Oklahoma City, OK 73179-4010

To: Mannix Barnes, Western Heights Public Schools,

During the dates of March 1 through May 1, 2020, the Oklahoma State Department of Education (OSDE), Special Education Services (SES), conducted a review of confidential student files for Western Heights Public Schools as a result of your Differentiated Monitoring Results (DMR) in the targeted area of Indicator 3c Assessment Proficiency. A report of the findings was provided on September 21, 2020.

Whenever a finding of noncompliance is identified, the Local Education Agency (LEA) is notified of the area(s) of noncompliance and required to develop a Corrective Action Plan (CAP). After reviewing your CAP, the OSDE-SES has determined that you have met all requirements. Please continue to monitor your district to ensure continued systemic compliance.

This letter serves as a notice that Prong I is closed as of January 13, 2021. Please be aware that Prong II will be reviewed in the coming months to ensure continued compliance. Prong II must be met by September of 2021. No further action is required at this time.

If you have any questions, please contact Felica.Denton@sde.ok.gov; (405) 522-9562.

Sincerely,

Felica Denton, Fiscal Monitoring Coordinator
