CONSENT ORDER

The State of Oklahoma, *ex rel.* Oklahoma State Board of Osteopathic Examiners (“Petitioner” or the “Board”), by and through the undersigned counsel for the Board, Sean M. Sanders, and Brandon Wilson, D.O. (“Respondent”), Oklahoma license number 4976, who appears in through counsel Lane O. Krieger, (collectively, the “Parties”), offer this Consent Order (the “Order”) for acceptance by the Board.

By voluntarily entering into this Order, Respondent admits to certain elements of the allegations herein contained and further acknowledges a hearing before the Board could result in some sanction under the Oklahoma Osteopathic Medicine Act (“Act”). 59 O.S. § 620 *et seq.*

Respondent, Brandon Wilson, D.O., states that he is of sound mind and is not under the influence of, or impaired by, any medication or drug and he fully recognizes his right to appear before the Board for an evidentiary hearing on the allegations made against him. Respondent hereby voluntarily waives his right to a full hearing, submits to the jurisdiction of the Board, and agrees to abide by the terms and conditions of this Order. Respondent acknowledges he has read and understands the terms and conditions stated herein, and the Order may be reviewed and discussed with him by legal counsel prior to execution.

If the Board does not accept this Order, the Parties stipulate it shall be regarded as null and void, and Petitioner shall not use any admission made by Respondent herein against him in any subsequent disciplinary hearing before the Board or otherwise. If the Board does not accept this Order, Respondent will be free to defend himself, and no inferences would be drawn from Respondent’s willingness to have this Order accepted by the Board. The Parties further stipulate that neither the presentation of this Order, nor the Board’s consideration of this Order, shall be deemed to have unfairly or illegally prejudiced the Board or its individual members and, therefore, shall not constitute grounds for precluding the Board nor any individual Board member from further participation in proceedings related to the matters set forth herein.

FINDINGS OF FACT

The Petitioner and Respondent each stipulate and agree as follows:

1. Brandon Wilson, D.O., is the holder of a license to practice as an osteopathic physician in the State of Oklahoma, license number 4976.

2. Dr. Wilson received his license to practice as an osteopathic physician in Oklahoma from the Board in August of 2010 and primarily engages in the practice of Obstetrics & Gynecology.

3. At all times relevant to this proceeding, Dr. Wilson worked as a physician specializing in Obstetrics & Gynecology in Oklahoma.

4. Dr. Wilson was employed by Hillcrest Medical Center in 2020.

5. During his employment with Hillcrest Medical Center, an ad hoc committee was formed to independently review concerns regarding Dr. Wilson's questionable decision making, unprofessional conduct, and poor documentation from 2017-2021.

6. As a result of the committee's findings, Dr. Wilson was provided an opportunity to continue employment for a term of one (1) year, effective May 1, 2021, subject to entering into a Last Chance Agreement and obtaining relevant training set forth therein.

7. The Last Chance Agreement, signed by Dr. Wilson, provided remediation requirements to be completed within a set period.

8. A failure to comply with the terms of the Last Chance Agreement would result in the automatic revocation of [Dr. Wilson's] privileges, and a waiver of due process hearing and appeal rights under the medical staff bylaws.

9. Dr. Wilson failed to comply with the terms of the agreement, and in March of 2022, Hillcrest Medical Center's Advisory Board approved the MEC's recommendation to revoke

privileges for Dr. Wilson.

10. The Oklahoma State Board of Osteopathic Examiners, (hereinafter referred to as “OSBOE”), was alerted to the revocation of privileges in April of 2022 due to a National Practitioner’s Data Bank Alert.

11. An investigation was initiated and resulted in a verbal agreement constituting no Board action at that time upon the production of a letter of good standing from Dr. Wilson’s newly obtained employer, Stillwater Medical Center (employed July 31, 2023).

12. A letter of good standing was received on June 11, 2024.

13. On July 1, 2025, OSBOE lead investigator, Elizabeth Fullbright, received an anonymous call prompting a new investigation.

14. Dr. Wilson received a Notice of Termination of Employment Agreement on May 12, 2025, from Stillwater Medical Center.

15. His termination was due to a repeated pattern of delinquent clinical documentation and professional conduct.

16. Dr. Wilson acknowledges that a hearing before the Board could result in a finding that he has engaged in the use or employment of unethical conduct or unprofessional conduct... in the performance of the functions or duties of an osteopathic physician.

CONCLUSIONS OF LAW

17. The Board has jurisdiction over the subject matter and is a duly authorized agency of the State of Oklahoma empowered to license and oversee the activities of osteopathic physicians in the State of Oklahoma. 59 O.S. § 620 et seq. and Okla. Admin. Code §§ 510: 1-1 -1 et seq.

18. Pursuant to the provisions of 59 O.S. §§ 637 and 637.1, the Board is authorized to institute appropriate disciplinary action against any licensed osteopathic physician who violates the

provisions of the Act.

19. Pursuant to the provisions of the Oklahoma Administrative Procedure Act, “unless precluded by law, informal disposition may be made of any individual proceeding by stipulation, agreed settlement, or consent order.” 75 O.S. § 309(E).

20. Based on the foregoing, the Board finds as follows:

- a. Dr. Wilson has received a final disciplinary action from Hillcrest Medical Center which was related to his professional conduct..., violative of 59 O.S. § 637(A)(2)(f);
- b. Dr. Wilson has received a final disciplinary action from Stillwater Medical Center which was related to his professional conduct..., violative of 59 O.S. § 637(A)(2)(f);
- c. Dr. Wilson acknowledges that a hearing before the Board could result in a finding that he has engaged in the use or employment of unethical conduct or unprofessional conduct... in the performance of the functions or duties of an osteopathic physician violative of 59 O.S. § 637(A)(2);
- d. Dr. Wilson voluntarily agrees to waive his right to a hearing and enter this Consent Order;
- e. Dr. Wilson and the Board Prosecutor agree to the terms of this Consent Order and move for the Board to adopt and enter the same.
