr. Leake and Investigator Zimmer.

7. On February 14, 2023, Dr. Stephens sent the below email to Mr. Leake and Mr. Zimmer, to-wit:

"I do want to have a meeting in front of the whole medical board (with doctors, and normal civilians as well) NEXT WEEK. For emphasis, with everyone on the medical board (not just lawyers like yourselves who are friends with Stephen E. Hale per your undertone underhanded threats of retaliation against my medical license in email as attached below despite I'm the whistleblower); my criminal defense lawyer will be there also, where I am a victim reporting crime committed by Stephen E. Hale (a lawyer like yourself) practicing medicine WITHOUT any medical license, and THEN & THERE while in front of the whole board (with doctors and civilians non-lawyers) feel free to ask about false retaliation protective order against me (80 pounds Asian American female) by a 220 plus pounds angry white male (same race and gender as you both). This has not been adjudicated at all nor charged at all followed by my abusive ex-husband's perjurious false VPO--I wasn't served properly with VPO either.

My criminal defense attorney and I do NOT agree to meet you two biased lawyers outside of whole medical board, as you have NEVER denied IN WRITING your conflict of interest with Stephen E. Hale and his law firm--who practice medicine without a license by declaring multiple mothers in Oklahoma "crazy" or other made up diagnosis with required treatment of their children to never to see their mothers again, while the truly mentally-ill father who was already-diagnosed by numerous licensed doctors was MISDIAGNOSED (again without a medical license) by Stephen E. Hale as 'not mentally ill, no need for psyche eval, very fit father and recommended child(ren) taken away from currently safe, fit mother, while bypassing material safe/fit grandparents or extended safe relatives and close family friends, but given directly to abusive plus/minus mentally-ill fathers to abuse the children 24/7.'

Please coordinate the schedule if my lawyer Shar, whose email is in the CC.”

CONCLUSIONS OF LAW

1. The Board has jurisdiction over this matter pursuant to the Oklahoma Osteopathic Medicine Act, 59 O.S. 2021, §620 et seq.

2. The aforesaid evidence shows clear and convincing evidence that the Respondent violated 59 O.S. 2021, §626(D) which provides in pertinent part:

“D. Any licensee or applicant for license subject to the provisions of the Oklahoma Osteopathic Medicine Act shall be deemed to have given consent to any duly authorized employee or agent of the Board to access, enter, or inspect, the records, either on site or at the Board office, or facilities of such licensee or applicant subject to the Oklahoma Osteopathic Medicine Act. Refusal to allow such access, entry, or inspection may constitute grounds for the denial, non-renewal, suspension, or revocation of a license.”

3. The evidence shows clear and convincing evidence that the Respondent violated 59 O.S. 2021, §637(A)(7) and (A)(11) which provide as follows:

“Section 637

A. The State Board of Osteopathic Examiners may. . . . suspend or revoke any license issued or reinstated by the Board upon proof that the applicant or holder of such a license:

7. Has violated or failed to comply with provisions of any act or regulation administered by the Board.

11. Has violated or refused to comply with the lawful order of the Board.”

4. Based on those violations of the Oklahoma Osteopathic Medicine Act the Board has power to impose a sanction within its discretion pursuant to legal authority of 59 O.S. 2021, §637.1(3).

ORDER

IT IS THEREFORE ORDERED, ADJUDGED AND DECREED that in this cause the Respondent receive a public reprimand and admonition.

IT IS FURTHER ORDERED that the Board General Counsel was directed to instantly publicly reprimand the Respondent on the violations set forth above, and that any other member of the Board may also make whatever comments to Dr. Stephens on the record they feel appropriate.
